Ray Pennington, a country preacher and pastor, spent many years studying the Word of God, spending many hours reading the writings of different authors of books about the Revelation of Jesus Christ. In 2005 God put a desire in Ray to simply read this great Revelation of Jesus Christ, the Son of God. It was during this year and in a very short period of time that God illuminated Ray's mind concerning this Great Revelation of Jesus Christ and he preached thirty-one sermons as the Holy Spirit inspired him. Through this experience of illumination given by the Holy Spirit Ray realized that we have been given a Teacher that is far above the commentaries of men. This book was not written as a commentary but God given illumination concerning The Revelation of Jesus Christ. Ray and his wife Dolly now reside in Staffordsville, Kentucky.

The following Commentary may perhaps be regarded with the less interest by some readers, as not being founded on a critical examination of the original Text. Perhaps, however, there may also be readers, who are glad to have their attention withdrawn from difficulties, to them insuperable, and fixed on those deep and pervading characteristics, which it is the privilege of holiness to read in the sacred page. Criticism may contradict the interpretation of a sentence, and give a different turn to particulars; but the main scope of the work is founded on principles of a higher order, and involves a perception of truths to which the acutest critic may perchance be blind. The utmost that criticism can do for the study of Holy Writ is to furnish as it were a correct Text for the reading of the spiritual eye. And if there is any Book in the sacred Canon in which the bearing of words is more important than the mere thing said, it is the Book of Job. Aeterna Press

Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God--Is he real? Why are Christians so unlike Jesus? Does he really care about me?--Bruce Bickel and Stan Jantz don't pretend to have all the answers. But they do know how to wrestle with doubt. They welcome questions, and in these pages they ask some of the most important ones you have about God and the Bible. With candor, insight, and a disarming touch of humor, they provide some answers to these critical questions, yet they leave enough space--and grace--for you to keep wrestling, asking, and seeking Truth. There is no shame in asking--after all, even some of the greatest men and women in the Bible had doubts. Don't let your questions go unanswered. What you find might just change your life.

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen" (Matthew 28:19-20). "Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me" (Isaiah 6:8). How do you know God has called you into the ministry? How can you really tell in which area of the ministry he wants you to serve? For many, these can be frustrating and confusing questions. In Answering and Understanding the CALL of God for Your Life, author Chinyere Nwakwue provides guidance in responding to God's call for your life and your life's ministry. Blending her personal experiences with a plethora of scriptural examples, Nwakwue walks you through the process and shows how this calling is a privilege God has given you. In her study, she considers the factors involved in God's calling; the reasons that some people struggle with the call of God; the Bible characters who struggled with answering God's call; the reasons that God called you; the enemies of Christian life who will try to interrupt God's call; and ways to overcome the enemies. Nwakwue communicates that your response to the call of God has significant effects in your life as you run your Christian race. Christ Jesus has called and commanded every individual to preach the gospel to all creatures. Are you ready?

Morals on the Book of Job: Volumes 1 to 3 Harper Collins

Is the Bible historically accurate? Are there any contradictions in the Bible? If we look too closely at the Bible might we find things that will destroy our faith? Should I be afraid that some new archeological discovery will prove the Bible wrong? How much freedom do I have to interpret the Bible? Combining history, Scripture, and an understanding of human nature, Dr. Thompson takes on the difficult questions regarding the Bible and inspiration. He goes beyond the question of whether you can trust the Bible to ask whether you can trust yourself as you study. This unique study of inspiration uses internal evidence from the Bible text, its history, collection, and transmission to look at the way in which God works through prophets and Bible writers. As an experiential lens, he uses the experience of the Seventh-day Adventist community, of which he is a part, and its reception and use of Ellen White as God's messenger. This provides an example of someone who produced an incredible volume of written material in her lifetime, yet maintained a great humility and understood her own spiritual experience as one of growth. However, Inspiration: Hard Questions: Honest Answers is not just for Seventh-day Adventists. The lessons, drawn from the experience of one community, have wide applicability as we look at a range of views on biblical interpretation, experience, tradition, and contemporary claims of a prophetic word. All communities of faith would do well to ask the hard questions addressed in this book and to learn from the history and experience of others. Ultimately, the author is addressing a question that comes to all of us: What is God's will

---

and how can I know it? Can I be certain? To find the answers we need, Dr. Thompson reminds us  
“ We cannot just know Scripture, we have to know God. In this Second Revised Edition, you will find a new “ bridge ” chapter, designed to invite readers outside of the Adventist tradition to join in the conversation, as well as a number of minor updates, and a set of beautiful photographs and drawings inspired by scripture, prepared for this edition by Wanda Thompson. It is not enough to determine how the inspiration of scripture works as a theological tenet or a doctrinal point. Ultimately, for God ’ s Word in scripture to accomplish its mission, we must each be inspired by it as well.
