Sources Notable Selections in American

This book utilizes a unique framework — principle, process, politics — to help readers understand the American political system. In addition, the book encourages readers to become active citizens by providing examples and information to show them how. It features questions that explore why some controversies remain unresolved and challenge readers to arrive at their own conclusions about important issues in American politics; provides marginal definitions for quick reference to important terms.

American Government, Ideals and Reality  
Macmillan Higher Education

In this introductory American politics text, Cal Jillson provides not only a sense of how politics works today but also how institutions, systems, political participation, and policies have developed over time to produce today's political environment in the United States. This historical context provides the necessary backdrop for students to understand why things work the way they do now. Going one step further, the book identifies critical reforms and how American democracy might work better. In a streamlined presentation, Jillson delivers a concise and engaging narrative to help students understand the complexities and importance of American politics. Key features: The 4th edition is thoroughly updated, including full analysis of the 2006 mid-term elections and shift in partisan control of Congress. Chapter-opening Focus Questions; illustrative figures and charts; "Let's Compare" and "Pro & Con" boxes; key terms; time lines; and end-of-chapter suggested readings and web resources.

Companion website for students

features chapter summaries, focus questions,

practice quizzes, glossary flashcards, participation activities, and links. Instructor's resources on the web and on CD-ROM, including Testbank, Instructor's Manual, figures and tables from the text, and lecture outlines.

Magruder's American Government  
Longman Publishing Group

Grounded in the most authoritative scholarship available in the introductory course, Government by the People is a complete introduction to American Government and the discipline of Political Science. It is built around a simple goal to make students effective participants in our political culture by making them informed consumers of that culture. With a new, engaging design and three new, compelling features, the 22nd edition of Government by the People continues in the long tradition of the book that has been the cornerstone of American Government classes for over 50 years. As we enter this very complex political era, there is no more reliable text to help you advance your students from being simple onlookers to knowledgeable participants in the American political experience.

American Government McGraw-Hill/Dushkin

This convenient Portable Version of Edwards/Wattenberg/Lineberry, Government in America: People, Politics, and Policy features all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant “politics matters” theme and emphasizing public policy throughout, Government in America illustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, and helping overcome the biggest challenge instructors face in this course -- student apathy toward government.

American Government in Action Prentice Hall

With an emphasis on public policy, and through the use of its resonant “politics matters” theme, Government in America, Brief Ninth Edition, illustrates the impact that government has on the daily lives of each and every American, motivates students to become active participants in all aspects of our political system, and overcomes apathy toward American government. The Brief Ninth Edition contains all the information included in the comprehensive version, in a more compact form for ease of use.

In this riveting psychological thriller, a high-school vice principal and a Middle Eastern-born transfer student engage in a politically and emotionally charged game of cat and mouse, with dangerous consequences.

Notable Selections in American Government Routledge

Black & white print. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but

to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. In order to help students understand the ways that government, society, and individuals interconnect, the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States. The authors and reviewers sought to strike a balance between confronting the negative and harmful elements of American government, history, and current events, while demonstrating progress in overcoming them. In doing so, the approach seeks to provide instructors with ample opportunities to open discussions, extend and update concepts, and drive deeper engagement.

#### American Government Prentice Hall

0-669-15430-X: \$27.00.

#### *American Government 3e* Wadsworth Publishing Company

Newly revised, *The Basics of American Government* offers a comprehensive overview of the American political system for students taking introductory courses in American national government and combines the best aspects of both a traditional textbook and a reader. *The Basics of American Government* is a collaborative effort among six current and three former faculty members in the Department of Political Science & International Affairs and the Department of Criminal Justice, and a student contributor, at the University of North Georgia. Most of its chapters offer a piece of original scholarship as a case study bolstering the material in the chapter. Additionally, most chapters present a civic engagement-type exercise and discussion questions that are challenging and engaging, and help foster student participation in the political system. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 470-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

#### **Principles of American Government** Longman Publishing Group

"[This book] brings together over 40 selections of enduring intellectual value--classic articles, book excerpts, and U.S. Supreme Court decisions--that have shaped the study of American government and our contemporary understanding of it. [This book] provides the opportunity for readers to encounter many of the greatest thinkers in American government at first hand. The book includes carefully edited selections from the works of the most distinguished observers of American government, past and present, from James Madison and Richard F. Fenno, Jr., to Laurence H. Tribe, Kathleen Hall Jamieson, Jane J. Mansbridge, and Aaron Wildavsky"--Back cover.

**Government in America** Psychology Press  
"An introductory American government textbook should do more than simply tell students that politics is relevant today, that it will affect their lives in meaningful ways. Students are best prepared to recognize this basic fact when they understand the bigger picture of how the system works, how it got that way, and what are the possibilities for change. Cal Jillson's *American Government: Political Development and Institutional Change* shows students how the nation's past is present in all aspects of contemporary politics, using the dynamics of change as a tool to understand how politics works and how institutions, systems, avenues of participation, and policies have evolved over time to produce today's political environment in the United States. Going one step further, Jillson identifies the critical question of how American democracy might evolve further, focusing in every chapter on reform and change into the future"--
