Over the centuries, the characterization of early American figures, legislation and party platforms has been debated. The author seeks to clarify often unanswered--or ignored--questions about notable figures, sociopolitical movements and their positions on slavery. From early legislation like the

To save America and the world, Conservatives must first answer this one very important question: Why do the vast majority of Christian African Americans vote for the Atheist/Anti-Christian, Liberal Democrat Party? This book answers that question. Why is this important? The answering of this question and the implementation of

the suggested remedies will greatly improve America's chances of ushering in an enlightened era of freedom and prosperity, while critically damaging its primary source of evil: The Democrat Party. This evil party could not survive without 90% of Christian American vote. Conservatives wonder: Why would African Americans forsake their children, spouses, communities, lives, freedom and GOD for the Democrat Party? Presently, Democrats control every Black ghetto, every failing Black school, every drug corner and every prison in America. Amazingly, the majority of African Americans love them for it. Why? This book explains it. This book argues that falsely accused White Christian conservatives have nothing more for which to apologize. Despite slanderous accusations of racism and hatred, this book reassures Conservatives, and encourages them to press forward. The real oppressors are now unmasked. To control African Americans during and after the Civil Rights Movement, White Democrats organized and formed an unholy alliance with most Black preachers, Black civic organizers and Black politicians. I call this trifecta the "Iron Triangle." It has worked perfectly. This book exposes the greatest continuous betrayal in history: The betrayal of America in general, and of Black America in particular by the Democrat Party and the Iron Triangle. It utilizes lessons and

anecdotes from my life experiences gospel of Jesus Christ is in the Jim Crow South, in the Black poisonous, racial reconciliation is church, as a correctional officer, catastrophic, and atheism is leading civic organizations, and necessary. *The Americans* Psychology Press Uncover the lives of thirteen African-Americans who fought during the Revolutionary War. Even as American Patriots fought for independence from British rule during the Revolutionary War, oppressive conditions remained in place for the thousands of enslaved and free African Americans living in this country. But African Americans took up their own fight for freedom by joining the British and American armies; preaching, speaking out, and writing about the evils of slavery; and establishing settlements in Nova Scotia and Africa. The thirteen stories
