"From Boriquén to Bethlehem: A Coquí and the Three Wise Men" is the story of a magical coquí, a tree frog native to Puerto Rico, who traveled with a young Puerto Rican girl and the Magi to the first Christmas. In gratitude, the Kings promise the girl to yearly visit the children of Puerto Rico, and to find them wherever they may be if they hear the call of a coquí. Geared toward Puerto Rican children, and in particular those living outside of the island, the fun rhyming story explains how the Magi are able to find children's homes, be it in San Juan or in New York, in Orlando or in Juana Díaz. Keep the Three Kings tradition alive for present and future generations. The book contains the text of the story in English and a Spanish translation.

It's about the summer when Margaret Rose turned twelve--the same year that Cabbage Patch dolls were popular, that Sally Ride became the first

woman to go into space, that El Nino turned the world upside-down. Margaret Rose begins her summer with a miserable experience at camp, from which she's rescued by her beloved, eccentric uncles. Little does she know that her uncles, in turn, need rescuing themselves--from a tyrannical city council determined to tear down her uncles' life work--three spectacularly beautiful towers that her uncles have been building since before Margaret was a baby. A rousing book about intelligence, art, and the fierce preservation of individuality, from EL Konigsburg.
