Practice Makes Perfect: Complete French Grammar, Premium Fourth Edition  
University of Chicago Press  
Kenzaburo Oe was awarded the Nobel Prize in Literature for creating "an imagined world, where life and myth condense to form a disconcerting picture of the human predicament today." In *Death by Water*, his recurring protagonist and literary alter-ego returns to his hometown village in search of a red suitcase fabled to hold documents revealing the details of his father's death during WWII: details that will serve as the foundation for his new, and final, novel. Since his youth, renowned novelist Kogito Choko planned to fictionalize his father's fatal drowning in order to fully

process the loss. Stricken with guilt and regret over his failure to rescue his father, Choko has long been driven to discover why his father was boating on the river in a torrential storm. Though he remembers overhearing his father and a group of soldiers discussing an insurgent scheme to stage a suicide attack on Emperor Mikado, Choko cannot separate his memories from imagination and his family is hesitant to reveal the entire story. When the contents of the trunk turn out to offer little clarity, Choko abandons the novel in creative despair. Floundering as an artist, he's haunted by fear that he may never write his *tour de force*. But when he collaborates with an avant-garde theater troupe dramatizing his early novels, Kogito is revitalized by revisiting his formative work and he finds the will to continue investigating his father's demise. Diving into the turbulent depths of legacy and mortality, *Death by Water* is an exquisite

examination of resurfacing national and personal trauma, and the ways that storytelling can mend political, social, and familial rifts.  
Vanity of Duluoz W. W. Norton & Company  
I hungered to be seen. There were three things I knew about Capo Macchiavello: He was gorgeous. He was reclusive. He was considered one of New York's most savage animals. And he wanted me as his wife. A simple arrangement - you do for me, I do for you. Nothing owed, no expectations. Except for one: never leave. Life was never that simple, though. By the age of twenty-one, I was parentless, jobless, and homeless, and I had come to learn the hard way that nothing was ever free. Even kindness comes with strings. Capo might've been the only man to ever see me, but I had made a vow to myself:

I would never owe anyone anything. Most of all, the man I called boss. I killed to stay hidden. Mariposa Flores thought she owed nothing to no one, but she owed everything...to me, the ghost the world had once called The Machiavellian Prince of New York. Machiavellian is the first of three books set in the savage world of the Gangsters of New York series.

**American Comics: A History** HarperCollins  
The hilarious, take-no-prisoners novel about a cynical, sex-obsessed teenager's pining love for an intelligent girl—the basis for the major motion picture starring Michael Cera. Youth in Revolt is the journals of Nick Twisp, California's most precocious diarist, whose ongoing struggles to make sense out of high school, deal with his divorced parents, and lose his virginity result in his transformation from an unassuming fourteen-year-old to a modern youth in open revolt. As his family splinters, worlds collide, and the police block all routes out of town, Nick must cope with economic deprivation, homelessness, the gulag of the public schools, a competitive type-A father, murderous canines, and an inconvenient hair trigger on his erectile response—all while vying ardently for the affections of the beautiful Sheeni Saunders, teenage goddess, and ultimate intellectual goad.

During the 20th Century, France was home to many of the world's greatest poets. This collection highlights some of the very best verse that came out of a country and century defined by war and liberation. Let Paul Auster guide you through some of the best poetry that 20th century France has to offer.

“ Indispensable . . . a book that everyone interested in modern poetry should have close to hand, a source of renewable delights and discoveries, a book that will long claim our attention . . . To my knowledge, no current anthology is as full and as deftly edited. ” —Peter Brooks, The New York Times Book Review “ One of the freshest and most exciting books of poetry to appear in a long while . . . Paul Auster has provided the best possible point of entry into this century's most influential body of poetry. ” —Geoffrey O'Brien, The Village Voice

The culmination of six years of research and development, The Work of Leaders presents

a simple structure that neatly captures the complexity of contemporary leadership. The goal of this book is to make this wealth of leadership insight accessible to anyone who wants better results as a leader. The work that leaders do—the work that really matters—is boiled down to three areas: crafting a vision, building alignment, and championing execution. Vision, Alignment, and Execution are “ magic words. ” They strike a chord that turns the goal of leadership into tangible steps. With passion and insight, the authors draw from the best-known leadership authorities, while leveraging their unparalleled access to data from thousands of leaders and followers and their connections to hundreds of organizational development consultants. Interwoven with humor and drawing from real-world scenarios, The Work of Leaders distills leadership best practices into a simple, compelling process that helps leaders at all levels get immediate results.

woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in *The New Yorker*, *The New York Times*, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (*Oprah Daily*). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning

emotional bravery, *The Book of Mother* is an exquisitely wrought story of a mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on.

Way of the Peaceful Warrior  
Grove/Atlantic, Inc.

Now a *Wall Street Journal* bestseller. What if the games we played as children were the greatest gift to helping us achieve more today? Before stage fright, impostor syndrome, emotional baggage, and the other dubious gifts of adulthood, everyone pretended to be a superhero, a favorite athlete, an inspiring entertainer, a nurse, a firefighter, a lion, or whatever else captured our imaginations. And yet, that natural creativity is slowly squeezed out of us because we think it's childish or it's "time to grow up." Now Todd Herman—backed by scientific research and countless stories from the real world—will show us how to tap into the human imagination to unleash new versions of ourselves, ready-made to kick ass. Herman has been coaching champions in every field for over twenty years, and he's helped them bring out their Heroic Self to

transcend the forces pulling them into the Ordinary World. Anyone attempting ambitious things faces adversity, resistance, and challenges, but Herman confronts these obstacles with a question: Who or what needs to show up to make success inevitable? In *The Alter Ego Effect*, Herman presents countless stories from salespeople, executives, entertainers, athletes, entrepreneurs, creatives, and historical figures to illustrate how to activate the Heroic Self already nested inside each of us. And he reveals that we may not be using those traits in the moments when we need them the most. From the creative entrepreneur who resisted their craft, to the accomplished military officer who wanted to be a warmer dad at home, Todd Herman's clients have discovered there is no end to the parts of their lives they could improve by using *Alter Egos*.

*The Alter Ego Perspectives of Literary Historiography*  
Springer Science & Business Media

the eagerly-awaited new novel from Gao Xingjian, the first Chinese recipient of the

Nobel Prize for Literature. Full of wisdom, wit, pain and redemption, *One Man's Bible* is a book which sets out to make sense of the horror that was China's Cultural Revolution (1966-1976). There has been much written about this period, and the Chinese people are often portrayed as innocent victims, powerless to stop the government stamping any cultural pursuit that wasn't state-sanctioned. Gao argues however that everyone - from paddy-field worker to government cadre - was complicit and should take responsibility for what happened. Some 30 years later, the book's main character reflects on the tragedy and absurdity which swept through China under Mao's rule, recalling the endless rounds of recrimination and the policing of every word and deed - how nothing that did not conform to the mandates of the state or the Party was allowed and anyone who dared speak out was denounced, imprisoned or killed. He traces his perilous path through those times and examines every aspect of his life.

The Individual and Society Simon and Schuster

"The Renegades are a syndicate of prodigies--humans with extraordinary abilities--who emerged from the ruins of a crumbled society and established

peace and order where chaos reigned. As champions of justice, they remain a symbol of hope and courage to everyone--except the villains they once overthrew. Nova has a reason to hate the Renegades, and she is on a mission for vengeance. As she gets closer to her target, she meets Adrian, a Renegade boy who believes in justice"--Amazon.com.

*The Torqued Man* HarperCollins UK

"A damn good read." —Alan Furst A brilliant debut novel, at once teasing literary thriller and a darkly comic blend of history and invention, *The Torqued Man* is set in wartime Berlin and propelled by two very different but equally mesmerizing voices: a German spy handler and his Irish secret agent, neither of whom are quite what they seem. Berlin—September, 1945. Two manuscripts are found in rubble, each one narrating conflicting versions of the life of an Irish spy during the war. One of them is the journal of a German military intelligence officer and an anti-Nazi cowed into silence named Adrian de Groot, charting his relationship with his agent, friend, and sometimes lover, an Irishman named Frank Pike. In De Groot's narrative, Pike is a charismatic IRA fighter sprung from prison in Spain to assist with

the planned German invasion of Britain, but who never gets the chance to consummate his deal with the devil.

Meanwhile, the other manuscript gives a very different account of the Irishman's doings in the Reich. Assuming the alter ego of the Celtic hero Finn McCool, Pike appears here as the ultimate Allied saboteur. His mission: an assassination campaign of high-ranking Nazi doctors, culminating in the killing of Hitler's personal physician. The two manuscripts spiral around each other, leaving only the reader to know the full truth of Pike and De Groot's relationship, their ultimate loyalties, and their efforts to resist the fascist reality in which they are caught.

*Youth in Revolt* HarperCollins Tomboy is the story of a girl whose father calls her Brio, whose alter ego is Amine, and whose mother is a blue-eyed blond. But who is she? Born five years after Algerian independence in 1967, she navigates the cultural, emotional, and linguistic boundaries of identity living in a world that doesn't seem to recognize her.

*One Man's Bible* HarperCollins

A story about political organizing and the power of community Translated from French by Helge Dascher Val é rie Plante stood up to the patriarchal power system

---

of her city, took down an incumbent, and became the first woman elected Mayor of Montreal. Her origin story comes alive in *Okay, Universe*. This captivating graphic novel—created in a true collaboration with Governor-General Award-winner Delphine Côté-Lacroix—follows her journey from community organizer and volunteer to municipal candidate, and the phone call from the local social justice political party that changed her life forever. *Okay, Universe* is the first time Plante has told her story, and she has chosen an art form that is not just emblematic of the city of Montreal and its love of the arts and bande dessinée, it's an art form that is accessible to all readers and perfectly suited to her message. With patience, determination, and the strength of will to remain true to her core beliefs, *Okay, Universe* details the inspiring political campaign where slowly but surely she gained the trust of a neighbourhood fighting for affordable housing, environmental protections, and equal opportunities. *Okay, Universe* demystifies the path to success, simultaneously showing the Mayor's inextinguishable commitment to creating

positive change in the world and educating about the vitality of political engagement." *Okay, Universe* Feiwei and Friends A young artist pursues a search for knowledge through the treatment of homosexuality and the collapse of morality in middle class France. *Cartesian Questions* Vintage One more journey to the universe of Roberto Bolaño, an essential voice of contemporary Latin American literature *Cowboy Graves* is an unexpected treasure from the vault of a revolutionary talent. Roberto Bolaño's boundless imagination and seemingly inexhaustible gift for shaping the chaos of his reality into fiction is unmistakable in these three novellas. In "Cowboy Graves," Arturo Belano--Bolaño's alter ego--returns to Chile after the coup to fight with his comrades for socialism. "French Comedy of Horrors" takes the reader to French Guiana on the night after an eclipse where a seventeen year old answers a pay phone and finds himself recruited into the Clandestine Surrealist Group, a secret society of artists based in the sewers of Paris. And in "Fatherland," a young poet reckons with the fascist overthrow of his country, as the woman he is obsessed with disappears in

the ensuing violence and a Third Reich fighter plane mysteriously writes her poetry in the sky overhead. These three fiercely original tales bear the signatures of Bolaño's extraordinary body of work, echoing the strange characters and uncanny scenes of his triumphs, while deepening our reverence for his gifts. *French Grammar for Beginners Textbook + Workbook Included* W. W. Norton & Company 'Laugh-out-loud fun with a real romantic heart' **MIRANDA DICKINSON** *The Alter Ego Effect* Penguin *ALTER* ego 1 workbook serves as a complement to the student's book and is based on the same structure. The Bed and Breakfast on the Beach Vintage

“ Startlingly original and deeply moving.... Chang here establishes herself as one of the most important of the new generation of American writers. ” — George Saunders  
A Recommended Book From BuzzFeed \* TIME \* USA Today \* NPR \* Vanity Fair \* The Washington Post \* New York Magazine \* O, the Oprah Magazine \* Parade \* Wired \* Electric Literature \* The Millions \* San Antonio Express-News \* Domino \* Kirkus A wry, tender portrait of a young woman—finally free to decide her own path, but unsure if she knows herself well enough to choose wisely—from a captivating new literary voice  
The plan is to leave. As for how, when, to where, and even why—she doesn ’ t know yet. So begins a journey for the twenty-four-year-old narrator of Days of Distraction. As a staff writer at a prestigious tech publication, she reports on the achievements of smug Silicon Valley billionaires and start-up bros while her own request for a raise gets bumped from manager to manager. And when her longtime boyfriend, J, decides to move to a quiet upstate New York town for grad school, she sees an excuse to cut and run. Moving is supposed to be a grand gesture of her

commitment to J and a way to reshape her sense of self. But in the process, she finds herself facing misgivings about her role in an interracial relationship. Captivated by the stories of her ancestors and other Asian Americans in history, she must confront a question at the core of her identity: What does it mean to exist in a society that does not notice or understand you? Equal parts tender and humorous, and told in spare but powerful prose, Days of Distraction is an offbeat coming-of-adulthood tale, a touching family story, and a razor-sharp appraisal of our times.

Renegades HarperCollins UK  
The long-awaited follow-up to the Pulitzer Prize-winning The Sympathizer, which has sold more than one million copies worldwide, The Committed follows the man of two minds as he arrives in Paris in the early 1980s with his blood brother Bon. The pair try to overcome their pasts and ensure their futures by engaging in capitalism in one of its purest forms: drug dealing. Traumatized by his reeducation at the hands of his former best friend, Man, and struggling to assimilate into French culture, the Sympathizer finds Paris both seductive and disturbing. As he falls in with a group of left-wing intellectuals whom he meets at dinner parties given by his French Vietnamese “ aunt, ” he finds stimulation for his mind but also customers for his narcotic merchandise.

But the new life he is making has perils he has not foreseen, whether the self-torture of addiction, the authoritarianism of a state locked in a colonial mindset, or the seeming paradox of how to reunite his two closest friends whose worldviews put them in absolute opposition. The Sympathizer will need all his wits, resourcefulness, and moral flexibility if he is to prevail. Both highly suspenseful and existential, The Committed is a blistering portrayal of commitment and betrayal that will cement Viet Thanh Nguyen ’ s position in the firmament of American letters.
