THE AMERICAN
REVOLUTION HAS
BEGUN—AND RUSH
REVERE, LIBERTY THE
HORSE, AND THE TIME-
TRAVELING CREW ARE
READY TO RIDE INTO THE
ACTION! Join us on this

incredible time-travel adventure! Liberty, my wisecracking horse, our old friends Cam, Tommy, Freedom, and I are off to meet some super-brave soldiers in the year 1775. Yep, that 's right. We ' ll be visiting with the underdog heroes who fought for American independence, against all odds—and won! But not before eight very real years of danger and uncertainty. Be a part of Rush Revere ' s crew as we rush, rush, rush into a time when British rule had become a royal pain, and rebellion was in the air. We ' ll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and grapple with danger at the battles of Lexington, Concord, and Bunker Hill. The extra special part of this trip is that right here in the twenty-first century, Cam ' s dad is a soldier fighting in Afghanistan, and Cam has been pretty angry that he is away. Visiting with exceptional American heroes like Dr. Joseph Warren and George Washington, racing along after Paul Revere on his midnight ride, and seeing the

Declaration of Independence signed make Cam see his own dad in a new and special way. But don ' t worry. Along with the danger, excitement, and patriotism, there will still be time to stop for a delicious spinach, oats, and alfalfa smoothie. No, wait—that one ' s for Liberty. The kids and I voted for strawberries. Now let ' s open the magic portal to the past!

A Tale of Two Cities Illustrated
Faith Sheptoski-
Forbush
Explores how the characters and lives of King George III of England and George Washington affected the progress and outcome of the American Revolution.

How the Revolutionary War Began CreateSpace
Tim Euston was willing to risk his life for his nation's

independence and his opportunity came when a murder led him into a dangerous involvement with smugglers and spies. It was 1777, the end of the second year of the American Revolution, and the town of Yonkers was on the Neutral Ground - the no man's land that separated the British on Manhattan Island from the Americans to the north. On a cold January night, Tim Euston was thrown in jail - accused of robbery by the man who had his hands on Tim's fourteen-year-old sister, Sadie. Two days later the only adult who could testify to Tim's innocence was found dead. Testimonies of friends were enough to get Tim out of jail but the father of one of these boys was wrongfully convicted. Who was the real killer? Those with motives had alibis, and many just did not

care. Both the man killed and the man punished were poor and powerless. But Tim Euston cared. They were his friends. Tim wanted justice and he would keep looking until the real killer was identified.

Tim Curious Houghton Mifflin College Division Bestselling author Lauren Tarshis tackles the American Revolution in this latest installment of the groundbreaking, New York Times bestselling *I Survived* series.

The Myth of Sisyphus and *the Stranger* by Albert Camus Booksurge Publishing

Learning to Read: New Testament Stories is designed for children, homeschoolers, or ESL learners who will improve their reading skills with new vocabulary words. They

will also enjoy reading this book, either as bedtime stories or just for fun. The companion activity book, *Learning to Read: New Testament Stories Study Guide*, provides useful practice activities and exercises for each story. Together they will enhance your reading development experience. About the Author Faith Sheptoski-Forbush is a veteran school teacher, reading specialist, and blog writer with a master's degree in reading. Faith, together with her family, enjoys wholesome entertainment, travel and outdoor recreation. For free educational resources follow us on Facebook and Twitter, or visit us at ChristiansForever.com. A Tale of Two Cities

(1859) is a historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel tells the story of the French Doctor Manette, his 18-year-long imprisonment in the Bastille in Paris and his release to live in London with his daughter Lucie, whom he had never met. The story is set against the conditions that led up to the French Revolution and the Reign of Terror.

medical science textbook or taken an exam for years was able to ace the USMLE Step 1 with a score of 99/256 by using proven and effective study methods that increase your ability to memorize, retain and recall information faster ... how to create a study plan for the USMLE that will eliminate the guesswork and mistakes from your prep and ensure you will prep correctly and efficiently from the start without wasting time and knowing for certain that you will do well in the exam. how hundreds of people since 2009, some having failed multiple times before, who have

enrolled in my prep course have used my method to pass this exam and even ace it. When you buy *How to Master the USMLE Step 1* and follow all the principles and study methods described in this book, be confident that you are studying in the most efficient and effective way possible to get a good score in the USMLE Step 1. Do it Once. Do it Right. Get it Over With. Master the USMLE Step 1. Reigniting Your Joy After Any Loss Scholastic Press The American Revolution Reader is a collection of leading essays on the American revolutionary era from the eve of the imperial crisis through

George Washington's presidency. Articles have been chosen to represent classic themes, such as the British-colonial relationship during the eighteenth century, the political and ideological issues underlying colonial protests, the military conflict, the debates over the Constitution, and the rise of political parties. The volume also captures how the field has been reshaped in recent years, including essays that cover class strife and street politics, the international context of the Revolution, and the roles of women, African Americans and Native Americans, as well as the reshaping of the

British Empire after the war. With essays by Gordon S. Wood, Mary Beth Norton, T.H. Breen, John M. Murrin, Gary B. Nash, Woody Holton, Rosemarie Zagarri, John Shy, Alan Taylor, Maya Jasanoff, and many other prominent historians, the collection is ideal for classroom use and any student of the American Revolution. The American Pageant Standard Ebooks The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! [History National Geographic Books During the Revolution, Phoebe Fraunces has a chance to save the life of General George Washington while he has dinner at Mortier House in New York City. I Survived the American Revolution, 1776 \(I Survived #15\) CreateSpace Average Americans Were the True Framers of the Constitution Woody Holton upends what we think we know of the Constitution's origins by telling the history of the average Americans who challenged the framers of the Constitution and forced on them the revisions that produced the document we now](#)

venerate. The framers who gathered in Philadelphia in 1787 were determined to reverse America's post – Revolutionary War slide into democracy. They believed too many middling Americans exercised too much influence over state and national policies. That the framers were only partially successful in curtailing citizen rights is due to the reaction, sometimes violent, of unruly average Americans. If not to protect civil liberties and the freedom of the people, what motivated the framers? In *Unruly Americans and the Origins of the Constitution*, Holton provides the startling

discovery that the primary purpose of the Constitution was, simply put, to make America more attractive to investment. And the linchpin to that endeavor was taking power away from the states and ultimately away from the people. In an eye-opening interpretation of the Constitution, Holton captures how the same class of Americans that produced Shays's Rebellion in Massachusetts (and rebellions in damn near every other state) produced the Constitution we now revere. *Unruly Americans and the Origins of the Constitution* is a 2007

National Book Award
Finalist for Nonfiction.

The American Revolution
Oxford University Press
NEW YORK TIMES

BESTSELLER “ An elegant
synthesis done by the
leading scholar in the field,
which nicely integrates the
work on the American
Revolution over the last
three decades but never
loses contact with the
older, classic questions
that we have been arguing
about for over two hundred
years. ” —Joseph J. Ellis,
author of *Founding*

Brothers A magnificent
account of the revolution in
arms and consciousness
that gave birth to the
American republic. When
Abraham Lincoln sought to
define the significance of
the United States, he
naturally looked back to
the American Revolution.
He knew that the
Revolution not only had
legally created the United
States, but also had

produced all of the great
hopes and values of the
American people. Our
noblest ideals and
aspirations-our
commitments to freedom,
constitutionalism, the well-
being of ordinary people,
and equality-came out of
the Revolutionary era.

Lincoln saw as well that the
Revolution had convinced
Americans that they were a
special people with a
special destiny to lead the
world toward liberty. The
Revolution, in short, gave
birth to whatever sense of
nationhood and national
purpose Americans have
had. No doubt the story is a
dramatic one: Thirteen
insignificant colonies three
thousand miles from the
centers of Western
civilization fought off
British rule to become, in
fewer than three decades, a
huge, sprawling,
rambunctious republic of
nearly four million citizens.
But the history of the
American Revolution, like

the history of the nation as a whole, ought not to be viewed simply as a story of right and wrong from which moral lessons are to be drawn. It is a complicated and at times ironic story that needs to be explained and understood, not blindly celebrated or condemned. How did this great revolution come about? What was its character? What were its consequences? These are the questions this short history seeks to answer. That it succeeds in such a profound and enthralling way is a tribute to Gordon Wood ' s mastery of his subject, and of the historian ' s craft.

Based on a true incident
that happened to one of
the author ' s ancestors,
Katie ' s Trunk gives an
unusual and arresting
glimpse of the
beginnings of the
American Revolution.
Katie could feel it in the
air—something was
wrong. Neighbors didn ' t

speak to each other anymore, and someone even hissed “ Tory! ” at her. All around Katie, men were arming themselves for war. Then one day it happened—the rebels came! Katie ’ s father told the family to hide in the woods. At first Katie obeyed, but as she crouched in the underbrush she got mad and ran back to defend her home. It wasn ’ t right for people to treat one another this way. But what could one little girl do about it?

How to Master the USMLE Step 1 The Capitol Net Inc

In recent years historians of the American Revolution have become increasingly convinced that political ideas, rather than material interests, were what

ultimately led American colonists to fight for independence from Great Britain. During the years preceding the Revolution, Americans explained their resistance to British rule in principled terms. They understood liberty to be something real, valuable, and seriously threatened by British actions that were not merely impolitic but fundamentally unjust. American statesmen contended that certain basic principles had to rule governments, and they developed careful, complex arguments to persuade others, in the colonies and in Britain, that the British government was violating these principles to an extent that prudent, well-informed citizens could not allow. The American Revolution and the

Politics of Liberty is a systematic account of the political thought of the leaders of the American Revolution. In his first six chapters, Robert H. Webking analyzes in turn the ideas of James Otis, Patrick Henry, John Dickinson, Samuel Adams, John Adams, and Thomas Jefferson. Webking examines the political contributions of each of these men and explicates the assumptions and implications of their arguments against the British. He explains their ideas about the goals of American politics, the methods that ought to be used to reach those goals, and the circumstances that would make revolution just and prudent. In the ensuing chapters Webking presents an overview of the political thought behind the American Revolution based on his analysis of these six political leaders. He addresses the average colonial American's level of political sophistication, the American conception of liberty and its importance, and the American perception of the British threat to that liberty. The thinkers that Webking studies are recognized now, as they were in their time, as the major figures in American Revolutionary thought. The principles that they discussed, refined, and implemented continue to serve as the foundation for American government. The American Revolution and the Politics of Liberty offers a complete and sophisticated understanding of the

contribution these leaders
made to American
politics.
