**No Cross, No Crown** Whitaker House

This volume deals with the varied forms of shame reflected in biblical, theological, psychological and anthropological sources. Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior, recent scholarship has discovered the crucial relevance of social shame evoked by mental status, adversity, slavery, abuse, illness, grief and defeat.

Anthropologists, sociologists, and psychologists have discovered that unresolved social shame is related to racial and social prejudice, to bullying, crime, genocide, narcissism, post-traumatic stress and other forms of toxic behavior. Eleven leaders in this research participated in a conference on The Shame Factor, sponsored by St. Mark's United Methodist Church in Lincoln, NE in October 2010. Their essays explore the impact and the transformation of shame in a variety of arenas, comprising in this volume a unique and innovative resource for contemporary religion, therapy, ethics, and social analysis.

Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she also was a human being--a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn. In *Walking with Mary*, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. "This book is the fruit of my personal journey of studying Mary through the Scriptures,

from her initial calling in Nazareth to her painful experience at the cross," writes Edward Sri "It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God." He add, "It is my hope, therefore, that whether you are of a Catholic, Protestant, or other faith background, this book may help you to know, understand, and love Mary more, and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith."

Millions Deceived in a Secret Cult A former "Worshipful Master" of a Masonic lodge, Jack Harris authoritatively speaks about one of

the most deceptive cults in the United States today. This secret organization has entangled ministers, elders, deacons, trustees, Sunday school teachers, and people all over the world in a web of lies and satanic rituals--all of which are veiled with the language of the Bible! Revealed in this book are... The origins and history of Freemasonry Its basic doctrines and goals The secret of passwords and oaths The "supreme Masonic word" The satanic symbolism and rituals Freemasonry is a false religion. It teaches that men can approach God, not through the finished work of Jesus Christ, but through their own abilities. Discover how you can share the light of Christ with those living in the darkness of Freemasonry, and how they can be set free from its deception.
