With this volume, Pendragon Press resumes publication of the series French Opera in the 17th and 18th Centuries with Claire Brook as General Editor. The introduction to Tancredi includes a biography of the composer and of the librettist, extensive discussions of the Tancredi libretto and score, and overviews of the opera's performance history and dramatic parodies. The full orchestral score reproduced in facsimile dates from 1738 and reflects Campra's revision from a five-part to a four-part string texture. To provide scholars and performers with complete access to the original work, an appendix to the edition offers a transcription of the original fifth part (the quinte de violon) as well as several other sections of the original, which Danchet and Campra subsequently revised. The volume also includes a glossed list of over 120 prompt notes related to the 1748 production by Mme. Pompadour's troupe at Versailles.

Anansi Boys : le père de Gros Charlie n'était pas ordinaire : il était Anansi, le Dieu Araignée, l'esprit de rébellion, un dieu filou capable de renverser l'ordre social, de créer une fortune à partir de rien et de défier le diable... un héritage bien encombrant ! Une mythologie moderne où l'on trouve une sombre prophétie, des désordres familiaux, des déceptions mystiques, et des oiseaux tueurs. Sans oublier un citron vert. American Gods : à peine sorti de prison, Ombre apprend que sa femme et son meilleur ami viennent de mourir dans un accident de voiture et qu'ils étaient amants. Seul et désespéré, il accepte de travailler pour un mystérieux individu qui se fait appeler Voyageur. Entraîné dans une aventure où ceux qu'il rencontre semblent en savoir plus sur ses origines que lui-même, Ombre va découvrir que son rôle dans les desseins de l'énigmatique Voyageur est bien plus dangereux qu'il aurait pu l'imaginer. Car, alors que menace un orage d'apocalypse, se prépare une guerre sans merci entre les anciens dieux saxons des premiers migrants, passés à la postérité sous les traits des super héros de comics, et les nouveaux dieux barbares de la technologie et du consumérisme qui prospèrent aujourd'hui en Amérique.

Is this new land a place where magics really happen? From Gregory Maguire, the acclaimed author of *Wicked*, comes his much-anticipated second novel, a brilliant and provocative retelling of the timeless Cinderella tale. In the lives of children, pumpkins can turn into coaches, mice and rats into human beings.... When we grow

up, we learn that it's far more common for human beings to turn into rats.... We all have heard the story of Cinderella, the beautiful child cast out to slave among the ashes. But what of her stepsisters, the homely pair exiled into ignominy by the fame of their lovely sibling? What fate befell those untouched by beauty . . . and what curses accompanied Cinderella's exquisite looks? Extreme beauty is an affliction Set against the rich backdrop of seventeenth-century Holland, *Confessions of an Ugly Stepsister* tells the story of Iris, an unlikely heroine who finds herself swept from the lowly streets of Haarlem to a strange world of wealth, artifice, and ambition. Iris's path quickly becomes intertwined with that of Clara, the mysterious and unnaturally beautiful girl destined to become her sister. Clara was the prettiest child, but was her life the prettiest tale? While Clara retreats to the cinders of the family hearth, burning all memories of her past, Iris seeks out the shadowy secrets of her new household--and the treacherous truth of her former life. God and Satan snarling at each other like dogs.... Imps and fairy godmothers trying to undo each other's work. How we try to pin the world between opposite extremes! Far more than a mere fairy-tale, *Confessions of an Ugly Stepsister* is a novel of beauty and betrayal, illusion and understanding, reminding us that deception can be unearthed--and love unveiled--in the most unexpected of places.

ne of the most famous gothic/uncanny novels of 20th century French writing, Ray's work has been compared to the best of Lovecraft and Meyrink and has never been out of print since its first publication in 1943. The author was a man surrounded by as much mystery as the bizarre old mansion of Malpertuis where the insane and horrific events of this novel ineluctably unfold. Fellow writer, Thomas Owen, said of him: Jean Ray was a Gothic personality. He had about him a touch of the damned priest or the cathedral gargoyle.'

The summer of '28 was a vintage season for a growing boy. A summer of green apple trees, mowed lawns, and new sneakers. Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and gold-fuzzed bees. A magical, timeless summer in the life of a twelve-year-old boy named Douglas Spaulding--remembered forever by the incomparable Ray Bradbury. The only god living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about John Huff, aged twelve, are simple and soon stated. • He could pathfind more trails than any Choctaw or Cherokee since time began. • Could leap from the sky like a chimpanzee from a vine. • Could live underwater two minutes and slide fifty yards downstream. • Could hit baseballs into apple trees, knocking down harvests. • Could jump six-foot orchard walls. • Ran laughing. • Sat easy. • Was not a bully. • Was kind. • Knew the words to all the cowboy songs and would teach you if you asked. • Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out. He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. In English for the first time, the collection that launched Jean Ray's reputation as the Belgian master of the weird tale After the commercial failure of his 1931 collection of fantastical stories *Cruise of Shadows*, Jean Ray spent the next decade writing and publishing under other names in the stifling atmosphere of Ghent. Only in the midst of the darkest years of the Nazi Occupation of Belgium would he suddenly publish a spate of books under his earlier nom de plume. The first of these volumes was *The Great Nocturnal*. Published in 1942, the collection, as its subtitle indicates, consists of tales of fear and dread, but a dread evoked not by the standard tropes of horror but what had by now evolved into Ray's personal brand of fear, drawn from a specifically Belgian notion of the fantastic that lies alongside the banality of everyday life. An aging haberdasher's monotonous life opens up to a spiritual fourth dimension (and serial murder); an inebriated young man in a tavern draws cryptic symbols and mutters statements that evoke an inexplicable terror among some sailors, and, as he sobers up, himself; three students drink Finnish Kümmel and keep watch over a deceased woman's apartment, awaiting a horrific transmutation. Yet these tales are laced with a certain mordant humor that bears as much allegiance with Ambrose Bierce as Edgar Allan Poe, and toy as much with the reader's expectations as they do with their characters. Jean Ray(1887-1964) is the best known of the multiple pseudonyms of Raymondus Joannes Maria de Kremer. Alternately referred to as the "Belgian Poe" and the "Flemish Jack London," Ray authored some 6,500 texts in his lifetime, not including his own biography, which remains shrouded in legend and fiction, much of it of his own making. His alleged lives as an alcohol smuggler on Rum Row in the Prohibition Era, an executioner in Venice, a Chicago gangster, and hunter in remote jungles in fact covered over a more prosaic, albeit ruinous, existence as a manager of a literary magazine that led to a prison sentence.
