All the Men of the Bible Thomas Nelson Inc

We are living in a time of monumental change. Countless numbers of ordinary people, men and women from all walks of life, are joining forces to challenge the direction our national leaders are now taking us. Washington's idea of change has failed, and most Americans are now frustrated, disappointed, and angry. The result is a long list of offenses, both perceived and real, that can easily set off a chain reaction that quickly becomes irreversible. And in the right environment, the situation can be explosive. It is easy to see that many of the identical social and religious provocations that spurred the colonists

---

toward the First American Revolution are present today, inspiring a new generation to seek what the Founders called "a new birth of freedom." Signs are pointing to the fact that we are now standing on the threshold of a new American revolution, not with muskets and cannon balls this time but a revolution conscience, morality, and honor, dedicated to responsible social, moral, and political reforms, demanding change from the socialistic direction our political, judicial, and intellectual leaders have been taking us. The Coming Revolution draws from the wellspring of America's powerful past to reveal a nation of people who, under the hand of Divine Providence, will once again fight and win the coming battle for personal and national freedom.

Omnibus III Thomas Nelson Publishers

Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she also was a human being--a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn. In *Walking with Mary*, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. "This book is the fruit of my personal

journey of studying Mary through the Scriptures, from her initial calling in Nazareth to her painful experience at the cross," writes Edward Sri "It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God." He add, "It is my hope, therefore, that whether you are of a Catholic, Protestant, or other faith background, this book may help you to know, understand, and love Mary more, and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith."

Apply the Word Study Bible Thomas Nelson Publishers

teachings of the Bible and includes a beautiful full-color family record section, memorable images from our nation's history and hundreds of enlightening articles which complement the New King James Version Bible text.

*Quotations in the New Testament* The American Patriot's Bible, NKJV

The Africa Bible Commentary is a unique publishing event—the first one-volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors, students, and lay leaders. Interpreting and applying the Bible in the light of African culture and realities, it furnishes powerful and relevant insights into the biblical text that transcend Africa in their significance. The Africa Bible Commentary gives a section-by-section interpretation that provides a contextual, readable, affordable, and immensely useful guide to the entire Bible. Readers around the world will benefit from and appreciate the commentary's fresh insights and direct style that engage both heart and mind. Key features:

- Produced by African biblical scholars, in Africa, for Africa—and for the world
- Section-by-section interpretive commentary and application
- More than 70 special articles dealing with topics of key importance in to ministry in Africa today, but that have global implications
- 70 African contributors from both English- and French-speaking countries
- Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide

*The Healing Touch of Jesus* Rose Publishing Inc  
What an incomparable gift Lee Greenwood gave us with 'God Bless the U.S.A', a song ingrained in America's soul. It endures as one of the most loved patriotic songs of the last century. This legendary, award-winning country music artist now offers personal insights into America's challenges and her future in his book, *Does God Still Bless the U.S.A.* The book calls for citizens to embrace an authentic patriotism while pointing out problems that simply should not be happening in our country. When our ancestors landed in America, they believed their 'inalienable' rights came from a God who loved them and blessed them with the opportunity to establish a new nation. Unapologetically, Lee urges

the return to faith and the founding principles that have proven to be the strength of our civilization. Each chapter illuminates areas essential for maintaining our freedom, prosperity, and safety. Lee Greenwood believes America is at a crossroads and people are wanting someone to tell the truth. Here it is...

*Africa Bible Commentary* Thomas Nelson
