Quinn's Undying Rose (Scanguards Vampires #6) Tina Folsom
Motorcycle mechanic and biker Scott Thompson isn't the laid-back loner he makes everybody believe. Three years ago he was known as Ace, and belonged to an elite group of agents in a top secret CIA program. However, the preternatural ability that made him an invaluable asset to the government could now become his downfall, for he has to resist acting upon his premonitions, or risk exposing himself to the enemies responsible for the destruction of the Stargate program and the murder of his mentor. When his skill alerts him to a looming disaster bound to kill dozens of innocents, he is compelled to take action. To save her position from planned budget

cuts, Phoebe Chadwick needs to prove to her editor that she is a brilliant journalist with a knack for sniffing out a juicy story. When the mysterious Scott prevents a tragic accident that could have killed her and many others, she tries to interview him. But the handsome stranger is a reluctant hero unwilling to answer her probing questions. Bad boy Scott instantly feels the sizzling chemistry between him and the persistent reporter, and makes a decision he fears will bite him in the ass soon: he allows Phoebe to get close—not only to his body, but also to his heart, always wondering when somebody will discover his secret. NOTE: This book was previously published under the title Run (Cut & Run, Phoenix Code) in collaboration with Lara Adrian. About the series Gifted with

precognitive skills and trained by the CIA in a top-secret program that not even the top brass of the agency was aware, the Stargate agents were once the nation's most powerful secret asset. Betrayed by unknown enemies, unable to trust anyone—not even one another—the Stargate Agents hold the key to unmasking a conspiracy steeped in greed, power and revenge. To survive, they'll have to solve what lies behind the recurring premonitions they experience, and stop an impending disaster. Oliver's Hunger (Scanguards Vampires #7) Tina Folsom

The last thing vampire bodyguard Zane wants to do is to guard a hybrid, a half-vampire, half-human, whose father wants to keep her a virgin. Known for his violent temper and callous lack of compassion, Zane's out-of-control rage, born of the cruelty he suffered during the Holocaust, drives him to focus only on revenge. Trying to find the last of his torturers is his only goal in life. Portia is a young hybrid with a serious dilemma: in a few weeks, her body will be set in its final vampire form. If she is to avoid having to live out her immortal life as a virgin, she must find a lover in that short time-something her father hires Zane to prevent. The moment Portia and Zane meet, rules begin to bend,

and a forbidden attraction bursts into flames hotter than the hell of Zane's past. But that past threatens to pull them apart unless they can overcome their prejudice, forsake hate for love, and revenge for forgiveness. ?? ?? ?? ?? ?? After Maya is turned into a vampire against her
will, vampire and Scanguards bodyguard Gabriel is
charged with protecting her and finding her
attacker. Gabriel has never guarded a body as
perfect as Maya's. Moreover, Maya's enticing blend
of vulnerability and strength is difficult to resist.

Yet resist he must. Even as the sexual tension
between them rises and the rogue vampire closes in
on them, Gabriel refuses to give into his desire.
Despite the intimacies they share, Gabriel fears that
if he ever reveals himself fully to her, Maya will
react like other women have, running from him, and
calling him a monster, a freak, a creature not worth
her love. Will Maya prove to be the one female who
cherishes all that Gabriel is? ?? ?? ?? ?? ?? ?? Lara

As a vampire, he's tired of the lonely and unfulfilling life he's been living. Then he meets Claire Culver, a woman whose trip to the island is her last hope. She wishes for a miracle to cure her of a terminal illness. Will her wish be granted, or will this be her last Christmas? Where does this novella fit into the Scanguards timeline? It takes place several years before Samson's story kicks off the Scanguards Vampires series in San Francisco with Samson's *Lovely Mortal*. Well-loved Scanguards characters—Gabriel, Zane, and Amaury—will make an appearance in this short novella. Previously published as part of an anthology *This is a longer version of Mortal Wish*, which first appeared in the anthology “Summer on Seeker’s Island” in 2013. Some character names, settings, and events have been changed, and several chapters have been added to this new 2015 version. This short novella of approximately 60 pages is over 50% longer than the 2013 anthology version. **ABOUT THE SERIES** The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. The Scanguards® series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!" Emotionally scarred by the death of his blood-bonded mate and unborn child several years earlier, vampire and Scanguards bodyguard John Grant avoids women at all costs, desperate to prevent another heartbreak. But when single mother Savannah Rice begs him for help finding her kidnapped daughter Buffy, he can't help but feel drawn to her and the passion that lies dormant

behind her blue eyes. As they work to uncover a child trafficking ring leading all the way to Russia, John and Savannah allow themselves to find love and support in each other's arms. In doing so, they are forced to confront their mutual guilt and fear while fighting to rescue Savannah's daughter and the other girls who have fallen into the hands of an unscrupulous villain. But even if they can destroy the trafficking ring, and save the girls, will Savannah be strong enough to love John once he reveals that he is a vampire who craves her blood? ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift! Each book can be read as a standalone and always centers around a

new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes - you'll understand when you meet Wesley, a wannabe witch. Enjoy!
