American Journey, The, Concise Edition, Combined Volume

Pearson

The complete story of American history in one comprehensive middle school program The American Journey is a student-friendly presentation of American history from pre-exploration to the present. Its

unparalleled author team, including National Geographic, ensures accuracy in every detail of the narrative, maps, and charts. This program emphasizes skill development—from reading maps to analyzing primary and secondary sources to exploring the connections between history and geography, economics, government, citizenship, and current events.

The American Journey McGraw-Hill Education This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. This highly visual survey of American history introduces students to the key

features of American political, social, and economic history in an exciting format designed to ignite students passion to know history. The American Journey, Brief Edition provides students with the most support available in reading, thinking, and applying the material they are learning in the text and in lecture. A series of pedagogical aids, in text and out of class study companions, as well as complete instructor presentational and assessment support make this text the perfect choice for those looking to make history come alive for their students. The path that led the authors to The American Journey began in the classroom with their students. The goal of this text is to make American history accessible to students. The key to that goal--the core of the book--is a strong, clear narrative and a positive theme of The American "Journey." American history is a compelling story that the authors tell in an engaging, forthright way, while providing students with an abundance of tools to help them absorb that story and put it into

context. This text combines political and social history, to fit the experience of particular groups into the broader perspective of the American past, to give voice to minor and major players alike, because the history of America is in the stories of its people.

The American Journey McGraw-Hill Education For the first semester of a two semester course or for a freshman/sophomore-level survey courses in U.S. History from the 1600s to the 1900s. The American Journey, a cornerstone series for the U.S. History market, successfully blends the coverage of political and social histories of our great nation throughout the series. With this focus, the authors show that our attempt to live up to our American ideals is an ongoing journey. This journey, while still a work in progress, is increasingly more inclusive of different groups and ideas. The Concise Edition offers a trade-like full color narrative format at an economy price for today's price conscious students.

The American Journey McGraw-Hill Education

The #1 New York Times bestseller From Vice President Kamala Harris, one of America's most inspiring political leaders, a book about the core truths that unite us, and the long struggle to discern what those truths are and how best to act upon them, in her own life and across the life of our country "A life story that genuinely entrances." —Los Angeles Times Vice President Kamala Harris's commitment to

speaking truth is informed by her upbringing. The daughter of immigrants, she was raised in an Oakland, California community that cared deeply about social justice; her parents--an esteemed economist from Jamaica and an admired cancer researcher from India--met as activists in the civil rights movement when they were graduate students at Berkeley. Growing up, Harris herself never hid her passion for justice, and when she became a prosecutor out of law school, a deputy district attorney, she quickly established herself as one of the most innovative change agents in American law enforcement. She progressed rapidly to become the elected District Attorney for San Francisco, and then the chief law enforcement officer of the state of California as a whole. Known for bringing a voice to the voiceless, she took on the big banks during the foreclosure crisis, winning a historic settlement for California's working families. Her hallmarks were applying a holistic, data-driven approach to many of California's thorniest issues, always eschewing stale "tough on crime" rhetoric as presenting a series of false choices. Neither "tough" nor "soft" but smart on crime became her mantra. Being

smart means learning the truths that can make us better as a community, and supporting those truths with all our might. That has been the pole star that guided Harris to a transformational career as the top law enforcement official in California, and it is guiding her now as a transformational United States Senator, grappling with an array of complex issues that affect her state, our country, and the world, from health care and the new economy to immigration, national security, the opioid crisis, and accelerating inequality. By reckoning with the big challenges we face together, drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, Kamala Harris offers in *THE TRUTHS WE HOLD* a master class in problem solving, in crisis management, and leadership in challenging times. Through the arc of her own life, on into the great work of our day, she communicates a vision of shared struggle, shared purpose, and shared values. In a book rich in many home truths, not least is that a relatively small number of people work very hard to convince a great many of us that we have less in common than we actually do, but it falls to us to look

past them and get on with the good work of living our common truth. When we do, our shared effort will continue to sustain us and this great nation, now and in the years to come.

The American Journey Prentice Hall Reading Essentials and Note-Taking Guide combines a concise version of the textbook with structured two-column, note-taking support, helps differentiate instruction.

American Journey McGraw-Hill Education Written in a clear, engaging style with a straightforward chronological organization, *The American Journey* introduces readers to the key features of American political, social, and economic history. This new edition focuses more closely on the theme of the American journey, showing that our attempt to live up to and with our ideals is an ongoing process that has become ever more inclusive of different groups and ideas. Covering the period of Reconstruction after the Civil War to the present, and including the events of 9/11/2001, prominent coverage is given to politics, religion and the Great Wars. Hundreds of maps, graphs, and illustrations help readers absorb history and bring it to life. For those interested in a comprehensive study of post-Civil War U.S. history that is presented in a flowing, lively narrative.
