William Wilberforce Crossway

Casts a fresh light on the abolitionist William Wilberforce and his friends in the Clapham sect by looking at their private lives as revealed in their family correspondence. Stott explores themes of the family, women and gender, childhood and education, sexuality, and intimacy.

Olney Hymns Library of Alexandria

Warm-hearted mini-biographies of John Newton, Charles Simeon and William Wilberforce, 18th-19th century evangelicals whose lives demonstrated invincible perseverance in the cause of the gospel and offer inspiration to the contemporary reader.

Finding God in the Story of Amazing Grace Fig Who doesn ' t have questions about God? But where in the world can you go to get answers? Eric Metaxas has been there, so he gets it. Which is why he ' s written this shockingly down-to-earth book on the big questions everyone asks (but not always out loud). Totally conversational and sometimes flat-out hilarious, this book asks: * How can a good God create a world that has evil and suffering? * Is God anti-sex? * Doesn ' t science make God

obsolete? * What 's the real story on miracles? * If God is everywhere, why go to church? * Don ' t we already have God within us? * Isn ' t God too busy running the universe to care about the details of my day? These questions (and many more) get no-nonsense answers that don ' t hide behind dull theological language. So get the lowdown (and more than a few laughs) on what are probably the most important questions anyone has.

Amazing Grace Inter-Varsity Press

With a foreword by Eric Metaxas, best-selling author of *Bonhoeffer* and *Amazing Grace*. The enthralling biography of the woman writer who helped end the slave trade, changed Britain's upper classes, and taught a nation how to read. The history-changing reforms of Hannah More affected every level of 18th-Century British society through her keen intellect, literary achievements, collaborative spirit, strong Christian principles, and colorful personality. A woman without connections or status, More took the world of British letters by storm when she arrived in London from Bristol, becoming a best-selling author and acclaimed playwright and quickly befriending the author Samuel Johnson, the politician Horace Walpole, and the actor David Garrick. Yet she was also a leader in the Evangelical movement, using her cultural position and her pen to support the growth of education for the poor, the reform of morals and manners, and the abolition of Britain's slave trade. *Fierce Convictions* weaves together world and personal history into a stirring story of life that intersected with Wesley and Whitefield's Great Awakening, the rise and influence of Evangelicalism, and convulsive effects of the French Revolution. A woman of exceptional intellectual gifts and literary talent, Hannah More was above all a person whose faith compelled her both to engage her culture and to transform it. [A practical view of the prevailing religious system of professed Christians, in the higher and middle classes in this country, contrasted with real Christianity](#)

NEW YORK TIMES BESTSELLER " Metaxas is a scrupulous chronicler and has an eye for a good story. . . . full, instructive, and pacey. " —The Washington Post From #1 New York Times bestselling author Eric Metaxas comes a brilliant and inspiring biography of the most influential man in

modern history, Martin Luther, in time for the 500th anniversary of the Reformation On All Hallow ' s Eve in 1517, a young monk named Martin Luther posted a document he hoped would spark an academic debate, but that instead ignited a conflagration that would forever destroy the world he knew. Five hundred years after Luther ' s now famous Ninety-five Theses appeared, Eric Metaxas, acclaimed biographer of the bestselling *Bonhoeffer: Pastor, Martyr, Prophet, Spy* and *Amazing Grace: William Wilberforce and the Heroic Campaign to End Slavery*, paints a startling portrait of the wild figure whose adamant faith cracked the edifice of Western Christendom and dragged medieval Europe into the future. Written in riveting prose and impeccably researched, Martin Luther tells the searing tale of a humble man who, by bringing ugly truths to the highest seats of power, caused the explosion whose sound is still ringing in our ears. Luther ' s monumental faith and courage gave birth to the ideals of liberty, equality, and individualism that today lie at the heart of all modern life.

John Newton WaterBrook

Top music writer Steve Turner traces the biography of 'Amazing Grace', the world's most recorded song. Versions of this hymn have been performed by artists as diverse as Elvis Presley, Ladysmith Black Mambazo, Johnny Cash, Rod Stewart and Destiny's Child. The book begins with the dramatic story of John Newton and his participation in the African slave trade through to his writing of 'Amazing Grace' and his campaigning against slavery. The second part of the book - picking up the thread in the years following Newton's death - tells the story of the song itself as it has spread and developed over the past 280 years and its recordings by artists from a wide variety of musical backgrounds. This includes the aftermath of September 11th when the hymn became an international anthem of hope and solidarity.

William Wilberforce Lennex

The nature and effects of that unhappy and disgraceful branch of commerce, which has long been maintained on the Coast of Africa, with the sole, and professed design of

purchasing our fellow-creatures, in order to supply our West-India islands and the American colonies, when they were ours, with Slaves; is now generally understood. So much light has been thrown upon the subject, by many able pens; and so many respectable persons have already engaged to use their utmost influence, for the suppression of a traffic, which contradicts the feelings of humanity; that it is hoped, this stain of our National character will soon be wiped out. If I attempt, after what has been done, to throw my mite into the public stock of information, it is less from an apprehension that my interference is necessary, than from a conviction that silence, at such a time, and on such an occasion, would, in me, be criminal. If my testimony should not be necessary, or serviceable, yet, perhaps, I am bound, in conscience, to take shame to myself by a public confession, which, however sincere, comes too late to prevent, or repair, the misery and mischief to which I have, formerly, been accessary. I hope it will always be a subject of humiliating reflection to me, that I was, once, an active instrument, in a business at which my heart now shudders. My headstrong passions and follies plunged me, in early life, into a succession of difficulties and hardships, which, at length, reduced me to seek a refuge among the Natives of Africa. There, for about the space of eighteen months, I was in effect, though without the name, a Captive and a Slave myself; and was depressed to the lowest degree of human wretchedness. Possibly, I should not have been so completely miserable, had I lived among the Natives only, but it was my lot to reside with white men; for at that time, several persons of my own colour and language were settled upon that part of the Windward coast, which lies between Sierra-Leon and Cape Mount; for the purpose of purchasing and collecting Slaves, to sell to the vessels that arrived from Europe.

Because of Christ New Leaf Press (AR) What Happens When One of America ' s Most Admired Biographers Writes His Own Biography? For Eric Metaxas, the answer is Fish Out of Water: A Search for the Meaning of Life—a poetic and sometimes hilarious memoir of his early years, in which the Queens-born son of Greek and German immigrants struggles to make sense of a world in which he never quite seems to fit. Renowned for his biographies of William Wilberforce, Dietrich Bonhoeffer, and Martin Luther, Metaxas is the author of five New York Times bestsellers, the witty host of the acclaimed Socrates in the City conversation series, and a nationally syndicated radio personality. But here he reveals a personal story few have heard, taking us from his mostly happy childhood—and riotous triumphs at Yale—to the nightmare of drifting toward a dark abyss of meaninglessness from which he barely escapes. Along the way he introduces us to an unforgettable troupe of picaresque characters who join this quintessentially first-generation American boy in what is both bildungsroman and odyssey—and which underscores just how funny, serious, happy, sad, and ultimately meaningful life can be.

A Holy Fear Penguin
Explores the life and times of the British legislator and abolitionist.

A Practical View University of Illinois Press
The #1 bestselling author of Bonhoeffer and Martin Luther explores miracles in an inspiring response to the “ New Atheists ” Not since C. S. Lewis in 1947 has an author of Eric Metaxas ' s stature undertaken a major exploration of the phenomenon of miracles. In this groundbreaking work, Metaxas examines the compatibility between faith and science and provides well-

documented anecdotal evidence of actual miracles. With compelling—sometimes electrifying—evidence that there is something real to be reckoned with, Metaxas offers a timely, civil, and thoughtful answer to recent books by Richard Dawkins, Christopher Hitchens, and Sam Harris. Already a New York Times bestseller, *Miracles* will be welcomed by both believers and skeptics—who will find their minds opening to the possibilities.

Amazing Grace Houghton Mifflin Harcourt
The story of making the movie *Amazing Grace* and the history of William Wilberforce. The book will have stills from the movie William Wilberforce *Amazing Grace*
Amazing Grace tells the story of the remarkable life of the British abolitionist William Wilberforce (1759-1833). This accessible biography chronicles Wilberforce's extraordinary role as a human rights activist, cultural reformer, and member of Parliament. At the center of this heroic life was a passionate twenty-year fight to abolish the British slave trade, a battle Wilberforce won in 1807, as well as efforts to abolish slavery itself in the British colonies, a victory achieved just three days before his death in 1833. Metaxas discovers in this unsung hero a man of whom it can truly be said: he changed the world. Before Wilberforce, few thought slavery was wrong. After Wilberforce, most societies in the world came to see it as a great moral wrong. To mark the 200th anniversary of the abolition of the British slave trade, HarperSanFrancisco and Bristol Bay Productions have joined together to commemorate the life of William Wilberforce with the feature-length film *Amazing Grace* and this companion biography, which provides a fuller account of the amazing life of this great man than can be captured on film. This account of Wilberforce's life will help many become acquainted with an exceptional

man who was a hero to Abraham Lincoln and an inspiration to the anti-slavery movement in America.

Fierce Convictions David C Cook
Analyzes the meaning of grace while profiling eighteenth-century figures William Wilberforce, a British abolitionist, and John Newton, a slave trader and hymn composer. *Real Christianity* Zondervan
In "*Amazing Grace*," the best-loved of all hymns, John Newton's allusions to the drama of his life tell the story of a youth who was a virtual slave in Sierra Leone before ironically becoming a slave trader himself. Liverpool, his home port, was the center of the most colossal, lucrative, and inhumane slave trade the world has ever known. A gradual spiritual awakening transformed Newton into an ardent evangelist and antislavery activist. Influenced by Methodists George Whitefield and John Wesley, Newton became prominent among those favoring a Methodist-style revival in the Church of England. This movement stressed personal conversion, simple worship, emotional enthusiasm, and social justice. While pastor of a poor flock in Olney, he and poet William Cowper produced a hymnal containing such perennial favorites as "Glorious Things of Thee Are Spoken" and "God Moves in a Mysterious Way." Later, while serving a church in London, Newton raised British consciousness on the immorality of the slave trade. The account he gave to Parliament of the atrocities he had witnessed helped William Wilberforce obtain legislation to abolish the slave trade in England. Newton's life story convinced many who are "found" after being "lost" to sing Gospel hymns as they lobbied for civil rights legislation. His close involvement with both capitalism and evangelicalism, the main economic and religious forces of his era,

provide a fascinating case study of the relationship of Christians to their social environment. In an afterword on Newtonian Christianity, Phipps explains Newton's critique of Karl Marx's thesis that religious ideals are always the effect of what produces the most profit. Phipps relies on accounts Newton gives in his ship journal, diary, letters, and sermons for this most readable scholarly narrative.

Amazing Grace Tyndale House Publishers, Inc. A treasury of inspirational readings, accompanied by personal reflections and meditations, features works by Helen Keller, Barbara Kingsolver, Thomas Aquinas, and others on such themes as nature, relationships, creativity, and work
Murder at Northanger Abbey Oxford University Press

A biography of William Wilberforce, one of the key figures in the movement to abolish slavery in the British Empire.

Martin Luther Lion Books

Fear—it ' s something we all experience. Fears about the future, an illness, or what others might think about us can rule our hearts and steal our joy. Did you know, though, that the Bible commands Christians to fear? Believers are to fear the Lord. But what does that mean? In *A Holy Fear*, Christina Fox unpacks what the “ fear of the Lord ” means and what it looks like in our lives. By giving examples of such fear in the Bible, exploring the fruits of that fear in our lives, and uncovering God ' s promises to those who fear Him, this book will help you disarm your lesser fears, applying what you learn to your heart and turning to a fear of the Lord. Table of Contents: 1. A Fear-Filled Life 2. Fear the Lord 3. Fear the Lord for Who He Is 4. Fear the Lord for What He Has Done 5. Growing in the Fear of the Lord 6. The Fruit of Holy Fear 7. From Fear to Fear 8. God ' s Promises to the Fearful Conclusion: A Life of

Holy Fear

Amazing Grace Christian Heritage

A major biography of abolitionist William Wilberforce, the man who fought for twenty years to abolish the Atlantic slave trade.

The Roots of endurance Thomas Nelson

Our day-to-day experiences over the past decade have taught us that there must be limits to our tremendous appetite for energy, natural resources, and consumer goods. Even utility and oil companies now promote conservation in the face of demands for dwindling energy reserves. And for years some biologists have warned us of the direct correlation between scarcity and population growth. These scientists see an appalling future riding the tidal wave of a worldwide growth of population and technology. A calm but unflinching realist, Catton suggests that we cannot stop this wave - for we have already overshot the Earth's capacity to support so huge a load. He contradicts those scientists, engineers, and technocrats who continue to write optimistically about energy alternatives. Catton asserts that the technological panaceas proposed by those who would harvest from the seas, harness the winds, and farm the deserts are ignoring the fundamental premise that "the principals of ecology apply to all living things." These principles tell us that, within a finite system, economic expansion is not irreversible and population growth cannot continue indefinitely. If we disregard these facts, our sagging American Dream will soon shatter completely.

Lion Hudson

Newly married to her beloved Henry, Catherine's eyes are now open to the grownup pleasures of wedded life. Yet she still hasn't quite given up her girlhood fascination with all things Gothic. When she first visited Northanger Abbey, she only imagined dreadful events had occurred there.

This time the horror is all too real. There's been a murder, and Henry has fallen under suspicion. Catherine is determined to clear her husband's name, but at the same time, she's afraid for her own safety, since there's a very good chance the real murderer is still in the house. This delightful sequel reprises the mischievous spirit of Austen's original spoof on the Gothic novel, while giving Catherine a genuine murder mystery to unravel.
