**American Politics Today** W. W. Norton

The idea of an exceptional America remains controversial. In this dazzlingly comprehensive collection of essays, some of the nation's best scholars and thinkers take on the weighty task of sizing up Goliath in a way Americans and others can comprehend. These twenty studies in American exceptionalism provide a solidly researched and in-depth analysis on the current state of our institutions, our values, and our challenges for the future.

*Actual Government as Applied Under American Conditions* Routledge

A fresh, accessible perspective on the fundamentals

The American Political System W. W. Norton

**& Company**

The Second Edition of this renowned treasure trove of information about the most important laws and treaties enacted by the U.S. Congress now deepens its historical coverage and examines an entire decade of new legislation. Landmark Legislation 1774-2012 includes additional acts and treaties chosen for their historical significance or their precedential importance for later areas of major federal legislative activity in the over 200 years since the convocation of the Continental Congress. Brand new chapters expand coverage to include the last five numbered Congresses (10 years of activity from 2003-2012), which has seen landmark legislation in the areas of health insurance and health care reform; financial regulatory reform; fiscal stimulus and the Temporary Asset Relief Program; federal support for stem cell research; reform of federal financial support for public schools and higher education; and much more. Features & Benefits: Each chapter covers one of the numbered Congresses with a historical essay, followed by the major acts of that Congress arranged in chronological order of passage – with each act summarized. A Finder 's Guide summarizes all of the acts and treaties into approximately 40 separate topical policy areas. The work 's extensive bibliography has been expanded and updated. This one-volume resource is a must-have for any public or academic library, especially those with strong American history or political science collections.

## Give Me Liberty! An American History

W.W. Norton & Company

Emphasizing the relevance of politics and government in everyday life, *We the People* provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, *We the People* is now more pedagogically effective than ever.

Congress W.W. Norton & Company

For much of our history, legal scholars focused predominantly on the law's implications for human beings, while ignoring how the law influences animal welfare. Since the 1970s, however, there has been a steep increase in animal advocates' use of the courts. Animal law has blossomed into a vibrant academic discipline, with a rich literature that examines how the law affects animal welfare and the ability of humans to advocate on behalf of nonhuman animals. But most animal law literature tends to be doctrinally-based or normative. There has been little empirical study of the outcomes of animal law cases and there has been very little attention paid to the political influences of these outcomes. This book fills the gap in animal law literature. This is the first empirically-based analysis of animal law that emphasizes the political forces that shape animal law outcomes.

America W. W. Norton

*Keeping the Republic* gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. *Keeping the Republic* draws students into the study of American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. Students are pushed to consider how

and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power — the ability to create and share their own narratives — while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, *Keeping the Republic*, Eighth Edition is a much-needed resource to help students make sense of politics in America today. Carefully condensed from the full version by authors Christine Barbour and Gerald Wright, *Keeping the Republic*, Brief Edition gives your students all the continuity and crucial content, in a more concise, value-oriented package. *Congress: The First Branch* offers a fresh approach to the First Branch grounded in a historical, positive frame.

Landmark Legislation 1774-2012 W. W. Norton

From the New York Times bestselling author of *Parable of the Sower* and MacArthur "Genius" Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism,

sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.

We the People Lexington Books

New York Times Bestseller • Notable Book of the Year • Editors' Choice Selection One of Bill Gates' "Amazing Books" of the Year One of Publishers Weekly's 10 Best Books of the Year Longlisted for the National Book Award for Nonfiction An NPR Best Book of the Year Winner of the Hillman Prize for Nonfiction Gold Winner • California Book Award (Nonfiction) Finalist • Los Angeles Times Book Prize (History) Finalist • Brooklyn Public Library Literary Prize This "powerful and disturbing history" exposes how American governments deliberately imposed racial segregation on metropolitan areas nationwide (New York Times)

---

Book Review). Widely heralded as a “ masterful ” (Washington Post) and “ essential ” (Slate) history of the modern American metropolis, Richard Rothstein ’ s *The Color of Law* offers “ the most forceful argument ever published on how federal, state, and local governments gave rise to and reinforced neighborhood segregation ” (William Julius Wilson). Exploding the myth of de facto segregation arising from private prejudice or the unintended consequences of economic forces, Rothstein describes how the American government systematically imposed residential segregation: with undisguised racial zoning; public housing that purposefully segregated previously mixed communities; subsidies for builders to create whites-only suburbs; tax exemptions for institutions that enforced segregation; and support for violent resistance to African Americans in white neighborhoods. A groundbreaking, “ virtually indispensable ” study that has already transformed our understanding of twentieth-century urban history (Chicago Daily Observer), *The Color of Law* forces us to face the obligation to remedy our unconstitutional past.

### The End of Liberalism Routledge

Introduction to the conceptual foundations of policy analysis including the basics of the welfare-economics paradigm and cost-benefit analysis.

### Kindred W.W. Norton & Company

*America: A Narrative History* puts narrative front and center with David Shi ’ s rich storytelling style, colorful biographical sketches, and vivid first-person quotations. The new editions further reflect our society and our students today by continuing to incorporate diverse voices into the narrative with new coverage of the Latino/a experience as well as enhanced coverage of women and gender, African American, Native American, immigration, and LGBTQ history. With dynamic digital tools, including the InQuizitive adaptive learning tool, and new digital activities focused on primary and secondary sources, *America: A Narrative*

*History* gives students regular opportunities to engage with the story and build critical history skills. The Brief Edition text narrative is 15% shorter than the Full Edition.

### Navigating the Jungle CQ Press

*American Government* is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. The images in this textbook are grayscale.

### Arenas of Power CQ Press

The definitive critical introduction to American society.

### American Government W. W. Norton

Although most advanced industrialized countries are facing population aging and other social changes, public long-term care programs for the aged are remarkably diverse across them. This book accounts for the variations in elderly care policy by combining statistical analysis with historical case studies of Sweden, Japan and the USA.

### American Government Routledge

The Fifth Edition of *American Politics Today* is designed to show students the reality of politics today and how it connects to their own lives. New features--from chapter opening cases that address the kinds of questions students ask, to full-page graphics that illustrate key political processes--show students how politics works and why it matters. All components of the learning package--textbook, InQuizitive adaptive learning tool, and coursepack--are organized around specific chapter learning goals to ensure that students learn the nuts and bolts of American government.

## Cases and Concepts in Comparative Politics Liveright Publishing

The revised and updated eighth edition of the bestselling textbook *Politics UK* is an indispensable introduction to British politics. It provides a thorough and accessible overview of the institutions and processes of British government, a good grounding in British political history and an incisive introduction to the issues facing Britain today. With contributed chapters from respected scholars in the field and contemporary articles on real-world politics from well-known political commentators, this textbook is an essential guide for students of British politics. The eighth edition welcomes brand new material from eight new contributors to complement the rigorously updated and highly valued chapters retained from the previous edition. The eighth edition includes:

- Britain in context boxes offering contrasting international perspectives of themes in British politics.

- A comprehensive 'who's who' of politics in the form of Profile boxes featuring key political figures.
- And another thing ... pieces: short articles written by distinguished commentators including Jonathan Powell, Michael Moran and Mark Garnett.
- Fully updated chapters plus new material providing excellent coverage of contemporary political events including: The Leveson Inquiry, the aftermath of the 2011 riots and the House of Lords reform.
- A vibrant and accessible new design to excite and engage students as they work through a variety of political topics.
- A new epilogue to the book offering a critical perspective of the trials and tribulations of the Coalition Government, including an overview of the major differences that divide the coalition partners.

We the People W. W. Norton

Based on O'Neil, Fields, and Share's market-leading textbook and casebook, *Cases and Concepts in Comparative Politics: An Integrated Approach* integrates concepts and cases in one volume. Students get all of the materials in a straightforward, easy-to-use, and cost-effective way.
