Amada AC-2510 NT. The AC series from Amada has two models

available, this one and the AC-255 NT. This AC CNC punching machine

has a brush table and a lifting brush table for high quality; scratch free processing that can be controlled to lift about 5 millimeters, which helps prevent scratching the metal part.

Turret Punch
Press Affordable
Amada ...**

Developed on these results, the AE-NT series is a line of single AC servo drive turret punch press with AMADA's original "highly rigid bridge frame". Designed with the smallest foot print of its class and yet capable of processing 4' x 8' sheets, the AE-NT series has a large capacity turret to ensure stable, high speed, high quality processing.
