Times of crisis call for revolutionary leadership. What better model could we have for courage and creativity under fire than those who found themselves in positions of leadership during the American Revolutionary War? Men and women, famous and obscure, of European and African descent--the leaders of the revolution faced outrageous odds and dire consequences should they fail. Yet they stuck to their principles, winning the most unlikely of victories and not only shaping a new country but reshaping the world. Now Pat Williams helps you apply their genius to your sphere of influence. Through the remarkable stories of more than 25 leaders of the American Revolution, you'll discover fresh insight into how great leaders are formed, refined, tested, and strengthened. As Thomas Paine wrote, "We have it in our power to begin the world over again." Let Pat Williams show you how to lead in our day with revolutionary courage, confidence, and a serving heart.

Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter – cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means "family" in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. Home of the Brave is a 2008 Bank Street - Best Children's Book of the Year.

More than a history of Western movies, The American West on Film intertwines film history, the history of the American West, and American social history into one unique volume. The American West on Film chronicles 12 Hollywood motion pictures that are set in the post – Civil War American West, including The Ox-Bow Incident, Red River, High Noon, The Searchers, The Magnificent Seven, Little Big Man, and Tombstone. Each film overview summarizes the movie's plot, details how the film came to be made, the critical and box-office reactions upon its release, and the history of the time period or actual event. This is followed by a comparison and contrast of the filmmakers' version of history with the facts, as well as an analysis of the film's significance, then and now. Relying on contemporary accounts and historical analysis as well as perspectives from filmmakers, historians, and critics, the author describes what it took to get each movie made and how close to the historical truth the movie actually got. Readers will come away with a better understanding of how movies often reflect the time in which they were made, and how Westerns can offer provocative social commentary hidden beneath old-fashioned "shoot-em-ups."

In 1904 the city of Baltimore was almost destroyed by fire. Hundreds of firemen, policemen, soldiers, and citizens battled the blaze for three days. The disaster brings out the best in man

and the bravest of deeds, but one hero stands head and shoulders above all...literally. Goliath is a fire horse assigned to Engine Company 15. He is massive in size and mighty in heart and steadfastness. To the men of Engine Company 15, Goliath is the ultimate fire horse. He is the lead horse for the team assigned to pulling the mammoth Hale Water Tower No. 1. When the fire alarm sounds, calling them to action, Goliath leads his team into the blaze. Soon his lifesaving actions will lead him into the pages of history. Masterful artwork from acclaimed illustrator Troy Howell brings this true story to pulse-pounding life. Educator Claudia Friddell says of her work researching Goliath, "It was a privilege to meet and interview firefighters and fire historians about the Baltimore Fire of 1904." Goliath is her first children's book. Claudia lives in Baltimore, Maryland. Artist Troy Howell has had a prolific career as a children's book illustrator with countless books to his credit, including The Secret Garden, The Ugly Duckling, and Favorite Greek Myths. He received his formal art education from the Art Center in Los Angeles and the Illustrators' Workshops in New York. Troy lives in Falmouth, Virginia.  
The African American Press in World War II Simon and Schuster  
Black journalists have vigorously exercised their First Amendment right since the founding of Freedom's Journal in 1827. World War II was no different in this regard, and Paul Alkebulan argues that it was the most important moment in the long history of that important institution. American historians have often postulated that WWII was a pivotal moment for the modern civil rights movement. This argument is partially based on the pressing need to convincingly appeal to the patriotism and self-interest of black citizens in the fight against fascism and its racial doctrines. This appeal would have to recognize long standing and well-known grievances of African Americans and offer some immediate resolution to these problems, such as increased access to better housing and improved job prospects. 230 African American newspapers were prime actors in this struggle. Black editors and journalists gave a coherent and organized voice to the legitimate aspirations and grievances of African Americans for decades prior to WWII. In addition, they presented an alternative and more inclusive vision of democracy. The African American Press in World War II: Toward Victory at Home and Abroad shows how they accomplished this goal, and is different from other works in this field because it interprets WWII at home and abroad through the eyes of a diverse black press. Alkebulan shows the wide ranging interest of the press prior to the war and during the conflict. Labor union struggles, equal funding for black education, the criminal justice system, and the Italian invasion of Ethiopia were some of subjects covered before and during the war. Historians tend to write as if the African American press was ideologically homogenous, but, according to Alkebulan, this is not the case. For example, prior to the war, African American journalists were both sympathetic and opposed to Japanese ambitions in the Pacific. A. Philip Randolph's socialist journal The Messenger accurately warned against Imperial Japan's activities in Asia during WWI. There are other instances that run counter to the common wisdom. During World War II the Negro Newspaper Publishers Association not only pursued equal rights at home but also lectured blacks (military and civilian) about the need to avoid any behavior that would have a negative impact on the public image of the civil rights movement. The African American Press in World War II explores press coverage of international affairs in more depth than similar works. The African American press tended to conflate the civil rights movement with the anti-colonial struggle taking place in Africa, Asia, and the Caribbean. Alkebulan demonstrates how George Padmore and W.E.B. Du Bois were instrumental in this trend. While it heightened interest in anti-colonialism, it also failed to delineate crucial differences between fighting for national independence and demanding equal citizenship rights in one's native land.

Knowledge about one ' s linguistic background, especially when it is different from mainstream varieties, provides a basis for identity and self. Ancestral values can be upheld, celebrated, and rooted further in the consciousness of its speakers. In the case of African American Vernacular English (AAVE) the matter is not straightforward and, ultimately, the social implications its speakers still face today are unresolved. Through detailed analysis of the four building blocks phonology, morphology, syntax, and vocabulary, Sophia Huber tries to trace the development of AAVE as a literary dialect. By unearthing in what ways AAVE in its written form is different from the spoken variety, long established social stigmata and stereotypes which have been burned into the consciousness of the USA through a (initially) white dominated literary tradition will be exposed. Analysing fourteen novels and one short story featuring AAVE, it is the first linguistic study of this scope.

New York Times bestselling adult author of The Bear and the Nightingale makes her middle grade debut with a creepy, spellbinding ghost story destined to become a classic. Now in paperback. After suffering a tragic loss, eleven-year-old Ollie who only finds solace in books discovers a chilling ghost story about a girl named Beth, the two brothers who loved her, and a peculiar deal made with "the smiling man"—a sinister specter who grants your most tightly held wish, but only for the ultimate price. Captivated by the tale, Ollie begins to wonder if the smiling man might be real when she stumbles upon the graves of the very people she's been reading about on a school trip to a nearby farm. Then, later, when her school bus breaks down on the ride home, the strange bus driver tells Ollie and her classmates: "Best get moving. At nightfall they'll come for the rest of you." Nightfall is, indeed, fast descending when Ollie's previously broken digital wristwatch begins a startling countdown and delivers a terrifying message: RUN. Only Ollie and two of her classmates heed these warnings. As the trio head out into the woods—bordered by a field of scarecrows that seem to be watching them—the bus driver has just one final piece of advice for Ollie and her friends: "Avoid large places. Keep to small." And with that, a deliciously creepy and hair-raising adventure begins.

A New York Times, USA Today, Wall Street Journal, and Amazon Charts Bestseller! For fans of Hidden Figures, comes the incredible true story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, The Radium Girls fully illuminates the inspiring young women exposed to the "wonder" substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...
