Newly revised,
The Basics of
American
Government
offers a
comprehensive
overview of the
American political
system for

students taking
introductory
courses in
American national
government and
combines the best
aspects of both a
traditional
textbook and a
reader. The

Basics of American Government is a collaborative effort among six current and three former faculty members in the Department of Political Science & International Affairs and the Department of Criminal Justice, and a student contributor, at the University of North Georgia. Most of its chapters offer a piece of original scholarship as a case study bolstering the material in the chapter. Additionally, most chapters present a civic engagement-type exercise and discussion questions that are

challenging and engaging, and help foster student participation in the political system. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts.

This 470-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics. American Government Routledge "The main strength of this book is that it presents a 'human' side to American Government

that challenges students to think critically while still presenting the 'teaching' side with objectives, self-tests, and chapter reviews."
—Kathleen Barrett, University of West Georgia
In the Second Edition of American Government, Essentials Edition, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the

way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they

take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on

how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. American Government, Essentials Edition, is identical to the full version of the text, minus the three policy chapters. A Complete Teaching and Learning

American Government and Politics in the Information Age

Longman Publishing Group

This book utilizes a unique framework — principle, process, politics — to help readers understand the American political system. In addition, the book encourages readers to become active citizens by providing examples and information to show them how. It

features questions that explore why some controversies remain unresolved and challenge readers to arrive at their own conclusions about important issues in American politics; provides marginal definitions for quick reference to important terms.

Magruder's American Government

Mindtap Course List

This book deals with the American system of government; opinions, interests, and organizations; the institutions of government; the politics of public

policy; the nature of American democracy; and state and local government.

Also included is a glossary of terms and a detailed index. Changes in this edition include a new chapter on state and local government and revised sections on economic policy, foreign policy, military policy and civil liberties and civil rights.

Black & white print.

American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American

government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. In order to help students understand the ways that government, society, and individuals interconnect, the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States. The authors and reviewers sought to

strike a balance between confronting the negative and harmful elements of American government, history, and current events, while demonstrating progress in overcoming them. In doing so, the approach seeks to provide instructors with ample opportunities to open discussions, extend and update concepts, and drive deeper engagement.

MAGRUDER Ì S
AMERICAN
GOVERNMENT

Pearson Prentice Hall

A government textbook which discusses the political ideas which shape our country, the organization of

and relationship between the various branches and levels of government, and the role of the individual in the democratic process.

2001 Magruder's American Government
Cambridge University Press
With an emphasis on public policy, and through the use of its resonant "politics matters" theme, Government in America, Brief Ninth Edition, illustrates the impact that government has on the daily lives of each and every

American, motivates students to become active participants in all aspects of our political system, and overcomes apathy toward American government. The Brief Ninth Edition contains all the information included in the comprehensive version, in a more compact form for ease of use.

American Government
Longman Publishing Group
Challenge your students to **ENGAGE** in the conversation and process; **THINK** about the ideas,

history, structure, and function; and **DEBATE** the merits of American government and politics in the 21st century. In a storytelling approach that weaves contemporary examples together with historical context, By the People: Debating American Government, Brief Second Edition, explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like **Who governs?**

How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, *By the People*, Brief Second Edition, condenses the content of the comprehensive edition while also preserving its essential insights, organization, and approach.

Approximately 20% shorter and less expensive than its parent text, the full-color Brief Second Edition features a more streamlined narrative and is enhanced by its own unique supplements package. **ENGAGE** * -By the Numbers- boxes containing fun facts help frame the quizzical reality of American politics and government * -See *For Yourself*- features enable students to connect with the click of a smart phone to videos and other interactive online

content **THINK** * Chapter One introduces students to seven key American ideas, which are revisited throughout the text * -*The Bottom Line*- summaries conclude each chapter section, underscoring the most important aspects of the discussion **DEBATE** * -*What Do You Think?*- boxes encourage students to use their critical-thinking skills and debate issues in American government * Four major themes, in the form of questions to spark debate, are

presented to students in Chapter One and appear throughout the text American Government Cengage Learning "[This book] brings together over 40 selections of enduring intellectual value--classic articles, book excerpts, and U.S. Supreme Court decisions--that have shaped the study of American government and our contemporary understanding of it. [This book] provides the opportunity for readers to encounter many of the greatest thinkers in American

government at first hand. The book includes carefully edited selections from the works of the most distinguished observers of American government, past and present, from James Madison and Richard F. Fenno, Jr., to Laurence H. Tribe, Kathleen Hall Jamieson, Jane J. Mansbridge, and Aaron Wildavsky"--Back cover. American Government in Action Silver Burdett Ginn Religion "Published by OpenStax College, American Government is designed to meet the scope and sequence requirements of the

single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings

of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and

applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project."--BC Campus website. American Government Pearson Prentice Hall How politics in America works today, how it got that way, and how it 's likely to change through reform—these are the themes that pervade every chapter of Cal Jillson 's highly lauded American Government:

Political Development and Institutional Change. Even in the midst of current challenges, America 's past is present in all aspects of the contemporary political system. Jillson uses political development and the dynamics of change as a thematic tool to help students understand how politics works now—and how institutions, participation, and policies have evolved over time to produce the contemporary political environment. In addition, Jillson helps students think critically about how American democracy might evolve further, focusing in every chapter on reform and further change. New to the 11th Edition Provides a broad assessment of

the Trump presidency, of the impact on the Supreme Court of Associate Justice Neal Gorsuch ' s and Brett Kavanaugh ' s appointments, and of the remarkable 2018 and 2020 election cycles Describes numerous ways in which the American political system has been impacted by the Covid-19 pandemic, the economic struggles caused by it, and the social protests in which the Black Lives Matter movement has played such a visible role Assesses the implication of "fake news" for our politics, both as it exists in fact and as it is used as a political cudgel Details the impact that President Trump ' s "America First" policies have had on the National

Security Strategy of the United States and the U.S. place in the post-World War II international order Updates all data in tables and figures through the 2020 elections and includes many new photos and chapter opening vignettes Includes new and revised special features among The Constitution Today, Pro/Con, and Let ' s Compare boxes.

Writing for Social Studies Assessment Oxford University Press, USA For courses in American government A result of time-tested scholarship, Government by the People gives a hopeful but realistic perspective on American government and emphasizes the role people play in our constitutional democracy. Prentice Hall is extremely proud to publish the book that remains the most reliable, responsive, and respected text for use in colleges and

universities in every state of the nation. For over 50 years, this is the book that has always remained one step ahead of all the others by anticipating your needs as an educator and your students' needs as learners. Now in its twenty-second edition, *Government* by the People continues this tradition. We are entering a very complex political era and there is no better text poised to take students from being simple onlookers to knowledgeable participants in the American political experience. The level of scholarship of the *Government*

by the People author team, as well as the way in which they treat each new edition as a fresh challenge, is clearly represented in this new edition. *American Government* Prentice Hall *American Government 2e* is designed to meet the scope and sequence requirements of the single-semester *American Government* course. This title includes innovative features designed to enhance student learning, including *Insider Perspective* features and a *Get Connected* module that shows students how they can get

engaged in the political process. The book provides an important opportunity for students to learn the core concepts of *American Government* and understand how those concepts apply to their lives and the world around them. *American Government: Stories of a Nation* Prentice Hall This new offering from AP® teacher Karen Waples and college professor Scott Abernathy is tailor-made to help teachers and students transition to the redesigned AP® U. S. *Government and Politics* course. Carefully aligned to the course framework, this brief

book is loaded with instructional tools to help you and your students meet the demands of the new course, such as integrated skills instruction, coverage of required cases and documents, public policy threaded throughout the book, and AP® practice after every chapter and unit, all in a simple organization that will ease your course planning and save you time. We've got you covered! With a program specifically tailored for the new AP® framework and exam. With a brief student edition that students will read and enjoy. With pedagogy and features that prepare students for the AP® exam like no other book on the market. With a

teacher edition and resources that save you time in transitioning to the new course. With professional development to help you transition your instruction. American Government 2e Psychology Press Grounded in the most authoritative scholarship available in the introductory course, Government by the People is a complete introduction to American Government and the discipline of Political Science. It is built around a simple goal to make students effective participants in our political culture by making them informed consumers of that culture. With a new, engaging design and

three new, compelling features, the 22nd edition of Government by the People continues in the long tradition of the book that has been the cornerstone of American Government classes for over 50 years. As we enter this very complex political era, there is no more reliable text to help you advance your students from being simple onlookers to knowledgeable participants in the American political experience. 1998 Magruder's American Government Steck-Vaughn "An introductory American government textbook should do more than

simply tell students that politics is relevant today, that it will affect their lives in meaningful ways. Students are best prepared to recognize this basic fact when they understand the bigger picture of how the system works, how it got that way, and what are the possibilities for change. Cal Jillson's *American Government: Political Development and Institutional Change* shows students how the nation's past is present in all aspects of contemporary

politics, using the dynamics of change as a tool to understand how politics works and how institutions, systems, avenues of participation, and policies have evolved over time to produce today's political environment in the United States. Going one step further, Jillson identifies the critical question of how American democracy might evolve further, focusing in every chapter on reform and change into the future"--
Principles of American Government

Prentice Hall
In this introductory American politics text, Cal Jillson provides not only a sense of how politics works today but also how institutions, systems, political participation, and policies have developed over time to produce today's political environment in the United States. This historical context provides the necessary backdrop for students to understand why things work the way they do now. Going one step further, the book identifies critical reforms and how American democracy might work better. In a

streamlined presentation, Jillson delivers a concise and engaging narrative to help students understand the complexities and importance of American politics. Key features: The 4th edition is thoroughly updated, including full analysis of the 2006 mid-term elections and shift in partisan control of Congress. Chapter-opening Focus Questions; illustrative figures and charts; "Let's Compare" and "Pro & Con" boxes; key terms; time lines; and end-of-chapter suggested readings and web resources. Companion website for students (<http://americangovernment.routledge.com>) features chapter summaries, focus questions, practice quizzes, glossary flashcards, participation activities, and links. Instructor's resources on the web and on CD-ROM, including Testbank, Instructor's Manual, figures and tables from the text, and lecture outlines. Govt Routledge

A textbook describing the evolution, structure, and function of the United States government and how it compares to other governments around the world. Includes the text of the Declaration of Independence and of the Constitution.
