## **Amana - Washers & Dryers - Appliances - The Home Depot**

The washing machine is probably the most expensive appliance you have, and buying a new one tends to come off as a significant expense. The folks at Amana know of the troubles of the average household, which is probably why they manufacture a line of affordable, yet decent washers. When we say

---

affordable, we aren't talking about a few cents. But they're still a bargain compared to that ...
