Mary Oliver, winner of the Pulitzer Prize, celebrates love in her new collection of poems I have any secret stash of poems, anywhere, it might be about love, not anger, " Mary Oliver once said in an interview. Finally, in her stunning new collection, Felicity, we can immerse ourselves in Oliver's love poems. Here, great happiness abounds. Our most delicate chronicler of physical landscape, Oliver has described her work as loving the world. With Felicity she examines what it means to love another person. She opens our eyes again to the territory within our own hearts; to the wild and to the quiet. In these poems, she describes-with joy-the strangeness and wonder of human connection. As in Blue Horses, Dog Songs, and A Thousand Mornings, with Felicity Oliver honors love, life, and beauty.

Wild Geese Penguin

Never afraid to shed the pretense of academic poetry, never shy of letting the power of an image lie in unadorned language, Mary Oliver offers us poems of arresting beauty that reflect on the power of love and the great gifts of the natural world. Inspired by the familiar lines from William Wordsworth, "To me the meanest flower that blows can give / Thoughts that do often lie too deep for tears," she uncovers the evidence presented to us daily by nature, in rivers and stones, willows and field corn, the mockingbird's "embellishments," or the last hours of darkness.

For poet Mary Oliver, nature is full of mystery and miracle. From the excitation of birds in the sky to the flowers and plants that are "the simple garments" of the earth, the natural world is her text of both the earth's changes and its permanence. In Blue Iris, Mary Oliver collects ten new poems, two dozen of her poems written over the last two decades, and two previously unpublished essays on the beauty and wonder of plants. The poet considers roses, of course, as well as poppies and peonies; lilies and morning glories; the thick-bodied black oak and the fragrant white pine; the tall sunflower and the slender bean. James Dickey has said of her, "Far beneath the surface-flash of linguistic effect, Mary Oliver works her quiet and mysterious spell. It is a true spell, unlike any other poet's, the enchantment of the true maker." In Blue Iris, she has captured with breathtaking clarity the true enchantment and mysterious spell of flowers and plants of all sorts and their magnetic hold on us. From the Hardcover edition.

Trials & Tremors Houghton Mifflin Harcourt

One of O, The Oprah Magazine 's Ten Best Books of the Year The New York Times bestselling collection of essays from beloved poet, Mary Oliver. "There's hardly a page in my copy of Upstream that isn't folded down or underlined and scribbled on, so charged is Oliver's language . . . " — Maureen Corrigan, NPR 's Fresh Air "Uniting essays from Oliver's previous books and elsewhere, this gem of a collection offers a compelling synthesis of the poet 's thoughts on the natural, spiritual and artistic worlds . . . " —The New York Times " In the beginning I was so young and such a stranger to myself I hardly existed. I had to go out into the world and see it and hear it and react to it, before I knew at all who I was, what I was, what I wanted to be. " So begins Upstream, a collection of essays in which revered poet Mary Oliver reflects on her willingness, as a young child and as an

adult, to lose herself within the beauty and mysteries of both the natural world and the world of literature. Emphasizing the significance of her childhood "friend" Walt Whitman, through whose work she first understood that a poem is a temple, "a place to enter, and in which to feel, " and who encouraged her to vanish into the world of her writing, Oliver meditates on the forces that allowed her to create a life for herself out of work and love. As she writes, "I could not be a poet without the natural world. Someone else could. But not me. For me the door to the woods is the door to the temple. " Upstream follows Oliver as she contemplates the pleasure of artistic labor, her boundless curiosity for the flora and fauna that surround her, and the responsibility she has inherited from Shelley, Wordsworth, Emerson, Poe, and Frost, the great thinkers and writers of the past, to live thoughtfully, intelligently, and to observe with passion. Throughout this collection, Oliver positions not just herself upstream but us as well as she encourages us all to keep moving, to lose ourselves in the awe of the unknown, and to give power and time to the creative and whimsical urges that live within us.

Forty poems deal with the bonds between people and the natural world, the writing experience, and the importance of silence

The Selected Poems of Mary Oliver Beacon Press

"The popularity of [Dog Songs] feels as inevitable and welcome as a wagging tail upon homecoming. " —The Boston Globe Mary Oliver's Dog Songs is a celebration of the special bond between human and dog, as understood through the poet 's relationships to the canines that have accompanied her daily walks, warmed her home, and inspired her work. Oliver 's poems begin in the small everyday moments familiar to all dog lovers, but through her extraordinary vision, these observations become higher meditations on the world and our place in it. Dog Songs includes visits with old friends, like Oliver 's beloved Percy, and introduces still others in poems of love and laughter, heartbreak and grief. Throughout, the many dogs of Oliver 's life merge as fellow travelers and as guides, uniquely able to open our eyes to the lessons of the moment and the joys of nature and connection.
