New Headway English Course Springer

A New Statesman Book of the Year The wolf stands at the forefront of the debate about our impact on the natural world. In one of the most celebrated successes of modern conservation, it has been reintroduced to Yellowstone National Park. What unfolds is a riveting multi-generational saga, at the centre of which is O-Six, a charismatic alpha female beloved by park rangers and amateur spotters alike. As elk numbers decline and the wolf population rises, those committed to restoring an iconic landscape clash with those fighting for a vanishing way of life; hunters stalk the park fringes and O-Six 's rivals seek to bring an end to her dominance of the stunningly beautiful Lamar Valley.

Headway: Beginner: Workbook Without Key Farrar, Straus and Giroux
A complete language-learning package for American English students at intermediate level.

The Origin of Consciousness in the Breakdown of the Bicameral Mind Bloomsbury Publishing USA

Named a Best Book of the Year by The Washington Post, Time, NPR, Vice, Bustle, The New York Times, The Guardian, Kirkus Reviews, Entertainment Weekly, The AV Club, & Audible A New York Times Bestseller • New York Times Readers Pick: 100 Best Books of the 21st Century "One of the most compelling protagonists modern fiction has offered in years: a loopy, quietly furious pillhead whose Ambient ramblings and Xanaxed b*tcherries somehow wend their way through sad and funny and strange toward something genuinely profound." — Entertainment Weekly "Darkly hilarious . . . [Moshfegh 's] the kind of provocateur who makes you laugh out loud while drawing blood." —Vogue From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes. Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart, and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? My Year of Rest and Relaxation is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers.

Catalog of Copyright Entries. Third Series Harper Collins

Active English Grammar Simon and Schuster

The immigration debate divides Americans more stridently than ever, due to a chronic failure of national leadership by both parties. Bush and Bolick propose a six-point strategy for reworking our policies that begins with erasing all existing, outdated immigration structures and starting over. Their strategy is guided by two core principles: first, immigration is vital to America's future; second, any enduring resolution must adhere to the rule of law.

American Headway 1 Macmillan Elt

Twelve-year-old Tad is a blogger with a plan, in the book Jon Stewart calls "hilarious to anyone who ever went through, is currently in, might go to, or flunked out of middle school." Tad has an agenda: Survive seventh grade. He also wants to: grow a mustache, get girls to notice him, and do a kickflip on his skateboard. But those are not the main reasons he started a blog. Tad just has a lot of important thoughts he wants to share with the world, like: Here is the first thing I have learned about having a dog in your house: Don't feed them nachos. Not ever. This highly illustrated and hilarious book is by the Emmy® Award-winning former head writer of The Daily Show with Jon Stewart, and is based on a column in MAD Magazine. Through a series of daily entries, readers are treated to a year in Tad's blog that will leave them in stitches. MAD Magazine and all related characters and elements are trademarks of and © E.C. "[P]rovides thorough and practical understanding of the mechanics of the English language. This series uses American English and explains key language differences from British English. Over the course of the six books, students will advance from intermediate to upper-intermediate material"--Page [4] of cover.

Immigration Wars

Breaking down the monolithic business into its individual industries ... the hospitals, doctors, insurance companies, drug manufacturers ... that together constitute our healthcare system, Rosenthal tells the story of the history of American medicine as never before. The situation is far worse than we think, and it has become like that much more recently than we realize. Hospitals, which are managed by business executives, behave like predatory lenders, hounding patients and seizing their homes. Research charities are in bed with big pharmaceutical companies, which surreptitiously profit from the donations made by working people. Americans are dying from routine medical conditions when affordable and straightforward solutions exist. Dr. Rosenthal explains for the first time how various social and financial incentives have encouraged a disastrous and immoral system to spring up organically in a shockingly short span of time. The system is in tatters, but we can fight back.

American Headway 3. Students Book + Oxford Online Skills Program Pack

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels.
