Divided Politics,
Divided Nation

University of North Georgia
This thoroughly updated edition of Schmidt, Shelley, and Bardes' popular text offers balanced, unbiased, comprehensive,

and up-to-date coverage of constitutional, governmental, political, social, and economic structures and processes. The book's overriding theme is the importance of informed active citizenship, and the extensive pedagogy underscores this theme by soliciting critical thinking about political issues and encouraging students to become involved in the political process. With keen awareness of its audience, AMERICAN GOVERNMENT

AND POLITICS TODAY incorporates current examples, the Internet, and other media to stimulate learning and excitement about American government. This truly interactive text gives students more than reading material; it gives them tools to become good citizens. **The Age of Acrimony** Routledge Bardes/Shelley/Schmidt's AMERICAN GOVERNMENT AND POLITICS TODAY, THE ESSENTIALS, 20th Edition, equips

you with the tools and knowledge you need to become an active, informed participant in the U.S. political process. Making politics personal, it focuses on how government impacts you -- now and in the future. Unbiased, concisely organized and updated with 2020 election analysis, it delivers thorough coverage in a streamlined, easy-to-read format. Emphasizing critical thinking about political issues, it encourages you to become involved in the political process. Current, compelling and thought-provoking examples offer insight into such pressing issues as the global COVID-19 pandemic, racial injustice, police brutality, economic inequality and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. [American Government 2e](#) Brookings Institution Press The Enduring Democracy by Kenneth Dautrich, David A. Yalof, and Christina Bejarano examines the current state of American politics through the lenses of American history and the nation's changing demographics. This two-pronged approach encourages students to place current issues and controversies into historical perspective, and to think critically about how those issues and controversies are impacted by America's increasingly diverse population. By analyzing and understanding the influences of historical context and demographics, students can debate effectively with references, use historical outcomes to predict for the future, and create strong arguments based on what they

know about fundamental changes in the political landscape. The highly anticipated Sixth Edition frames the 2016 general election and 2018 midterm elections from the perspective of what they mean to college students, so that they can see the relevance of American government in their daily lives. Also available as a digital option (courseware). Learn more about The Enduring Democracy, Sixth Edition - Vantage Digital Option. **2d Ed** Manchester University Press This timely reissue of Richard Hofstadter's

classic work on the fringe groups that influence American electoral politics offers an invaluable perspective on contemporary domestic affairs. In *The Paranoid Style in American Politics*, acclaimed historian Richard Hofstadter examines the competing forces in American political discourse and how fringe groups can influence — and derail — the larger agendas of a political party. He investigates the politics of the irrational, shedding light on how the behavior of individuals can seem out of proportion with actual political issues, and how such behavior impacts larger groups. With such other classic essays as “Free Silver and the Mind of 'Coin' Harvey” and “What Happened to the Antitrust Movement?,” *The Paranoid Style in American Politics* remains both a seminal text of political history and a vital analysis of the ways in which political groups function in the United States. **Contemporary**

**American Politics
and Society**

Cengage Learning
In a campaign for
state or local
office these days,
you're as likely
today to hear
accusations that an
opponent
advanced
Obamacare or
supported Donald
Trump as you are
to hear about
issues affecting
the state or local
community. This
is because
American political
behavior has
become
substantially more
nationalized.
American voters
are far more
engaged with and
knowledgeable

about what's
happening in
Washington, DC,
than in similar
messages whether
they are in the
South, the
Northeast, or the
Midwest. Gone are
the days when all
politics was local.
With *The
Increasingly
United States*,
Daniel J. Hopkins
explores this trend
and its
implications for
the American
political system.
The change is
significant in part
because it works
against a key
rationale of
America's
federalist system,
which was built on

the assumption that
citizens would be
more strongly
attached to their
states and
localities. It also
has profound
implications for
how voters are
represented. If
voters are well
informed about
state politics, for
example, the
governor has an
incentive to deliver
what voters—or at
least a pivotal
segment of
them—want. But if
voters are likely to
back the same
party in
gubernatorial as in
presidential
elections
irrespective of the
governor's actions

in office, governors may instead come to see their ambitions as tethered more closely to their status in the national party. The Enduring Democracy SAGE Analyzing American Democracy teaches students to think analytically by presenting current political science theories and research in answering the engaging, big questions facing American politics today. It serves as both an introduction to American politics and to the discipline of political science by reflecting the theoretical developments and empirical inquiry conducted by

researchers. Every chapter highlights the most current research and discusses related public policy. It demonstrates for students how to think critically and analytically, bringing theoretical insight to contemporary American politics. More than just a comprehensive overview and description of how American politics works, Jon Bond and Kevin Smith demonstrate how politics can be studied systematically. Throughout the text, they introduce students to the insights gleaned from rational choice, behavioral, and biological approaches to politics. Understanding these three social scientific models and their

applications helps students get the most out of their American government course and out of this text--they learn a way of thinking that they can use to make sense of future challenges facing the American polity. A number of features help aid comprehension and critical thinking: Key Questions at the start of every chapter frame the learning objectives and concepts Politics in Practice boxes in every chapter encourage students to think critically about how practice compares with theory Tables, Figures, Charts, and Maps throughout present the empirical details of American politics, helping students gain quantitative literacy Top Ten Takeaway

Points at the end of every chapter recap the most important points covered but also help students discern the general principles that make sense of the numerous factual details. Key Terms are bolded in the text, defined in the margins, recapped at the end of the chapter, and compiled in a glossary, all to help insure that students can effortlessly master the vocabulary of American politics and political science in order to move on to the more important concepts.

American Government and Politics Today

Vintage

Students are often hesitant to become involved in the political process. Until now.

AMERICAN GOVERNMENT AND POLITICS TODAY, TEXAS EDITION, 2009-2010 uses intriguing, real-life examples and hands-on exercises to engage students in the fascinating intricacies of American government and inspires them to participate in the political process. It's the ideal text for the hybrid American Government/Texas Politics course as well as instructors who want to require just one book. As it introduces concepts, the text illustrates specific ways students can participate, showing through exciting

examples how individuals 'including students' can make a profound impact. Through topic-based discussions, the text illustrates that active participation can be as simple as calling a local politician to share an opinion on a local issue, registering to vote, or viewing a town council meeting on local access cable demonstrating how these seemingly small steps can make a difference. Critical thinking is promoted throughout with issue discussion, comparison, and debate. The new edition also includes expanded coverage of the 2008

presidential election. A powerful new administrative DVD and an innovative online Resource Center help you maximize your time and student results. Engaging and inspiring, AMERICAN GOVERNMENT AND POLITICS TODAY, TEXAS EDITION, 2009-2010 helps students discover the importance of active, informed citizenship. Again and again, students see the power of one to make a difference. Important Notice: Media content referenced within the product description or the product text may not

This is today's politics. To cut through the noise, students need a guide to how politics really works and why it matters. American Politics Today has been that trusted source. And the new sixth edition brings even greater focus to examining preconceived notions of how government operates and understanding what's really going on. *American Government and Politics Today 2011-2012 Edition, AP Edition* SAGE A fresh, accessible perspective on the fundamentals Essentials Edition CQ Press

American Government and Politics is a completely new introductory textbook designed and written for all students of politics coming to the subject for the first time. It provides a lively and accessible introduction and guide to all the main features and characteristics of one of the most distinctive and complex contemporary political systems in the world. From the impeachment of Bill Clinton, to the controversy surrounding the 2000 presidential election, and the Bush administration's

responses to September 11, students will gain a balanced and critical understanding of all the key issues and debates in contemporary American government and politics today. A number of key underlying themes include: - the nature of American values and identity - the influence of the constitution on political development - the ways in which key governing institutions function to produce domestic and foreign policy. Key features include: - comprehensive glossary of key terms - discussion

and summary boxes - web links and guides to further reading Robert Singh is a lecturer in politics at Birkbeck College, London. American Government and Politics: A Concise Introduction is the foundation companion text to Contemporary American Politics: Issues and Controversies also published by SAGE. Rob Singh has written a finely organized and informative textbook that combines to an unusually high degree analytical clarity, accessibility of style and form, and an enlightened scepticism about

received wisdom. This is an admirable book' - Nigel Bowles, St Anne's College, Oxford `Full of topical information and written with sparkling clarity, this book is a short-cut to excellence for the discriminating student' - Rhodri Jeffreys-Jones, Professor of American History, University of Edinburgh `In American Government and Politics Robert Singh provides an excellent introduction to the subject. His approach is wide ranging, his examples well selected and his style is accessible. It will make an ideal book for introductory and more advanced university courses on US government. I strongly recommend the book to teachers and students' - Desmond King, Mellon Professor of American Government, University of Oxford `This is a well written and lively book that is an important addition to the ranks of textbooks on American politics. One of its many virtues is its recognition that the textbook today is useful to a student only if it links to the world of web-based resources. Highly recommended' - Alan Ware, Worcester College, Oxford *US Politics Today* American Government and Politics Today, 2018 Election Update Essentials Edition The best-selling book published for American Government, AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS helps students experience the excitement that comes from active, informed citizenship in a concisely organized package. Bardes, Shelley, and Schmidt's text is renowned nationwide for its balanced, unbiased, comprehensive, and

up-to-date coverage of truly interactive text constitutional, governmental, political, social, and economic structures and processes. The overriding theme is the importance of informed active citizenship. The pedagogy underscores this theme by soliciting critical thinking about political issues and encouraging students to become involved in the political process. With keen awareness of its audience, **AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS** incorporates current examples, the Internet, and other media to stimulate learning and excitement about American government. This

gives students more than reading material—it gives them tools to become good citizens.

American Politics Today

Cengage Learning
Why are Americans so angry with each other? The United States is caught in a partisan hyperconflict that divides politicians, communities—and even families. Politicians from the president to state and local office-holders play to strongly-held beliefs and sometimes even pour fuel on the resulting inferno. This polarization

has become so intense that many people no longer trust anyone from a differing perspective.

Drawing on his personal story of growing up as a fundamentalist Christian on a dairy farm in rural Ohio, then as an academic in the heart of the liberal East Coast establishment, Darrell West analyzes the economic, cultural, and political aspects of polarization. He takes advantage of his experiences inside both conservative and liberal camps to

explain the views of each side and offer insights into why each is angry with the other. West argues that societal tensions have metastasized into a dangerous tribalism that seriously threatens U.S. democracy. Unless people can bridge these divisions and forge a new path forward, it will be impossible to work together, maintain a functioning democracy, and solve the country's pressing policy problems.

Politics Today, Brief Edition
Wadsworth
Publishing
Company
The second
edition of the best-selling textbook
US politics today offers a new and updated
introduction to contemporary US
government and politics. The book
considers core institutions,
including the presidency,
Congress, and the Supreme Court. It
assesses important questions and
controversies and places them within
the broader context of
American society

and culture. Has our understanding of the Constitution remained faithful to the intentions of the 'founding fathers' who wrote it? Is there still a separation of powers or has the president become too powerful? Do judges play too much of a role? Are the parties too weak and divided? Has Congress been 'bought' by lobbyists? This edition has been rewritten to incorporate coverage of events that have taken place since 1999. It examines the 2000 presidential election and recent

Supreme Court rulings as well as the ways in which the 'war on terrorism' has affected the character of the political process. There is also a new chapter that assesses the most important political issues facing the US today. The book will prove invaluable for undergraduates, A-level students, and the general reader

Cengage Learning
The Fifth Edition of American Politics Today is designed to show students the reality of politics today and how it connects to their own lives. New features--from

chapter opening cases that address the kinds of questions students ask, to full-page graphics that illustrate key political processes--show students how politics works and why it matters. All components of the learning package--textbook, InQuizitive adaptive learning tool, and coursepack--are organized around specific chapter learning goals to ensure that students learn the nuts and bolts of American government.
