A short but dense read which outlines a little known black history fact for each state in America.

[Stone Song](#) NYU Press

From the revolutionary camaraderie of the Colonial taverns to the saloons of the turn of the century; from Prohibition—a period rife with class politics, social reform, and opportunism—to a trail of nightclub neon so vast, it was called the “ Conga Belt, ” Drinking Boston is a tribute to the fascinating role alcohol has played throughout the city's history.

[Giovanni's Room](#) America Walks into a Bar

'Until I die there will be those moments, moments seeming to rise up out of the ground like Macbeth's witches, when his face will come before me, that face in all its changes, when the exact timbre of his voice and tricks of his speech will nearly burst my ears, when his smell will overpower my nostrils...' Giovanni's Room is set in the Paris of the 1950s, where a young American expatriate finds himself caught between his repressed desires and conventional morality. David has just proposed marriage to his American girlfriend, but while she is away on a trip he becomes involved in a doomed affair with a bartender named Giovanni. With sharp, probing insight, James Baldwin's classic narrative delves into the mystery of love and tells an impassioned, deeply moving story that reveals the unspoken complexities of the human heart.

Life Remotely

\*Includes pictures \*Explains the roles played by Tecumseh and William Henry Harrison before, during, and after the battle \*Includes various accounts of what happened at the battle according to both sides \*Includes a bibliography for further reading \*Includes a table of contents The Battle of Tippecanoe, fought on November 7, 1811 near present-day Lafayette, Indiana, involved forces of fewer than 2,000 Native American warriors and white soldiers, and only about 300 men were killed or wounded on both sides. Given those numbers, it's apparent that the battle was far from being a Saratoga or a Gettysburg in terms of its scale or significance as an historical turning point, yet it was one of the most important battles in shaping American history during the early 19th century. The battle also involved an epic confrontation between two important American figures: William Henry Harrison, who would become the 9th president of the United States by running on his success in the battle, and the Shawnee war chief Tecumseh, arguably the most famous Native American leader in American history. From the American Revolution up through the Battle of Tippecanoe, Native Americans in the Old Northwest (today's Midwestern states) had been putting up stout resistance to that region's settlement by white land speculators and settlers. Things came to a head when Tecumseh and his brother, the Prophet Tenskwatawa, spearheaded a movement in the region that greatly influenced the area's Native Americans. In 1806, Harrison began to publicly denounce Tenskwatawa to other tribal leaders, calling him a fraud and charlatan, but the Shawnee Prophet responded by accurately predicting a solar eclipse, which embarrassed Governor Harrison, and after this event, which tribal leaders took as a sign of Tenskwatawa's authenticity, his movement grew even more rapidly. By 1808, Tenskwatawa and his followers had moved west and founded a large, multi-tribal settlement near the confluence

of the Tippecanoe and Wabash Rivers, called Prophetstown or Tippecanoe. Assisted by his brother Tecumseh, Tenskwatawa's settlement grew tremendously and eventually became the largest Native American settlement in the region. It also served as a Native American cultural center and provided a steady cadre of warriors ready to hear the Prophet's message that they should return to their ancestral lifestyles and force the white settlers and their culture out of their territory. Although accounts of the battle conflict, all agree that sentinels aroused the main body of the American troops when they detected Native American warriors attacking the Americans' perimeter from the south. The initial Native American attack struck the southern point of the defensive perimeter around 4:30 a.m. on November 7, 1811, and almost immediately the warriors rushed in among the American defenders manning that sector. Soldiers defending the southern side of the perimeter suffered the highest casualties, with the Yellow Jackets suffering a 30% casualty rate, but in fighting lasting about two hours Harrison's force of roughly 1,000, suffered only 62 dead and about 120 wounded. As the sun rose, the warriors began running low on ammunition, and the light revealed their small numbers, leading them to break off the attack and retreat towards Prophetstown. The battle was hardly a decisive victory, but at the end of the fighting the Americans still held their perimeter, allowing them to claim victory. While Tippecanoe was clearly not a total victory, and Native American resistance would continue through the War of 1812, the battle is widely considered the end of Tecumseh's War and did help bring about the decline of Native American ascendancy in the region. The Battle of Tippecanoe: The History and Legacy of the American Victory That Ended Tecumseh's War analyzes the background that led up to the battle and its aftermath.

Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America Vintage

Conservative critics argue that modern political satire, in the age of The Daily Show, has a liberal bias. A quick review of the humor landscape shows that there are very few conservative political satirists, and using personal interviews with political humorists this book explains why. The book explores the history of satire, the comedy profession, and the nature of satire itself to examine why there is an ideological imbalance in political humor and it explores the consequences of this disparity. This book will appeal to Daily Show and Colbert fans, political junkies, and anyone interested in the intersection of politics and media.

After the collision claimed her mother's life and left her with a memory full of holes, Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. Though feeling exiled and abandoned by her father, she is determined to fill in the blanks the accident left in her mind. When she meets the hypnotically charming and strangely intense Murosky Skaggs, his unnatural curiosity and careful attentions toward her raise her suspicions. His stories don't add up. Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist. What she doesn't realize is the closer she gets to revealing his dark secret, the closer she comes to regaining her memory and unmasking her mother's murderer. But something else, something far more sinister is lurking just off the coast. It's been there, waiting for her. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that path, there is no turning away from her destiny, if she can survive. Young Adult

"Gives you new eyes on your nation, makes you wonder about both the recent South Asian immigrant behind the counter at the food mart and the tattooed white man behind you in line. It reminds you that there are some Americas where mercy flows freely, and other Americas where it has turned to ice."

—Eboo Patel, The Washington Post Days after 9/11, an avowed "American terrorist" named Mark Stroman, seeking revenge, walks into a Dallas minimart and shoots Raisuddin Bhuiyan, a Bangladeshi immigrant, maiming and nearly killing him. Ten years after the shooting, Bhuiyan wages a campaign against the State of Texas to have his attacker spared from the death penalty. The True American is a rich, colorful, profoundly moving exploration of the American dream in its many dimensions. Winner of the NYPL Helen Bernstein Book Award for Excellence in Journalism and named a Best Book of the Year by the New York Times, Boston Globe, NPR, and Publishers Weekly.

Military Recruiting in the United States provides a fearless and penetrating description of the deceptive practices of the U.S. military as it recruits American youth into the armed forces. Long-time antiwar activist Pat Elder exposes the underworld of American military recruiting in this explosive and consequential book. The book describes how recruiters manage to convince youth to enlist. It details a sophisticated psy-ops campaign directed at children. Elder describes how the military encourages first-person shooter games and places firearms into the hands of thousands using the schools, its JROTC programs, and the Civilian Marksmanship Program to inculcate youth with a reverence for guns. Previously unpublished investigative work reveals how indoor shooting ranges in schools are threatening the health of children and school staff through exposure to lead particulate matter. The book provides a kind of "what's coming next manual" for European peacemakers as they also confront a rising tide of militarism. The book examines the disturbing, nurturing role of the Catholic Church in recruiting youth. It surveys the wholesale military censorship of Hollywood films, pervasive military testing in the high schools, and an explosion of military programs directed toward youth. **NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

---

disappears with a trunkload of somebody else's cash. Easy Rawlins is a war veteran just fired from his job. Drinking in a friend's bar, he wonders how to meet his mortgage when a white man in a linen suit walks in, offering good money if Easy will locate Miss Monet, a blonde with a reputation. It's a simple decision, but for one thing. Nobody warned him - better the devil you know ...

**The Crying of Lot 49** Serpent's Tail

The former Saturday Night Live comedienne recounts her midlife career slump, long-distance relationship, and unplanned motherhood, which culminated in uproarious childcare activities and the bewilderment of friends and family members.

**The Deliberate Dumbing Down of America** Adams Media

This isn't your grandmother's book on meditation. It's about integrating that "spiritual practice" thing into a life that includes beer, sex, and a boss who doesn't understand you. It's about making a difference in yourself and making a difference in your world—whether you've got everything figured out yet or not. Lodro Rinzler is a bright and funny young teacher with a knack for showing how the Buddhist teachings can have a positive impact on every little nook and cranny of your life—whether you're interested in being a Buddhist or not.

**Domesticating Drink** Macmillan

Poverty, Politics, and Race gives a true face to poverty, while knocking down stereotypes on race and the poor; and sheds light on how the politics of the past and present have magnified issues of race in America. The book also gives a personal look back at an important period in civil rights in America's history and sounds an alarm at the renewed and very open racial hatred that resurfaced with the election of the first African-American U.S. President. It takes a critical look at current events affecting the lives of average Americans through the prism of a Black woman who has experienced firsthand the effects of poverty, race, and the politics surrounding both issues. The book hopefully will help remove the blinders and lead to a more honest discussion on the divisions in our country and ways we can begin to heal them.

**The Old-Time Saloon** Black Dog & Leventhal Pub

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

**A Highlander Walks into a Bar** Oxford University Press

In 1960, when he was almost 60 years old, John Steinbeck set out to rediscover the United States, feeling he might have lost touch with its sights sounds and the essence of its people. This book describes his travels in a pick-up truck across nearly 40 states with his dog Charlie, a French poodle.
