Civics--government and Citizenship Createspace Independent Publishing Platform

Black & white print. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and

arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to

---

recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. In order to help students understand the ways that government, society, and individuals interconnect, the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States. The authors and reviewers sought to strike a balance between confronting the negative

and harmful elements of American government, history, and current events, while demonstrating progress in overcoming them. In doing so, the approach seeks to provide instructors with ample opportunities to open discussions, extend and update concepts, and drive deeper engagement. *American Government* University of North Georgia Teacher's edition of a civics textbook that examines citizenship, government, and the

legal system.  
The Basics of American Government Center for Civic Education  
American Civics and Government provides the framework students need for a strong understanding of the government of the United States.

Civics is the study of what it means to be a U.S. citizen -- a legally recognized member of the country. Under the U.S. system of government, citizens have many rights and responsibilities. Your civics course will help you

discover the most important ones. - p. 3-4.

Regents U.S. History and Government Power Pack Revised Edition Ethics and Public Policy Center

Recipient of a 2021 McGuffey Longevity Award from the Textbook & Academic Authors Association (TAA) Why does the American political system work the way it does? Find the answers in *The Logic of American Politics*. This best-selling text arms students with a toolkit of institutional design concepts—command, veto, agenda control, voting rules, and delegation—that help them recognize how the American political system was designed and

why it works the way it does. The authors build students' critical thinking through a simple yet powerful idea: politics is about solving collective action problems. Thoroughly updated to account for the most recent events and data, the Ninth Edition explores the increase in political polarization, the growing emotional involvement people have to politics, Americans' reactions to changing demographics, the partisan politics of judicial selection, and the changing nature of presidential leadership. Revised to include the 2018 election results and analysis, this edition provides students with the tools they need to make sense of today's government. A

give your reactions, and  
analyze important events and  
issues. -p. iv.

**American Government**  
Harcourt Brace

The Basics of American  
Government is a  
collaborative effort among  
eight current and one former

faculty members in the  
Departments of Political  
Science and Criminal Justice  
at University of North  
Georgia. The purpose of this  
book is to offer a no-frills,  
low-cost, yet comprehensive  
overview of the American  
political system for students  
taking introductory courses  
in American national  
government. Furthermore,  
the work combines the best  
aspects of both a traditional  
textbook and a reader in that  
most chapters offer a piece of  
original scholarship as a case  
study to bolster or reinforce

---

the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines

traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

NEW! Link to FREE online 100 Civics Cards for Citizenship test! This ILLUSTRATED April 2017 Book provides a Quick and Easy way to prepare for the U.S. Citizenship test 100 Civics Questions and Answers. The 100 civics questions are presented in 4 different ways: 1. Historical order (Logical Order): The same 100 answers are rearranged in a logical, historical order. This helps you to see the relationship among the questions and helps

you to better remember the answers. 2. Regular Question/Answer format: (each question followed directly with the answer). This format is helpful when you first start studying the questions and answers. It gives you a "bird's eye view" of the questions and answers. 3. Question on one page and the answer on the following page in a flash-card presentation. This allows you to test your memory and makes memorizing the questions and answers both easy and fun. This book also includes: 1. A list of important web addresses, for names of all Governors, Senators, and Representatives. 2. A list of all 50 states and their capitals
