Automatic Washers Hearst Books

Reflections On A Long Life There has been rising interest in poetry in recent years, especially in America. Unfortunately, like some chamber music (written for virtuoso musicians) many poems are not understood by the average reader. In contrast, Mr. Fields writes poetry everyone can enjoy. A few poems will make you laugh. All the poems will appeal to readers looking for insights into their own feelings about life, love and the hereafter. This beautiful book is a reflection on the exciting past century where the author spent 78 years of his life, observing and experiencing the great events of that era.

American Major Appliance Repair Guide Meredith Corporation

"Many homeowners will save money with a copy of FIRST AID FROM THE APPLIANCE DOCTOR... They also could save

some lives." Les Hausner, Chicago Sun Times. "There are a lot of how-to repair books on the market, filled with diagrams that illustrate wiring & electronic systems. This one is unique...he takes consumers through the process of selecting & shopping for the product that will fit their needs...After that, there are lessons on simple maintenance ...some of the advice is startlingly simple...More complicated repairs are illustrated, step-by-step, & easy to follow." Esther Sharpiro, Detroit Free Press. The first book to expose the danger of slinky plastic dryer vents, FIRST AID FROM THE APPLIANCE DOCTOR is half expose, half "How To" book. It explains the dangers caused by some home appliances & gives simple, step by step solutions to keeping the reader's home & family safe. It also gives the consumer the information he or she needs to know to cut through advertising claims, & find out which is really the best appliance to buy. The book gives money saving tips on installation, use, maintenance & repair of most major home appliances. Perhaps, most important of all, Gagnon shows how to be an aware consumer. He explains the most common rip-offs & gives detailed information on how to protect against them, & get, & keep an honest service contractor.

Rodale's Complete Home Products Manual Rodale Books

Tired of paying ridiculous prices for service to find out there was a simple solution to your problem? Save money by reading this book before you call for in-home service on major household appliances or heating/air conditioning systems. This book can save you hundreds of dollars in unnecessary repairs. Dishes still dirty after running the dishwasher? Clothes take forever to get dry in your dryer? Washer not spinning all the water out of your clothes? Microwave making funny noises? Range isn't cooking correctly? Look up the type of appliance; find the complaint that matches your problem, read and follow the solution. These and many more problems can be solved by following some simple steps and without ever touching a tool.

The Happy Appliance Guide

A Layman's daily use and care manual for home appliances and other home devices

The Dishwasher Manual

Washing machines and kettles make everyday life much easier, but when they go wrong they can leave you baffled and out of pocket. This invaluable maintenance and repair manual reveals the hidden workings of common household appliances and systems, shows you how to look after them, and lists common faults. From toasters and washing machines to central heating and toilets, the book gets down to the nuts and bolts of the machines, gadgets and household systems in your home. If it's basic, the book shows you how to mend it. If it's more complex, it will tell you what a repairer is likely to do - and whether it's worth the cost. Whatever the solution, you will save yourself time, money and stress.
