The most impressive part about the story, was the life that Micol Ostow was able to breathe into the house herself. Amity felt like a real living, breathing entity. She felt like another character in the story, and it was both creepy and impressive the way I could feel the house come to life off the pages.

Micol Ostow has done a great job at mixing fiction with the history and past story of the actual house in Amityville. It is a clever book not only in terms of its mix of fiction and fact but also in the choice of its narrators. Amity is told by two teens, Connor and Gwen who live in the house 10 years apart. Amity, by Micol Ostow : The Childrens Book Review

“ Amity was the cold, steady gaze of a double-barreled shotgun, bearing down. She was the glint of pinprick pupils gleaming through a night-lit window, the rhythmic blast of a door left banging in a gale wind.
