The Enduring Democracy by
Kenneth Dautrich, David A.
Yalof, and Christina Bejarano

examines the current state of American politics through the lenses of American history and the nation ' s changing demographics. This two-pronged approach encourages students to place current issues and controversies into historical perspective, and to think critically about how those issues and controversies are impacted by America ' s increasingly diverse population. By analyzing and understanding the influences of historical context and demographics, students can debate effectively with

references, use historical outcomes to predict for the future, and create strong arguments based on what they know about fundamental changes in the political landscape. The highly anticipated Sixth Edition frames the 2016 general election and 2018 midterm elections from the perspective of what they mean to college students, so that they can see the relevance of American government in their daily lives. Also available as a digital option (courseware). Learn more about The Enduring

Democracy, Sixth Edition - Vantage Digital Option.

eText of your book. You can also buy immediate access to MyPoliSciLab with Pearson eText online with a credit card at www.mypoliscilab.com. "Understand American politics from past to present." "American Government: Roots and Reform" is guided by the belief that students must first understand the origins of American government in order to understand the issues facing the United States today. This bestselling text offers the strongest coverage of history and current events to study present political structures and behaviors in full constitutional and historical context. American Government: Roots and Reform not only helps students learn how our

government evolved and how they can become more informed citizens but it also encourages them to discover that politics can be--and most often is--a good thing. MyPoliSciLab is an integral part of the O'Connor program. Key learning applications include MyPoliSciLab Video Series, Explorer and Simulations. A better teaching and learning experienceThis program provides a better teaching and learning experience--for you and your students. Here's how: "Personalize Learning--"Reach every student at each stage of learning, engage them in active rather than passive learning, and measure that learning. Refined after a decade of real-world use and compatible with learning management systems like Blackboard, the new MyPoliSciLab is a customizable digital learning experience that supports each individual student's and educator's success. "Emphasize Outcomes--"Keep students focused on what they need to learn. A new design facilitates print and digital reading experiences and turns this book's learning objectives into a clear learning path. On MyPoliSciLab, practice tests help students achieve these objectives by creating personalized study plans. "Engage Students--"Each student is different. Reach "all" of them with the new MyPoliSciLab Video Series, which features this book's authors and top political scientists discussing the big ideas in each chapter and applying them to enduring political issues. "Improve Critical Thinking--"Students get a lot of information about politics; your challenge as an instructor is to turn them into critical consumers of that information. Using interactive data to answer political questions introduced in this book's infographics, Explorer is a hands-on way to develop quantitative literacy and to move students beyond punditry and opinion. "Analyze Current Events--"Prepare students for a lifetime of following political news. Both in this book and on MyPoliSciLab, coverage of the 2012 elections and more keeps politics relevant and models how

to analyze development in the American political system. Get up-to-the-minute analysis on MyPoliSciLab's blogs or reflect on a theoretical case with a simulation. "Support Instructors--" Make more time for your students with instructor resources--Test Bank, MyTest Computerized Test Bank, Instructor's Manual, and PowerPoint Presentation with Classroom Response System (CRS)--that offer effective learning assessments and classroom engagement.

Prentice Hall Addison-Wesley Longman

All you need to know about elections, politics, and government! Too often, textbooks

turn the noteworthy details of government into tedious discourse that would put even the president to sleep. American Government 101 cuts out the boring explanations, and instead provides a hands-on lesson that keeps you engaged as you learn. From the backstory of the Constitution to the institution of the Electoral College, this primer is packed with hundreds of entertaining tidbits and concepts to help you learn about how the government of the United States actually works. So whether you want to learn about how policies and laws are created, or just want to become a better-informed voter, American Government 101 has all the answers--even the ones you

didn't know you were looking for.

American Government Cengage Learning

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access

code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! Guided by the belief that readers must first understand the origins of American government to fully understand the issues facing the United States today, this market-leading text offers the strongest coverage of both history and current events of any college textbook devoted to American politics. From hallmark features like The

Living Constitution to new features like the illustrated historical timelines, *American Government: Continuity and Change* provides the historical context readers need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. The alternate edition of this classic text features the exact same coverage as the comprehensive version but without the policy chapters. This bestselling book has been extensively revised to

provide in-depth coverage of the 2008 presidential and congressional elections, President George W. Bush's second administration and the 110th Congress, continued controversies related to the wars in Iraq and Afghanistan and the war on terrorism, and domestic concerns related to rising gas and food prices and the subprime mortgage crisis. *American Government*

GOVERNMENT,

International Edition is highly current issues, respected and trusted for its attention to research and issues of diversity as well as for its award-winning team of authors. While covering the foundations and features of American government, this text also moves beyond the nuts and bolts to explain why and how important features of government have evolved, what their impact on government and individuals is, and why these features are controversial (if they are) and worth learning. More than just narrating facts and

UNDERSTANDING AMERICAN GOVERNMENT, International Edition leaves students with an understanding of the “why” so that they can apply what they’ve learned long after completing the course. UNDERSTANDING AMERICAN GOVERNMENT is a three-time winner of the American Government Textbook Award for the Best Treatment of Women in Politics, awarded by the

Women’s Caucus for Political Science. American Government Research & Education Assn The Political Science Student Writer's Manual and Reader's Guide is a practical guide to research, reading, and writing in political science. The Political Science Student Writer’s Manual and Reader’s Guide, Eighth Edition, is a set of instructions and exercises that sequentially develop citizenship, academic, and professional skills while providing students with knowledge about a wide range of political and governmental

concepts, phenomena, and information sources. It begins by teaching beginning students to engage newspapers and other political media sources critically and analytically. It focuses on the crafts of writing and scholarship by providing the basics of grammar, style, formats and source citation, and then introduces students to a variety of rich information resources including the Congressional Record, Federal Register, and the Library of Congress. Students actively apply their knowledge and skills by corresponding with their representatives and

commenting on pending government regulations. Part 1 concludes with campaign management, policy analysis, legislation assessment, and similar exercises that develop student skilled-observation proficiency. Part 2 prepares students to research, read, write, review, and critique political science scholarship. Finally, Part 3 teaches advanced students how to investigate public opinion; analyze domestic and international public policies; author amicus briefs; and participate in the universal community that deliberates the

continuing rich tradition of political philosophy.

"Published by OpenStax College, American Government is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get

Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while

maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and

applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project."--BC Campus website.
Prentice Hall Magruder's 2007 American Government Pearson Prentice Hall
Written by three leading experts, Politics USA is the complete introduction to

politics and government in the USA. Divided into eight parts, the book examines the US political system from an historical and institutional framework, discussing both the mechanics of American government and domestic and foreign policy. The text moves from examination of the constitutional and historical foundations of US government, through the representative process, to a discussion of the legislative, executive and judicial system. A further section deals in depth with several key policy studies. Each section is packed with

pedagogical features and the book is attractively designed. This is the definitive textbook on American studies.
