Make a Poem Cry Riverbank Publishing

Looking for an escape from childhood abuse, Reymundo Sanchez turned away from school and baseball to drugs, alcohol, and then sex, and was left to fend for himself before age 14. The Latin Kings, one of the largest and most notorious street gangs in America, became his refuge and his world, but its violence cost him friends, freedom, self-respect, and nearly his life. This is a raw and powerful odyssey through the ranks of the new mafia, where the only people more dangerous than rival gangs are members of your own gang, who in one breath will say they'll die for you and in the next will order your assassination.

Challenging Our Freedom to Read Simon and Schuster

Poems of the barrio and of the Americas beyond Spanish for "helter-skelter," Trochemoche begins by conjuring life in the barrio, whether in a slum in a Texas border town or in L.A., the vast, hectic, desperate California metropolis where Luis J. Rodríguez grew up. For Rodríguez, only art offered deliverance from the despair of gang violence and poverty, and these poems stand as prayers for transcendence, recorded long after Rodríguez escaped his violent past and began to explore the wider world. Here Rodríguez offers not only songs of the American dream, but a dream of the Americas, a place that invites a pell-mell, sometimes violent, collision of cultures, human impulses, and natural forces. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.

The author of "Across the Wire" offers brilliant investigative reporting of what went wrong when, in May 2001, a group of 26 men attempted to cross the Mexican border into the desert of southern Arizona. Only 12 men came back out. "Superb . . . Nothing less than a saga on the scale of the Exodus and an ordeal as heartbreaking as the Passion . . . The book comes vividly alive with a richness of language and a mastery of narrative detail that only the most gifted of writers are able to achieve.--"Los Angeles Times Book Review."

• "Quiara Alegria Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories." —Lin-Manuel Miranda, award-winning creator of Hamilton and In the Heights
Quiara Alegria Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she'd have to get off the stairs and join the dance. She'd have to find her language. Weaving together Hudes's love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multemythic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture the world she loved in all its wild and delicate beauty.

THE BLACK HAND is the true story of Rene Enriquez, aka "Boxer," and his rise in a secret criminal organization, a new Mafia, that already has a grip on all organized crime in California and soon all of the United States. This Mafia is using a base army of an estimated 60,000 heavily armed, loyal Latino gang members, called Surenos, driven by fear and illicit profits. They are the most dangerous gang in American history and they wave the flag of the

Black Hand. Mafioso Enriquez gives an insider's view of how he devoted his life to the cause--the Mexican Mafia, La Familia Mexicana, also known as La Eme--only to find betrayal and disillusionment at the end of a bloody trail of violence that he followed for two decades. And now, award-winning investigative journalist Chris Blatchford, with the unprecedented cooperation of Rene Enriquez, reveals the inner workings, secret meetings, and elaborate murder plots that make up the daily routine of the Mafia brothers. It is an intense, never-before-told story of a man who devoted his life to a bloody cause only to find betrayal and disillusionment. Based on years of research and investigation, Chris Blatchford has delivered a historic narrative of a nefarious organization that will go down as a classic in mob literature.

Pomona A to Z Seven Stories Press

A mesmerizing collection of poems of urban pain and immigrant alienation, humming with a current of genuine beauty and the pulse of life. The Concrete River's poems are dispatches from city corners that CNN viewers never see, that few dare visit, and that fewer still manage to escape. Rodrigo sings corridos of barrios and busted Chicanos trying to make it in L.A. and Chicago, from ballads of Watts's broken glass to blues played alongside a tequila bottle under an elevated train. But the music also captures moments of true beauty amid the hard urban surfaces, where the cries of the hood "deliver sacrifices / of sound and flesh, / as a mother's milk flows," while love and community offer renewed hope. This ebook features an illustrated biography of Luis J. Rodrigo including rare images from the author's personal collection.

Whale Talk Open Road Media

The collected poems of one of America's foremost balladeers of urban struggle and immigrant dreams. Over his three-decade career as a poet, novelist, and memoirist, Luis J. Rodrigo has earned acclaim for his remarkable ear for the voices of the city. My Nature Is Hunger represents the best of his lyrical work during his most prolific period as a poet, a time when he carefully documented the rarely heard voices of immigrants and the poor living on society's margins. For Rodrigo's subjects, the city is all-consuming, devouring lives, hopes, and the dreams of its citizens even as it flourishes with possibility. "Out of my severed body / the world has bloomed," and out of Rodrigo's stirring vision, so has beauty. This ebook features an illustrated biography of Luis J. Rodrigo including rare images from the author's personal collection.

My Life of Crime, Redemption, and Hollywood Harper Collins

"A los doce años, Luis Rodrigo ya era un veterano de la guerra entre las pandillas de East Los Angeles. Atraído por una cultura pandillera aparentemente insuperable, fue testigo de un sinfín de balaceras, golpizas y arrestos y, más tarde, con un miedo cada vez mayor, presencié cómo las drogas, los asesinatos, los suicidios y una delincuencia callejera carente de sentido cobraban la

vida de amigos y familiares. Poco tiempo después, Rodrigo encontró la manera de dejar atrás la vida del barrio a través de la educación y el poder de las palabras. Así pudo liberarse de años de violencia y desesperación. Una vez alcanzado el éxito como poeta chicano varias veces galardonado, Luis llegó a pensar que las calles ya no lo perseguirían, pero entonces su hijo ingresó en una pandilla. Rodrigo luchó por su hijo mediante el relato de su historia personal. La Vida Loca es una vida crónica que se adentra en las motivaciones de la vida de las pandillas y nos advierte de la muerte y la destrucción que, tarde o temprano, se lleva la vida de sus participantes. A ratos desgarradoramente triste y cruel, La Vida Loca es a la larga una historia verdadera, llena de inspiración, esperanza y sabiduría, y una lección duramente aprendida para las nuevas generaciones.

The Story of Rene "Boxer" Enriquez and His Life in the Mexican Mafia Simon and Schuster

INSTANT NEW YORK TIMES BESTSELLER "If you're a fan like I am this is definitely the book for you." —Pete Davidson, actor, producer, and cast member on Saturday Night Live "Danny's incredible life story shows that even though we may fall down at some point in our lives, it's what we do when we stand back up that really counts." —Robert Rodriguez, creator of Spy Kids, Desperado, and Machete Discover the full, fascinating, and inspirational true story of Danny Trejo's journey from crime, prison, addiction, and loss—it's "enough to make you believe in the possibility of a Hollywood ending" (The New York Times Book Review). On screen, Danny Trejo the actor is a baddie who has been killed at least a hundred times. He's been shot, stabbed, hanged, chopped up, squished by an elevator, and once, was even melted into a bloody goo. Off screen, he's a hero beloved by recovery communities and obsessed fans alike. But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country's most notorious state prisons—including San Quentin and Folsom—from an early age, before starring in such modern classics as Heat, From Dusk till Dawn, and Machete. Now, in this funny, painful, and

suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world's most notorious serial killers in prison and working with legends like Charles Bronson and Robert De Niro. An honest, unflinching, and "inspirational study in the definition of character" (Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey.

Always Running Houghton Mifflin Harcourt

Foreword by Mart í n Espada This chapbook collection offers new poems from the prolific career of a community leader, activist, and healer. Luis J. Rodr í guez's work asks profound questions of us as readers and fellow humans, such as, "If society cooperates, can we nurture the full / and healthy development of everyone?" In his introductory remarks, Mart í n Espada describes the poet as a man engaged in people and places: "Luis Rodr í guez is a poet of many tongues, befitting a city of many tongues. He speaks English, Spanish, ' Hip Hop, ' ' the Blues, ' and ' cool jazz. ' He speaks in ' mad solos. ' He speaks in ' People ' s Sonnets. ' He speaks in the language of protest. He speaks in the language of praise."

Guns, Gangs, and Tattoos-My Life in Black and Gray

Seven Stories Press

From the award-winning author of Always Running comes a brilliant collection of short stories about life in East Los Angeles. Whether hilariously capturing the voice of a philosophizing limo driver whose dream is to make the most of his rap-metal garage band in "My Ride, My Revolution," or the monologue-styled rant of a tes-ti-fy-ing! tent revivalist named Ysela in "Oiga," Rodriguez squeezes humor from the lives of people who are not ready to sacrifice their dreams due to circumstance. In these stories, Luis J. Rodriguez gives eloquent voice to the neighborhood where he spent many years as a resident, a father, an organizer, and, finally, a writer: a neighborhood that offers more to the world than its appearance allows.
