Blood on the Altar Llewellyn Worldwide

The renowned Christian preacher and New York Times bestselling author of *An Altar in the World* recounts her moving discoveries of finding the sacred in unexpected places while teaching world religions to undergraduates in Baptist-saturated rural Georgia, revealing how God delights in confounding our expectations. Christians are taught that God is everywhere--a tenet that is central to Barbara Brown Taylor's life and faith. In *Holy Envy*, she continues her spiritual journey, contemplating the myriad ways she encountered God while exploring other faiths with her students in the classroom, and on field trips to diverse places of worship. Both she and her students ponder how the knowledge and insights they have gained raise important questions about belief, and explore how different practices relate to their own faith. Inspired by this intellectual and spiritual quest, Barbara turns once again to the Bible for guidance, to see what secrets lay buried there. Throughout *Holy Envy*, Barbara weaves together stories from her classroom with reflections on how her own spiritual journey has been challenged and renewed by connecting with people of other traditions--and by meeting God in them. At the heart of her odyssey is her trust that it is God who pushes her beyond her comfortable boundaries and calls us to "disown" our privatized versions of the divine--a change that ultimately deepens her relationship with both the world and with God, and ours.

[The Highest Altar](#) Zondervan

In this long awaited follow-up to the best-selling *An Altar in the World*, Barbara Brown Taylor explores 'the treasures of darkness' that the Bible speaks about. What can we learn about the ways of God when we cannot see the way ahead, are lost, alone, frightened,

not in control or when the world around us seems to have descended into darkness?

Good Night, My Darling Dear Shambhala Publications
God is altering history, birthing the new creation all around us, and we have been invited to join God in that task. With groundbreaking ideas and practical illustrations from around the globe, missional leaders Michael Frost and Christiana Rice introduce the metaphor of a midwife to depict us as God's birthing attendants, partnering in God's restorative mission.

A Place at the Altar Canterbury Press
"This is a significant book... for a multitude of audiences, including scholars, practitioners, students, expatriates, travelers, and those who are simply interested in culture... This book is also an ideal reference tool, since the metaphors are easy to remember yet rich in contextual value and are presented in a logical structure for quick consultation. Overall, this book is enormously appealing, genuinely useful, and a worthy addition to any collection." -Thunderbird International Business Review (2002) In *Understanding Global Cultures, Fourth Edition*, authors Martin J. Gannon and Rajnandini Pillai present the cultural metaphor as a method for understanding the cultural mindsets of individual nations, clusters of nations, and even continents. The fully updated Fourth Edition continues to emphasize that metaphors are guidelines to help outsiders quickly understand what members of a culture consider important. This new

edition includes a new part structure, three completely new chapters, and major revisions to chapters on American football, Russian ballet, and the Israeli kibbutz. New and Continuing Features: Emphasizes clusters of national cultures and variations within each cluster, as well as both topic-oriented (authority-ranking cultures, market-pricing cultures, etc.) and cluster-focused descriptions Includes three new parts: India, Shiva, and Diversity; Scandinavian Egalitarian Cultures (Sweden, Denmark, and Finland); and Other Egalitarian Cultures (including Canada and Germany) Provides three completely new chapters: Finnish Sauna, Kaleidoscopic India and Diversity, and a final integrative summary chapter Integrates chapters through the frameworks of the GLOBE study, the Hofstede study, Hall, and Kluckhohn and Strodtbeck Highlights religious and ethnic diversity throughout Ancillaries Instructor Resources are available on a password-protected website at www.sagepub.com/gannon4instr. These include applications, discussion questions, model examinations, 100 exercises, and suggested syllabi. Qualified instructors may contact Customer Care to receive access to the site. *Understanding Global Cultures: Metaphorical Journeys Through 29 Nations, Clusters of Nations, Continents, and Diversity* is appropriate

for courses in International Business and Management, Strategic Management and Planning, and Cultural Studies.

Your Altar Destiny Image Publishers

"Cambridge, October 1933. Inside the old All Hallows Church on All Hallows' Eve, Doctor Adelaide Hartest bears witness to the final moments of a dying stranger. Despite the dagger plunged into the stranger's chest, the death is ruled a suicide, compounded by a formal confession before death. The victim, it is revealed, is known to Scotland Yard, and Assistant Commissioner Joe Sandilands is sent all the way from London to investigate. Thrown into a deadly ring of cloak-and-dagger politics and high-society hedonism, Sandilands must uncover the truth before the Hellfire Club, an elite society composed of intelligentsia and aristocrats, topples the institutions and harms the people he has sworn to protect--especially one he has come to truly love"--

Learning to Walk in the Dark A&C Black

Get Ready for the Coming Bridegroom! When many Christians think about the second coming of Jesus, they imagine apocalyptic disaster, fear and terror, and world-collapse. But what if the second coming was more like a wedding than a catastrophe? If Jesus is returning as the Bridegroom, shouldn't His Bride—the Church—focus more on deepening their commitment to Him than on comparing global events to last-days timelines? Burning with passion and zeal for Jesus, and driven by a vision to see the church revived, prophet and bestselling author, Jeremiah Johnson, offers a prophetic plea to the people of God: "Come to the altar! Purify yourselves for the coming Bridegroom!" In this timely prophetic message, *The Altar* shows you how to: Join the bridal revival that will sweep through the nations Cultivate a lovesickness for Jesus Christ and a longing for His return. Become a burning and shining lamp in this generation Tear down the altar of Baal in your city and region The Bridegroom is coming! Are you ready for the wedding day?

The Remains of an Altar Routledge

Tells how a renowned preacher left her ministry to rediscover the authentic heart of her faith. A moving reflection on keeping faith amidst the relentless demands of modern life.

The Stripping of the Altars Church Publishing, Inc.

Recreating lay people's experience of the religion of the pre-Reformation church, this text argues that late-medieval Catholicism was neither decadent nor decayed, but was a strong & vigorous tradition, & that the Reformation represented a violent rupture from a popular & thoroughly respectable religious system. Previous ed.: 1992.

Lord, Make Me Into an Altar Resurrection Press

In high-Andean Peru, Rapaz village maintains a temple to mountain beings who command water and weather. By examining the ritual practices and belief systems of an Andean community, this book provides students with rich understandings of unfamiliar religious experiences and delivers theories of religion from the realm of abstraction. From core field encounters, each chapter guides readers outward in a different theoretical direction, successively exploring the main paths in the anthropology of religion. As well as addressing classical approaches in the anthropology of religion to rural modernity, Salomon engages with newer currents such as cognitive-evolution models, power-oriented critiques, the ontological reworking of relativism, and the "new materialism" in the context of a deep-rooted Andean ethos. He reflects on central questions such as: Why does sacred ritualism seem almost universal? Is it seated in social power, human psychology, symbolic meanings, or cultural logics? Are varied theories compatible? Is "religion" still a tenable category in the post-colonial world? *At the Mountains' Altar* is a valuable resource for students taking courses on the anthropology of religion, Andean cultures, Latin American ethnography, religious studies, and indigenous peoples of the Americas. *Blood on the Altar* Faber & Faber

Hold your little one close as you celebrate your love for one another. This exquisitely illustrated book honors the wonder of childhood, dreams of who your little one will someday become, and marvels at all that God has in store. Author and artist Amy Kavelaris's signature flower-crown art and poetic writing invite you and your child to enjoy peaceful moments before bed with delightful parent-and-child animal pairs. Sweep your little one into dreamland with whimsical art and a tender story as you read *Good Night, My Darling Dear*. This beautiful keepsake expresses a parent's love for their child, as well as God's purpose for them. Let your little one drift to sleep peacefully with this charming bedtime story. *Good Night, My Darling Dear* is a picture book that's perfect for children, ages 4 to 8; a baby shower gift or display book in a new nursery; and celebrating birthdays, an adoption, or birth announcement with a friend or grandparents. This dreamy tale features sweet rhyming text with memorable blessings and frame-worthy illustrations on each page. Amy Kavelaris's artwork has been featured in collaborations with Anthropologie, Target, Altar'd State, and Walmart.

Voices from the Ancestors Charisma Media

Father Kaleeg Hainsworth, an Eastern Orthodox priest with a lifetime of experience in the Canadian wilderness, grounds this manifesto in the literary, philosophical, mystical and historical teachings of the spiritual masters of both East and West, outlining the human experience of the sacred in nature. The spiritual ecology described here is fully engaged with the wilderness beyond our backyards; it is an ecology which takes in nature as "red in tooth and claw" and offers a way forward in

the face of accelerating climate change. This manifesto also challenges our modern self-conception as dominators or stewards of the natural world, claiming these roles emerged from western industrial history and are directly responsible for the environmental damage and alienation from nature we know today. The ecological scope of this book begins with a meditation on natural beauty as the divine that breathes through all aspects of life. We discover along the way that awe and mystery are so vital to the human experience of the natural world that without them we are doomed to treat nature as little more than a resource, a science or a playground for recreation alone. Instead, a new role emerges from these pages, one which accounts for the sacred in nature and places us in relationship to the world of which we are inextricably a part. This role is a priestly one, and Father Hainsworth outlines the significance and benefits of it in detail while also offering a vision of life in which a human being stands in the world of nature as at an altar built in the wilderness, a sacred offering in a holy place.

The Burning Altar SAGE

Rooted in the crisis over slavery, disagreements about child labor broke down along sectional lines between the North and South. For decades after emancipation, the child labor issue shaped how Northerners and Southerners defined fundamental concepts of American life such as work, freedom, the market, and the state. Betsy Wood examines the evolution of ideas about child labor and the on-the-ground politics of the issue against the backdrop of broad developments related to slavery and emancipation, industrial capitalism, moral and social reform, and American politics and religion. Wood explains how the decades-long battle over child labor created enduring political and ideological divisions within capitalist society that divided the gatekeepers of modernity from the cultural warriors who opposed them. Tracing the ideological origins and the politics of the child labor battle over the course of eighty years, this book tells the story of how child labor debates bequeathed an enduring legacy of sectionalist conflict to modern American capitalist society.

A reminder of the Divine, a space for spiritual encounter, or a focal point for meditation--the altar is a powerful tool for people of all faiths. Sandra Kynes demonstrates how to create personal altars and empower these sacred spaces according to your needs. Discover how to harness energies to manifest change, make decisions, receive wisdom, find balance, explore your soul, and grow spiritually. Kynes's unique approach provides nine overall matrices--each one corresponding to the number of objects placed on the altar--and the numerological significance of each. You'll also find suggested meditations and a wealth of helpful information--spanning chakras, colors, days of the week, elements, gemstones, gods/goddesses, runes, and more--for choosing appropriate symbols and objects that reflect

your needs.

Earth Medicines Soho Press

An Altar For Their Sons: The Alamo and the Texas Revolution in Contemporary Newspaper Accounts is a collection of rare documentary materials, the great majority of them not seen or referenced since their dates of original publication. This book has been designed to serve several audiences, among them the scholar, serious student, casual buff, and general reader, all of whom will find much that is "new" here in terms of the history of the Alamo siege and battle, of the Texas Revolution in general, and of the lives of the people involved, not to mention the events that both preceded and followed that conflict. Aside from the book's primary focus, the battle of the Alamo, this collection includes on-the-spot accounts of most of the other engagements, skirmishes and massacres, descriptions of the forts, towns, and geography, and information concerning the armies, weapons and clothing involved. There are also word sketches of the appearances of such important figures as David Crockett, James Bowie, and Santa Anna that have apparently eluded modern biographers. Included, too, are many anecdotes of their lives, both in and out of Texas, and descriptions of pieces of their personal property handed down in the postwar years. Newspaper accounts from later decades present interviews with survivors, or their obituaries, and descriptions of the Alamo itself as it evolved from a weed-choked ruin into an iconic shrine. The book contains several dozen original illustrations by the author, each one explained in-depth with a footnoted, essay-long "caption". There is also a newly created pictorial representation of the entire Alamo compound as it looked in February and March 1836, accompanied by a lengthy analysis of the fortifications based on a re-examination of the old evidence and a dissection of newly found information. Included photographs of selected Alamo- and Texas Revolution-related relics from the extraordinary collection of singer Phil Collins.

The Practice of Saying No Yale University Press

Winner of the 2022 Eating the West Award! An accessible guide to time-honored Indigenous wisdom, healing recipes, and wellness rituals for modern life from an experienced curandera. In Earth Medicines, Felicia Cocotzin Ruiz, a curandera (or traditional healer) who is a Xicana with Tewa ancestry, combines Indigenous wisdom from many traditions with the power of the four elements. This modern guide is designed to support readers on their path to wellness with lifestyle practices and recipes perfected by Ruiz in her twenty-five years of training and working as a curandera. Ruiz teaches readers to be their own healers by discovering their own ancestral practices and cultivating a personal connection to the elements. These healing recipes and rituals draw on the power of Water, Air, Earth, and Fire—a reminder that the natural elements are the origins of everything and can heal not only our bodies, but the mind and spirit as well. In chapters organized by each element, readers will first find recipes and advice for: Promoting inner harmony through Hydrotherapy for Headache Relief, Mayan Tea to Calm the Mind, or Ginger Fire Honey Chews Nurturing beauty inside and out with Tepezcohuite Honey Mask, Salt of the Earth Deodorant, or Sweetwater Herbal Mouth Rinse Taking

care of the spirit by creating an ancestral altar, making loose incense, or performing a Mayan Bajo Steaming Ritual
Penguin Group USA

You are NOT who you think you are. In fact, according to bestselling author Craig Groeschel in Altar Ego, you need to take your idea of your own identity, lay it down on the altar, and sacrifice it. Give it to God. Offer it up. Why? Because you are who GOD says you are. And until you 've sacrificed your broken concept of your identity, you won 't become who you are meant to be. When we place our false labels and self-deception on the altar of God 's truth, we discover who we really are as his sons and daughters. Instead of an outward-driven, approval-based ego, we learn to live with an "altar" ego, God 's vision of who we are becoming. Discover how to trade in your broken ego and unleash your altar ego to become a living sacrifice. Once we know our true identity and are growing in our Christ-like character, then we can behave accordingly, with bold behavior, bold prayers, bold words, and bold obedience. Altar Ego reveals who God says you are, and then calls you to live up to it.

An Altar in the World Canterbury Press

Upon the Altar of the Nation Thomas Nelson

A Place at the Altar illuminates a previously underappreciated dimension of religion in ancient Rome: the role of priestesses in civic cult. Demonstrating that priestesses had a central place in public rituals and institutions, Meghan DiLuzio emphasizes the complex, gender-inclusive nature of Roman priesthood. In ancient Rome, priestly service was a cooperative endeavor, requiring men and women, husbands and wives, and elite Romans and slaves to work together to manage the community's relationship with its gods. Like their male colleagues, priestesses offered sacrifices on behalf of the Roman people, and prayed for the community 's well-being. As they carried out their ritual obligations, they were assisted by female cult personnel, many of them slave women. DiLuzio explores the central role of the Vestal Virgins and shows that they occupied just one type of priestly office open to women. Some priestesses, including the flaminica Dialis, the regina sacrorum, and the wives of the curial priests, served as part of priestly couples. Others, such as the priestesses of Ceres and Fortuna Muliebris, were largely autonomous. A Place at the Altar offers a fresh understanding of how the women of ancient Rome played a leading role in public cult.

Woman At The Altar Canterbury Press

"At The Altar In Your Underwear" gets you prepared for that moment when the entire world is watching, and you take your vows to the true love.

An Altar on the Village Green University of Illinois Press

This book is a series of thoughts the Holy Spirit inspired the author to write while serving in Iraq. These spiritually uplifting thoughts bring us closer to becoming an altar for God. This book reminds us of the importance of being stable while living a spiritually consistent life. Being an altar for God enables us to communicate the holiness of God to a generation in need. It makes us more than people who attend church; it makes us people who bring church to our neighborhoods, jobs, and homes. We are answers to the prayers of generations before us. Now it's our time to be vessels God can use to reach and draw people to Himself. David Robinson Jr. is a family man who is in love with God and simply wants to please Him. David has a unique ability to hear the voice of God, compassionately ministering to the poor and those whom society has rejected. He and his family get great joy from providing needed supplies to the less fortunate. While serving in the military, David stood his watch not only physically but spiritually as well. He ministered the Word of God onboard US Navy ships at sea and on land while deployed in Iraq. His teaching has directly impacted thousands of souls as he has built bridges and crossed cultural boundaries, empowering sailors, soldiers, airmen, marines, and civilians with hope and trust in our Lord Jesus.
