A Novel The American Pageant
Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

Race After Technology Cengage Learning
Sharon M. Draper presents “storytelling at its finest” (School Library Journal, starred review) in this New York Times bestselling Depression-era novel about a young girl who must learn to be brave in the face of violent prejudice when the Ku Klux Klan reappears in her segregated southern town. Stella lives in the segregated South—in Bumblebee, North Carolina, to be exact about it. Some stores she can go into. Some stores she can’t. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn’t bothered them for years. But one late night, later than she should ever be up, much less wandering around outside, Stella and her little brother see something they’re never supposed to see, something that is the first flicker of change to come, unwelcome change by any stretch of the imagination. As Stella’s community—her world—is upended, she decides to fight fire with fire. And she learns that ashes don’t necessarily signify an end.

Everything Your American History Textbook Got Wrong Grand Central Publishing
Raymie Clarke has come to realize that everything, absolutely everything, depends on her. And she has a plan. If Raymie can win the Little Miss Central Florida Tire competition, then her father, who left town two days ago with a dental hygienist, will see Raymie's picture in the paper and (maybe) come home. But as the competition approaches, loneliness, loss, and unanswerable questions draw Raymie and some of the other contestants into an unlikely friendship and challenge each of them to come to the rescue in unexpected ways.

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “ Contending Voices, ” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1 – 41); Volume 1: To 1877 (Chapters 1 – 22); Volume 2: Since 1865 (Chapters 22 – 41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Abolitionist Tools for the New Jim Code Cengage Learning
Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the, workplace. Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981,

features insightful analysis of the most important events in our history. Revised, updated, and featuring a new after, word by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.
The Problems of Peace John Wiley & Sons
From bestselling, Printz Award-winning author Libba Bray, the story of a plane of beauty pageant contestants that crashes on a desert island. Teen beauty queens. A "Lost"-like island. Mysteries and dangers. No access to email. And the spirit of fierce, feral competition that lives underground in girls, a savage brutality that can only be revealed by a journey into the heart of non-exfoliated darkness. Oh, the horror, the horror! Only funnier. With evening gowns. And a body count.

Winner of the American Book Award Based on the author's own experiences, this award-winning novel was the first to tell the story of the evacuation, relocation, and dispersal of Canadian citizens of Japanese ancestry during the Second World War.
American Pageant Candlewick Press
President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America ’ s foremost deal-maker. “ I like thinking big. I always have. To me it ’ s very simple: If you ’ re going to be thinking anyway, you might as well think big. ” —Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker ’ s art. And throughout, Trump talks—really talks—about how he does it.
Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “ Trump makes one believe for a moment in the American dream again. ” —The New York Times “ Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet. ” —Chicago Tribune “ Fascinating . . . wholly absorbing . . . conveys Trump ’ s larger-than-life demeanor so vibrantly that the reader ’ s attention is instantly and fully claimed. ” —Boston Herald “ A chatty, generous, chutzpa-filled autobiography. ” —New York Post

"A compelling and well-annotated tale of greed, slaughter and geopolitics." —Los Angeles Times
As Henry Hudson sailed up the broad river that would one day bear his name, he grew concerned that his Dutch patrons would be disappointed in his failure to find the fabled route to the Orient. What became immediately apparent, however, from the Indians clad in deer skins and "good furs" was that Hudson had discovered something just as tantalizing. The news of

Hudson's 1609 voyage to America ignited a fierce competition to lay claim to this uncharted continent, teeming with untapped natural resources. The result was the creation of an American fur trade, which fostered economic rivalries and fueled wars among the European powers, and later between the United States and Great Britain, as North America became a battleground for colonization and imperial aspirations. In *Fur, Fortune, and Empire*, best-selling author Eric Jay Dolin chronicles the rise and fall of the fur trade of old, when the rallying cry was "get the furs while they last." Beavers, sea otters, and buffalos were slaughtered, used for their precious pelts that were tailored into extravagant hats, coats, and sleigh blankets. To read *Fur, Fortune, and Empire* then is to understand how North America was explored, exploited, and settled, while its native Indians were alternately enriched and exploited by the trade. As Dolin demonstrates, fur, both an economic elixir and an agent of destruction, became inextricably linked to many key events in American history, including the French and Indian War, the American Revolution, and the War of 1812, as well as to the relentless pull of Manifest Destiny and the opening of the West. This work provides an international cast beyond the scope of any Hollywood epic, including Thomas Morton, the rabble-rouser who infuriated the Pilgrims by trading guns with the Indians; British explorer Captain James Cook, whose discovery in the Pacific Northwest helped launch America's China trade; Thomas Jefferson who dreamed of expanding the fur trade beyond the Mississippi; America's first multimillionaire John Jacob Astor, who built a fortune on a foundation of fur; and intrepid mountain men such as Kit Carson and Jedediah Smith, who sliced their way through an awe inspiring and unforgiving landscape, leaving behind a mythic legacy still resonates today. Concluding with the virtual extinction of the buffalo in the late 1800s, *Fur, Fortune, and Empire* is an epic history that brings to vivid life three hundred years of the American experience, conclusively demonstrating that the fur trade played a seminal role in creating the nation we are today.

Negotiating Agreement Without Giving in Penguin
NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A "majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.
