Format Descriptions: Teacher's Resource Binder Includes annotated teacher's edition Blackline masters with answer key Reading comprehension activities Vocabulary reinforcement activities Additional biographies Additional primary source documents Chapter activities, reviews, quizzes Full-color overhead transparencies Teacher CD-ROM Additional blackline masters Full book assessment Unit tests and chapter quizzes ELL reading comprehension activities ELL vocabulary reinforcement activities Chapter puzzles Complete annotated teacher's edition in PDF format Student Text Engaging four-color design Unit openers with timelines and discussion questions Pre-reading strategies and introduction activities Reading and vocabulary support Small-group activities Writing activities Primary source documents Chapter summaries with review questions End of chapter skill builder Annotated Teacher's Edition Reduced student pages with detailed classroom and teacher support Lesson objectives Key materials identified Extension activities Vocabulary lessons Literary connections Classroom discussions Answers to student questions Student CD-ROM PDF of entire student book Audio narration of student text Spanish narration of key chapter and lesson concepts Spanish audio activity for each chapter Four interactive games per chapter Student presentation builder American History Study Lessons Mark Twain Media Intersections: A Contemporary Student Primer on Race, Gender, and Class provides students with an illuminating and timely collection of articles pertaining to these key

social issues in American history and contemporary culture. Students learn how to recognize the intersections of race, gender, and class, how to navigate these intersections in academic and personal pursuits, and how to serve as change agents for social justice. The anthology is divided into four units: theoretical foundations, historical perspectives, American culture, and contemporary moments. In Unit 1, students read selections that introduce Black feminist thought and shed light on income disparity. Unit 2 includes readings that examine labor and race relations in American history and culture. The articles in Unit 3 focus on American popular culture and competing standards of beauty. The final unit offers selections that explore the politics of constructions of womanhood, manhood, motherhood, and fatherhood through the lens of the Obama White House. Each reading is supported by pre-reading questions that inspire critical thinking and self-reflection, as well as post-reading questions that challenge deeper analysis concerning issues of power and empowerment. A diverse collection of current scholarship, Intersections is well suited for courses in history, politics, economics, sociology, gender studies, ethnic studies, and popular culture.

American History 2 National Geographic Books

Unit 2 of 1011th Grade Social Studies Students in the eleventh grade study the first Americans, early settlements, and the Colonial Period. Students study the state constitutions, the problem of expansion, the extension of slavery, and women's rights. They learn about The Divided South, The Last Frontier, and the plight of the Indians. Exploring America McGraw-Hill Education

Unlike many other flags, which evolved long after the character of their nations was established, the American flag was born with the Revolution and few if any national emblems have inspired the veneration we accord it.

The American Revolution Considered as a Social Movement W. W. Norton Assembling these figures requires mini-brads and a 1/8-inch hole punch (not

included). Famous Figures of the American Revolution Have fun learning more about American history with jointed paper dolls from the American Revolution! First, cut out the arms, legs, and body parts. Then put them together with a hole punch and mini brads to make a paper doll that moves. Use your imagination to make them move and come to life with the actual stories of the American Revolution. Inspire your child with this fun history craft. Perfect for eager children who want more hands-on activities and love crafts. You can also use them to motivate reluctant learners. Add this American history activity to your homeschool history lesson. Or, have your child make the paper dolls while reading a biography. Another idea is to have your child narrate what they have learned about the puppet. A great hands-on U.S. history project for elementary kids. Make 10 Jointed Paper Dolls from American History The 10 famous people in this book come in two versions: one colored and one to color. The card stock pages make sturdy paper dolls from American history. All costume is from the time of the American Revolution. You may laminate the pages before cutting them out to strengthen them. We label the back of each paper doll with a letter key for easy identification and assembly. Cut out the pieces. Use a 1/8" round hole punch to form a hole at each joint. Finally, place a mini brad through the joint hole and you have a moving historical character! Includes Facts and a Reading List There is a brief description of each person at the beginning of the book, along with a list of books to read aloud. The list of books may be a teaching resource for books to read while your child is making the jointed paper dolls. Or, use the historical paper dolls with biographies, with lap books, as a unit study, on a timeline, or with any American history curriculum. Hours of fun and educational play for hands-on learners. Stand in a thunderstorm with Ben Franklin as he conducts experiments with a kite. Write the Declaration of Independence with Thomas Jefferson. Sew the first American flag with Betsy Ross. Lead the Continental Army with George Washington. Learn while playing with paper dolls from Famous Figures of the American Revolution!

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

U.S. History Puzzles, Book 2 for grades 5 to 8+ reinforces American history with fun, puzzle-based activities that engage students in the learning process. Filled with crosswords, puzzles, word searches, hidden messages, and more, this series provides a fun way to learn about early North American exploration to U.S. involvement in the Middle East and everything in between! --Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, this product line covers a range of subjects including math, science, language arts, social studies, history, government, fine arts, and character.

[Learn about the United States](#) Mark Twain Media

Written when political and military history dominated the discipline, J. Franklin Jameson's *The American Revolution Considered as a Social Movement* was a pioneering work. Based on a series of four lectures he gave at Princeton University in 1925, the short book argued that the most salient feature of the American Revolution had not been the war for independence from Great Britain; it was, rather, the struggle between aristocratic values and those of the common people who tended toward a leveling democracy. American revolutionaries sought to change their government, not their society, but in destroying monarchy and establishing republics, they in fact changed their society profoundly.

Jameson wrote, "The stream of revolution, once started, could not be con.ned within narrow banks, but spread abroad upon the land.?" Jameson's book was among the first to bring social analysis to the fore of American history. Examining the effects the American Revolution had on business, intellectual and religious life, slavery, land ownership, and interactions between members of different social classes, Jameson showed the extent of the social reforms won at home during the war. By looking beyond the political and probing the social aspects of this seminal event, Jameson forced a reexamination of revolution as a social phenomenon and, as one reviewer put it, injected a "liberal spirit" into the study of American history. Still in print after nearly eighty years, the book is a classic of American historiography.

U.S. History Puzzles, Book 2, Grades 5 - 8 Windsor Brass

Explores how the characters and lives of King George III of England and George Washington affected the progress and outcome of the American Revolution.

American History and Geography Through the 50 States Houghton Mifflin College Division

"Designed for middle-school history curriculum, independent study, or tutorial aid, the American History Series provides challenging activities that enable students to explore history, geography, and social studies. Activities include critical thinking, writing, technology, and more. Vocabulary words, time lines, maps, and reading lists are also provided. Meets NCSS standards and is correlated to state, national and Canadian provincial standards." --Publisher.

Self-Learning U. S. History and Geography with Creative Writing and Art Princeton Review

The leading text in the U.S. survey course.

United States History Princeton University Press

The vital resource for grading all assignments from the Christian History: Biographies of Faith course, which includes: Instructional insights enhanced with worksheets and additional readings, all from a Christian perspective. Special projects and bonus activities that provide additional learning experiences as the teacher directs.

OVERVIEW: An exceptional study on faith and leadership that focuses on the U.S. presidents Washington and Jackson, as well as the Christian reformers Knox, Newton, and Luther. Students will discover their influences, struggles, and accomplishments, and take away lessons on the lives of these great leaders. Are great men simply born great or do they make a choice in their life to be something more? Study the lives of these Christian men to discover how they were transformed by their faith, moral values, and pure courage. In this unique course, students will go beyond historical footnotes to really see what has been revealed about their hearts, their fears, and their vision for changing the world as they knew it. An inspiring study designed to encourage students to lead. **FEATURES:** The calendar provides three weekly sessions with clear objectives and worksheets, quizzes, and tests, all based on the readings from the course books.

US Government Unit 2 (RES) American History Study LessonsThe American Pageant

Presents in one volume a history of the United States, with study questions, review sections, practice tests, reading skill exercises, and intermittent brief biographies.

Slavery, Civil War, and Reconstruction, Grades 6 - 12 Thomas Nelson

Although many humanities scholars have been talking and writing about the transition to the digital age for more than a decade, only in the last few years have we seen a convergence of the factors that make this transition possible: the spread of sufficient infrastructure on campuses, the creation of truly massive databases of humanities content, and a generation of students that has never known a world without easy Internet access. Teaching History in the Digital Age serves as a guide for practitioners on how to fruitfully employ the transformative changes of digital media in the research, writing, and teaching of history. T. Mills Kelly synthesizes more than two decades of research in digital history, offering practical advice on how to make best use of the results of this synthesis in the classroom and new ways of thinking about pedagogy in the digital humanities.

[A Study of American Music with the Teaching of American History](#) University of Michigan Press

In this domestic, psychological thriller perfect for fans of *The Silent Patient* and *The Woman in the Window*, one woman wants nothing more than to prove her innocence. But those closest to her will do anything to keep the truth from surfacing. Convicted of a crime she didn't commit, Allie watched a decade of her life vanish—time that can never be recovered. Now, out on parole, Allie is determined to clear her name, rebuild her life, and reconnect with the daughter she barely knows. But Allie's return home shatters the quaint, coastal community of Brunswick,

Georgia. Even her own daughter Caroline, now a teenager, bristles at Allie's claims of innocence. Refusing defeat, a stronger, smarter Allie launches a battle for the truth, digging deeply into the past even if it threatens her parole status, personal safety, and the already fragile bond with family. As her commitment to finding the truth intensifies, what Allie ultimately uncovers is far worse than she imagined. Her own sister has been hiding a dark secret—one that holds the key to Allie's freedom. "Will have you flipping pages late into the night"—Deep South Magazine
