So Pop tells Cal something he never knew before: Pop is actually a Creek Indian, which means Cal is too. And Pop has decided to send Cal to a government boarding school for Native Americans in Oklahoma called the Challagi School. At school, the other Creek boys

A stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American and "illuminates the lives behind the current debates about Latino immigration" (The New York Times Book Review). When

fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these

star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America.

incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's *Unbroken* and the upcoming *Unbroken: Path to*

Redemption. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd

been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of

Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Marvelous . . . *Unbroken* is wonderful twice over, for the

tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety.”—Newsweek story in the grip of the one “Moving and, yes, inspirational . . . [Laura] Hillenbrand’s unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time.”—Maureen Corrigan, *Fresh Air* “Hillenbrand . . . tells [this] story with cool elegance but at a thrilling

sprinter’s pace.”—Time “Unbroken is too much book to hope for: a hellride of a writer who can handle it.”—Christopher McDougall, author of *Born to Run* **The Hole in Our Gospel 10th Anniversary Edition** UNC Press Books
The American English Compendium is a fun way to explore the nuances of the English language—learn that a group of lions is called a pride; a group of whales, a pod; and a group of owls, a parliament. Distinguish between a quack and a shyster. Learn that “tabling a motion” in a U.S. court has an

opposite meaning from the same term in England. This book picks up where other language dictionaries leave off: it includes common proverbs, a sampling of American English versus British English, popular American expressions and slang, acronyms, and varied information on everything from wildlife to currency. In this new edition, the staples have been updated and fresh chapters have been added, with information on pronunciation, oddball English words, and even some of the new Internet terminology, including Twitterspeak.

Hole in Our Gospel. Is our faith only about going to church, studying the Bible, and avoiding the most serious sins? Or does God expect more? Have we embraced the whole gospel or a gospel with a hole in it? More than twenty years ago, Rich Stearns came face-to-face with that question as he sat in a mud hut in Rakai, Uganda, listening to the heartbreaking story of an orphaned child. Stearns's journey took much more than a long flight to Africa. It took answering God's call on his life, a call

that tore him out of his corner office at one of America's most prestigious corporations, to walk with the poorest of the poor in our world. Stearns's compelling story demonstrates that the whole gospel was always meant to be a world-changing social revolution, a revolution that begins with each one of us.
