The Benedictine Way
of Living Eve
Dangerfield Books

"Reminiscent of Toni Morrison's The Bluest Eye." —The New York Times "One of the best books I have ever read...will live in the hearts of readers for the rest of their lives."

—Colby Sharp, founder
of Nerdy Book Club

"An emotional, painful, yet still hopeful adolescent journey...one that needed telling."

-Kirkus Reviews (starred review) "I really loved this."

-Sharon M. Draper, author of the New York Times bestseller *Out of My Mind* This deeply sensitive and "compelling" (BCCB) debut novel tells the story of a thirteen-year-old who must overcome internalized racism and a verbally abusive family to finally learn to love herself. There are ninety-six reasons why thirteen-year-old Genesis dislikes herself. She knows the exact number because she keeps a list: -Because her family is always

being put out of their house. -Because her dad has a gambling problem. And maybe a drinking problem too. -Because Genesis knows this is all her fault.

-Because she wasn't born looking like Mama. -Because she is too black. Genesis is determined to fix her family, and she's willing to try anything to do so...even if it means harming herself in the process. But when Genesis starts to find a thing or two she actually likes about herself, she discovers that changing her own attitude is the first step in helping change others.

Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more.

“ A lyrical work of self-discovery that ’ s shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning. ” —Ron Charles, The Washington Post Poet Ocean Vuong ’ s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We ’ re Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family ’ s history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, On Earth We ’ re Briefly Gorgeous is as much about

the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: GQ, Kirkus Reviews, Booklist, Library Journal, TIME, Esquire, The Washington Post, Apple, Good Housekeeping, The New Yorker, The New York Public Library, Elle.com, The Guardian, The A.V. Club, NPR, Lithub, Entertainment Weekly, Vogue.com, The San Francisco Chronicle, Mother Jones, Vanity Fair, The Wall Street Journal Magazine and more!

The Bright Optimism of Reinventing Life with Horses Penguin
Revised anniversary edition: When St. Benedict formed his first

small community of monks at Monte Cassino on the hilltop, Italy--and much of Europe--was ravaged by war. The Roman Empire was breaking apart, and politics, cultural life, and even the Church, were all in disarray. In the midst of these tumultuous times, Benedict offered his followers a "little rule," a guide about the size of a checkbook, that showed his monks the way to peace as they learned to prefer Christ above all things. Though it was written nearly 1500 years ago, the Rule of Benedict still offers the practical tools for living a Christ-centered today. Here in St. Benedict's Toolbox, readers will find a primer on how to use these tools in their own tumultuous lives. Each chapter

examines one aspect of the Rule, from ways of praying to ways of embracing humility, and offers suggestions for prayer, reflection, journaling, and action. As they learn to use Benedict's tools, readers will discover the power--and the timeliness--of this ancient way of life.

Begin Again Tarcherperigee
Women's hearts are designed by God for relationships. But in this fractured world, the relationships we so deeply desire are often the sources of great pain. Drawing on the Bible's wisdom, counselor Sharon Hersh reveals the secret to enduring life's heartaches and still coming up living wholeheartedly, loving with abandon, and daring to hope and believe.

To Begin Again Revell
For half a century, Madeleine

L'Engle has spun magic with words, touching millions of lives and earning a devoted readership with her award-winning fiction, candid reflections on her personal and family life and graceful meditations on faith. Now, *Glimpses of Grace* captures the essence of L'Engle's literary gift in one unprecedented volume. Ranging freely throughout L'Engle's remarkable lifework of more than 40 volumes of fiction and nonfiction, adventure stories, family dramas, autobiography and religious commentary, editor Carole P. Chase has collected evocative passages and arranged them as daily readings that offer illuminating bits of wisdom, provocative insight, and, above all, engaging and intelligent daily inspiration. With enduring power and resonance, each of these 366 rich selections speaks to the simple joys and sorrows of daily life and the deepest questions of the human heart and spirit, while reflecting the exhilarating artistry of one of the most spiritually alive and articulate storytellers of this century.

James Baldwin, William F. Buckley Jr., and the Debate Over Race in America Church Publishing, Inc.

In *Awaken Your Senses*, longtime ministers Beth Booram and Brent Bill invite you to engage your right brain in your faith through sensory spiritual practices that position your heart for divine encounter. Readings and a variety of exercises lead you to experience God in new ways through seeing, tasting, touching, smelling and hearing.

BASTEI L ÜBBE

Jonathan Lake is the beloved NYC mayor who's making a run for Governor. His widowed status and close relationship with his daughter casts him as the darling of the press, and the candidate to beat, but behind the flash of the cameras, things are spinning out of control. It all has to

do with his strait laced, ruthlessly organized assistant. Her skills and reserved demeanor are perfect to run his campaign, but her brilliant brain has become a temptation he's been fighting for too long. Can he convince her to take a chance on a long-term campaign for love or will his efforts end up in scandal?

Alyssa Block has admired the NYC mayor for a long time, but her secret crush is kept ruthlessly buried under a mountain of work. Besides, she's not his type, and office scandals is not in her job position. But when they retreat to an upstate horse farm for a secluded weekend, the spark between them catches flame, and Jonathan sets those stinging blue-eyes on winning her. Can she convince him to focus on the upcoming election, or will

she succumb to the sweet
promise of a different future?

An Introduction to Benedictine Spirituality Zondervan
Christine Valters Paintner, author of *Water, Wind, Earth, and Fire*, invites readers to discover and develop their creative gifts in a spirit of prayer and reflection. This twelve-week course draws on the insights and practices of Benedictine spirituality to explore the interplay between contemplation and creativity. Summarized in the phrase "pray and work," *The Rule of St. Benedict* provides the inspiration for Christine Valters Paintner's newest exploration of the mutually nourishing relationship between contemplative practices and creative expression. Artists of all stripes and stations in life--poets or painters, potters or photographers--will discover how traditions of Benedictine, Celtic, and desert spirituality can offer new sources of inspiration for their work. Through this twelve-week course, themes like "Sacred Tools and Sacred Space,"

"Creative Solitude and Community," and "Nature as a Source of Revelation and Inspiration" are enriched by Paintner's perceptive discussion and enhanced by insightful quotations from well-known artists and writers. Each week offers suggestions for grounding both the creative and the spiritual life through three basic practices: walking, *lectio divina*, and journaling. In sync with Paintner's vibrant Internet presence, *The Artist's Rule* is supplemented with online resources, including guided meditation podcasts, video lessons, and discussions. *Let God Write Your Best Future* Church Publishing, Inc. From the author of the New York Times bestseller *The Inevitable*—a sweeping vision of technology as a living force that can expand our individual potential In this provocative book, one of today's most respected thinkers turns the conversation about technology on its head by viewing technology as a natural system, an extension of biological

evolution. By mapping the behavior of life, we paradoxically get a glimpse at where technology is headed-or "what it wants." Kevin Kelly offers a dozen trajectories in the coming decades for this near-living system. And as we align ourselves with technology's agenda, we can capture its colossal potential. This visionary and optimistic book explores how technology gives our lives greater meaning and is a must-read for anyone curious about the future.

work, friendship, growth of the
mind and nurturing of the
spirit through meditation and

prayerfulness.

Begin Again Always We Begin
Again The Benedictine Way of
Living, 15th Anniversary Edition,
Revised

What happens when life begins
to trip us up and failure starts
creeping in? Many of us just keep
on doing the same thing, hoping
for different results. Some of us
look for escape, to find a way out
of the mess we feel that we've
created. But neither enduring
nor escaping is ultimately what
we need. The answer is to allow
ourselves to begin again, every
day, in every part of our lives.
Through engaging, lyrical prose,
Leeana Tankersley shows women
how to forgive themselves,
develop new and healthier
patterns of living, and do away
with resentment and regret. Her
life-giving words will free women
who are feeling stuck and allow
them to clear out the debris to
make room for what God wants
to do in their lives. To begin
again is to open the window,
even a crack, to let the breeze of
grace come in. It is a call to stop
running from our fears. To take

one small step toward becoming the brave women we were made to be.

Begin Again Again Harper Collins

Enhanced by meditations and prayers, offers a contemporary interpretation of "The Rule of St.

Benedict," written by St. Benedict in sixth century Italy.

Begin Again, Believe Again
Evil Eye Concepts
Incorporated

These simple and inviting reflections on the Rule of St. Benedict take as their starting point our search for wholeness in a world that is fragmented and increasingly polarized. Many people today struggle to balance the demands of professional and personal lives, and find little satisfaction or peacefulness in either. Yet the ancient wisdom of St. Benedict offers a clear and helpful pathway that leads directly to healing, transformation and

new life. Written in de Waal's inimitable style, this book is for old friends of the Rule of St. Benedict and novices alike. Holding up segments of the Rule, de Waal's meditations on Benedict's words illuminate the wisdom of the Rule not only for those of Benedict's time, but for all of us today as well. Fahrenheit 451 Ballantine Books

Oxford, it appeared, if it did not seem to have fitted her for any precise occupation, had at least unfitted her for a great many things. In her charming and incisive debut novel, Ursula Orange focuses her sharp eye on four young women only recently down from Oxford. Jane and Florence live in London, working at office jobs, the latter channelling her excess energy into a dreadfully earnest novel of her own. Sylvia remains at home, shocking her family

with theories of sexual and social liberation. And Leslie, as the novel opens, idealizes the other three, as she tries to convince her mother to let her use her small nest egg to attend art school in London. As the four friends balance their youthful ideals with the realities of work and romance in 1930s England, Orange offers hilarious and thoughtful perspectives on the quandaries of educated, ambitious women in a world not yet ready for them. This new edition includes an introduction by Stacy Marking. "a charming and deftly written book" Sunday Times "The fresh quality and genuine youthfulness of this story are as charming in fiction as in life." Times Literary Supplement "an unusually good first novel, in a decade of unusually good first novels." Daily

The Benedictine Way of Living, 15th Anniversary Edition, Revised Princeton University Press

"Julia Cameron has inspired millions with her bestseller The Artist's Way. Now at the age of sixty-five, she shows her contemporaries how retirement can be the most creative and fulfilling stage of life yet. For some, retirement is a day to work toward with anticipation. Others approach retirement with greater ambivalence. While the newfound freedom is exciting and filled with possibility, the idea of retirement can also be very daunting. You are in a unique position to explore yourself and your desires from

a place of experience. But the line has been drawn in the sand: The life that you have known has changed, and the life to come is yet to be defined. This book is a twelve-week course aimed at defining--and creating--the life you want to have as you redefine--and re--create--yourself. Filled with essays, tools, and exercises to be done alone or in groups, this toolkit will guide and inspire retirees wishing to expand their creativity. This fun, gentle, step-by-step process will help you explore your creative dreams, wishes, and desires--and quickly find that it's never too late to begin anything"-- Welcoming Possibility in Ourselves, God, and Each Other Penguin

There are so many moments in life when we choose to silence our intuition, abandon our own voice, and play small because we wonder, deep down: "Do I know who I really am? Is who I really am enough?" It's courageous

work to learn to live from our essential identity--loved, worthy, whole. But what if God is calling us to shamelessly recover the woman he created us to be? What if God is urging us to be--for the first time in our lives--brazen? The word brazen means without shame. Leeana Tankersley wants women to be just that--to unapologetically move from shame- and fear-based living toward lives that are based on love and belonging. With moving personal stories and spot-on observations of the longings we all experience--to know we are loved, to feel comfortable in our own skin, to be heard--Tankersley calls women to honor that voice deep down inside of them rather than bowing to outside influences that push them to become someone they're not. Gritty and overflowing with grace, Brazen will set women free to be truly themselves in a world bent on molding them in its image. Always We Begin Again
Atheneum / Caitlyn Dlouhy Books

A New York Times bestseller!
" Lively and absorbing. . ." —

The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched . . . "

—Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.
