How the American
Heart Association is
making an impact
during the
coronavirus
(COVID-19) pandemic.
The American Heart
Association is
working with
researchers, medical
experts, community
leaders, businesses,
families and more to
reduce the impact of
the coronavirus. The
following are some
ways we’re dedicating

our resources to make a difference.

Developing a Hospital Based Resuscitation Program

Team Dynamics Debriefing Tool Instructions • Use the table below to guide your debriefing. • Observe and record elements of team dynamics. • Identify 2 or 3 elements of team dynamics to discuss per debriefing session.

Code blue: Effective resuscitation teams

The American Heart Association is the nation's oldest and largest voluntary health organization. Its purpose is to help prevent America's No. 1 and No. 4 killers, heart disease and stroke. The AHA is an advocate of good health, promoting positive

behaviors, nutritious eating habits and healthy lifestyles.

Our Response to COVID-19 | American Heart Association

In 2015, the American Heart Association (AHA) emphasized high-quality CPR in updated guidelines for CPR and emergency cardiovascular care. Early initiation ... Code blue:
