Fenno, Jr., to Laurence H. Tribe, Kathleen Hall Jamieson, Jane J. Mansbridge, and Aaron Wildavsky.

American Government Steck-Vaughn
"The main strength of this book is that it presents a ‘human’ side to American Government that challenges students to think critically while still presenting the ‘teaching’ side with objectives, self-tests, and chapter reviews." —Kathleen Barrett, University of West Georgia In the Second Edition of American Government, Essentials Edition, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. American Government, Essentials Edition, is identical to the full version of the text, minus the three policy chapters. A Complete Teaching and Learning Package SAGE Vantage Digital Option Engage, Learn, Soar with SAGE Vantage, an intuitive digital platform that delivers American Government, Essentials Second Edition textbook content in a learning experience carefully designed to ignite student engagement and drive critical thinking. American Government McGraw-Hill/Dushkin
Black & white print. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to

students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. In order to help students understand the ways that government, society, and individuals interconnect, the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States. The authors and reviewers sought to strike a balance between confronting the negative and harmful elements of American government, history, and current events, while demonstrating progress in overcoming them. In doing so, the approach seeks to provide instructors with ample opportunities to open discussions, extend and update concepts, and drive deeper engagement.

American Government Harcourt Brace
Prompts students to consider how the past shapes the present and future of American politics and government.
Government in America Prentice Hall
In this introductory American politics text, Cal Jillson provides not only a sense of how politics works today but also how institutions, systems, political participation, and policies have developed over time to produce today's political environment in the United States. This historical context provides the necessary backdrop for students to understand why things work the way they do now. Going one step further, the book identifies critical reforms and how American democracy might work better. In a streamlined presentation, Jillson delivers a concise and engaging narrative to help students understand the complexities and importance of American politics. Key features: The 4th edition is thoroughly updated, including full analysis of the 2006 mid-term elections and shift in partisan control of Congress. Chapter-opening Focus Questions; illustrative figures and charts; "Let's Compare" and "Pro & Con" boxes; key terms; time lines; and end-of-chapter suggested readings and web resources. Companion website for students (<http://americangovernment.routledge.com>) features chapter summaries, focus questions, practice quizzes, glossary flashcards, participation activities, and links. Instructor's resources on the web and on CD-ROM, including Testbank, Instructor's Manual, figures and tables from the text, and lecture outlines.
American Government: Stories of a Nation Pearson Prentice Hall

Magruder's American Government Prentice Hall
How politics in America works today, how it got that way, and how it's likely to change through reform—these are the themes that pervade every chapter of Cal Jillson’s highly lauded American Government: Political Development and Institutional Change. Even in the midst of current challenges, America’s past is present in all aspects of the contemporary political system. Jillson uses political development and the dynamics of change as a thematic tool to help students understand how politics works now—and how institutions, participation, and policies have evolved over time to produce the contemporary political environment. In addition, Jillson helps students think critically about how American democracy might evolve further, focusing in every chapter on reform and further change. New to the 11th Edition Provides a broad assessment of the Trump presidency, of the impact on the Supreme Court of Associate Justice Neal Gorsuch’s and Brett Kavanaugh’s appointments, and of the remarkable 2018 and 2020 election cycles Describes numerous ways in which the American political system has been impacted by the Covid-19 pandemic, the economic struggles caused by it, and the social protests in which the Black Lives Matter movement has played such a visible role Assesses the implication of "fake news" for our politics, both as it exists in fact and as it is used as a political cudgel Details the impact that President Trump’s "America First" policies have had on the National Security Strategy of the United States and the U.S. place in the post-World War II international order Updates all data in tables and figures through the 2020 elections and includes many new photos and chapter opening vignettes Includes new and revised special features among The Constitution Today, Pro/Con, and Let’s Compare boxes.
The Foundations of American Government Prentice Hall
This convenient Portable Version of Edwards/Wattenberg/Lineberry,Government in America: People,

Politics, and Policy features all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant “politics matters” theme and emphasizing public policy throughout, *Government in America* illustrates the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, and helping overcome the biggest challenge instructors face in this course -- student apathy toward government. *2001 Magruder's American Government* Macmillan Higher Education

American Government and Politics in the Information Age Longman Publishing Group

Challenge your students to ENGAGE in the conversation and process; THINK about the ideas, history, structure, and function; and DEBATE the merits of American government and politics in the 21st century. In a storytelling approach that weaves contemporary examples together with historical context, *By the People: Debating American Government*, Brief Second Edition, explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like Who governs? How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, *By the People*, Brief Second Edition, condenses the content of the comprehensive edition while also preserving its essential insights, organization, and approach. Approximately 20% shorter and less expensive than its parent text, the full-color Brief Second Edition features a more streamlined narrative and is enhanced by its own unique supplements package. ENGAGE * -By the Numbers- boxes containing fun facts help frame the quizzical reality of American politics and government * -See For Yourself- features enable students to connect with the click of a smart phone to videos and other interactive online content THINK * Chapter One introduces students to seven key American ideas, which are revisited throughout the text * -The Bottom Line- summaries conclude each chapter section, underscoring the most important aspects of the discussion DEBATE * -What Do You Think?- boxes encourage students to use their critical-thinking skills and debate issues in American government * Four major themes, in the form of questions to spark debate, are presented to students in Chapter One and appear throughout the text

Magruder's American Government Routledge

Newly revised, *The Basics of American Government* offers a comprehensive overview of the American political system for students taking introductory courses in American national government and combines the best aspects of both a traditional textbook and a reader. *The Basics of American Government* is a collaborative effort among six current and three former faculty members in the Department of Political Science & International Affairs and the Department of Criminal Justice, and a student contributor, at the University of North Georgia. Most of its chapters offer a piece of original scholarship as a case study bolstering the material in the chapter. Additionally, most chapters present a civic engagement-type exercise and discussion questions that are challenging and engaging, and help foster student participation in the political system. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 470-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

Principles of American Government Englewood Cliffs, N.J. : Prentice-Hall

Grounded in the most authoritative scholarship available in the introductory course, *Government by the People* is a complete introduction to American Government and the discipline of Political Science. It is built around a simple goal to make students effective participants in our political culture by making them informed consumers of that culture. With a new, engaging design and three new, compelling features, the 22 nd edition of *Government by the People* continues in the long tradition of the book that has been the cornerstone of American Government classes for over 50 years. As we enter this very

complex political era, there is no more reliable text to help you advance your students from being simple onlookers to knowledgeable participants in the American political experience.

Magruder's American Government Student Edition Prentice Hall

For courses in American government A result of time-tested scholarship, *Government by the People* gives a hopeful but realistic perspective on American government and emphasizes the role people play in our constitutional democracy. Prentice Hall is extremely proud to publish the book that remains the most reliable, responsive, and respected text for use in colleges and universities in every state of the nation. For over 50 years, this is the book that has always remained one step ahead of all the others by anticipating your needs as an educator and your students' needs as learners. Now in its twenty-second edition, *Government by the People* continues this tradition. We are entering a very complex political era and there is no better text poised to take students from being simple onlookers to knowledgeable participants in the American political experience. The level of scholarship of the *Government by the People* author team, as well as the way in which they treat each new edition as a fresh challenge, is clearly represented in this new edition.
