*Steel Assassin* Big City Press

Assassin. That's what they called her as she slipped through the shadows on the orders of her Emperor. She was young, lithe, and deadly. She was the best of her kind. King. His only title. More important than his birth name. Feared by his people, and searching for a Queen. But when he ends up in the hands of a psychopath, will he be able to work with the deadly woman he's held captive with or will they both perish?

### Lines of Neutrality High Caliber Books

Based on the author's experiences in the Middle East, Assassins lives this unending conflict from the viewpoints of an American commando, a French woman doctor, an Afghani warlord, a Russian major, and a British woman journalist. From its terrifying start in the night skies of Afghanistan to its stunning end in the Paris terrorist attacks, Assassins is, in novelized form, the story of the last 30 years of war between Islam and the West. Drop by parachute into the deadly mountains of Afghanistan, fight door to door in the bloody cities of Iraq and the lethal deserts of Syria, Sinai and Africa, know the terror of battle inside a Russian tank, feel the power of passion and love when at any moment you both can die - it's all there, all real, in Assassins. Did the Saudi government finance 9/11? Did the Bush administration let Osama bin Laden escape Afghanistan and then lie about Weapons of Mass Destruction in Iraq? Did President Obama's decision to leave Iraq in 2011 lead to the rise of ISIS and its worldwide fanaticism? It's all there, all real, in Assassins.

### Why Did Yahweh and His Son Yahshuah Say What They Said? Turtleback Books

During the late 19th and early 20th centuries, a wave of political violence swept across the globe, causing widespread alarm. Described by the media of the day as "propaganda of the deed," assassinations, bombings and assaults carried out by anarchists—both individuals and conspirators—were intended to incite revolution and established the precedents of modern terrorism. Much has been written about these actions

and the responses to them yet little attention has been given to the actors themselves. Drawing on wide range of sources, the author profiles numerous insurgents, their deeds and their motives.

Trecheon Omnir isn't happy with his life. His repair shop barely keeps him afloat, his family has abandoned him, and his experiences in war make it difficult to relate to others. So when his friend and fellow war veteran Neil Black offers him an out, he takes it without question. But Trecheon finds out too late that this "out" is actually an initiation into the world of assassins. Now he must overcome fear, deception, and guilt in order to turn this bad situation into something he can live with and become the profession's first White Assassin. Color Story Companion to Tanned Hide Novel Companion to Brothers at Arms

### *Abella All In* Lulu.com

When ex-cop Katie Kelly returns to the scene of a shocking crime from 30 years ago, she finds herself drawn into dealing with new crimes involving the kidnapping of a child and the possible murder of two children by their mother.

### *Spies and Special Forces* Fairy Tale Lies, Spies, and As

Perhaps no one's death has stirred more interest, controversy, and theories than Marilyn Monroe's August 4 of 1962. In *Murder Orthodoxies*, author Donald R. McGovern analyzes and examines the many theories that Monroe was murdered by a host of curious characters—from the middle Kennedy brothers to brutal gangsters to aliens. McGovern separates fact from fiction and theory from outlandish rumor. He addresses and debunks the usual allegations related to Monroe's death, the secrets recorded in her little red diary, her scheduled whistle-blowing press conference, the murder plots by organized crime and the brothers Kennedy, and the fatal injection of drugs, along with many others. In *Murder Orthodoxies*, McGovern restores logic and sanity to the investigation of Monroe's death. His thesis is based upon the premise that the engines of conspiracies are started and fueled by opinion, not by facts. His credible conclusions are based on logic, science, toxicology, and forensic evidence.

### *Assassin's Reign* Createspace Independent Publishing Platform

Revenge. Love. Family. To protect everyone they love, Jack Steel and Christie Thorton must become assassins. Deadly Blackhood Ops specialist Jack Steel has moved on from his bloody past, but his past won't let him go. He has it all; his partner Christie, his daughter Rachel, a protection agency he's proud of, and his head on straight. But it's all torn apart when a madman blackmails Steel and Christy. Their skills are pushed to the limit as they are forced to become assassins to save those they love. The Mexican cartel, terrorists, and enemies from Steel's past force them into a non-stop fight that they can't walk away from. To protect his country, and

everyone important to him, Steel will be forced to trust the very people he swore to kill. And he might have to walk away from those he loves... If you enjoy L.T. Ryan's Jack Noble, Brad Thor's Scot Harvath, Tom Clancy's Jack Ryan, Lee Child's Jack Reacher, Vince Flynn's Mitch Rapp, or Robert Ludlum's Jason Bourne, this book will keep you up at night turning the pages. Readers are saying... "...a superior thriller, the likes of which I haven't seen since Robert Ludlum (Bourne Identity)..." "This is a must-read, that gives stiff competition to any other better-known mystery/thriller authors." "If you relish well-written spy novels with a great plot and realistic characters and action, read Jack Steel by Geoffrey Saign." "I'm calling it now: Jack Steel is the next great spy series." "Jack Steel is one bad dude...with a compelling human side to his character." Discover the pulse-pounding, action-packed Jack Steel Thriller Series that readers are calling part Reacher, Rapp, & Bourne--and all action.

#### **Assassin: The True Story of One of America's Most Successful Assassins** Trafford Publishing

In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

#### **League Of Assassins** Createspace Independent Publishing Platform

Victor Colvin, assassin, reluctantly accepts one final job before putting away his gun for good. This assignment will take him across continents and through countries - dodging the local authorities who vow to take him down. Inadvertently, he also stumbles on an archaeological mystery and the beautiful, strong-willed archaeologist behind it. Meanwhile, Doctor Ahu Eser, Chief Archaeologist at a Turkish

excavation, is suddenly missing some recently discovered artifacts. To add to her troubles, some of her colleagues are murdered. Why has there been this theft? Who would want her people dead? Are these events linked, and if so, how? As fate throws these two lives together, the one must use all his cunning to avoid capture and stay alive while the other will find herself stymied at every turn in her attempt to discover the truth. Visiting exotic locations in Canada, England, Italy, Germany, Switzerland, Turkey, and the United States, watch as their paths lead them through intrigue, mayhem and a little romance. Will they finally succeed? Find out in "THE BLACK SUN ASCENDANT: An Assassin's Tale", (c.2011 & 2017), Book 1 of the "Black Sun Series".\*\*\*\*\*A Note from the Author: I have been amazed, and delighted with the positive reaction to my first published work of fiction. This encouragement from friends, family, and fans of the Black Sun Series, has pushed me to continue to write the other two books. For this Second Edition of, "THE BLACK SUN ASCENDANT: An Assassin's Tale", I have reviewed all of the tips and mistakes pointed out to me by my readers, and incorporated changes into the text accordingly. I have also revised the whole text, in order to create a cleaner looking tablet format. The essentials of plot and book structure have not changed, since, as the author - I like it! Pierre Berton once wrote in his book, "The Joy of Writing", "When I bid my manuscript goodbye, I am always in a state bordering on euphoria. I have been living with it for two years or more and am convinced that it is perfect. Has my experience with "The Invasion of Canada" taught me nothing? ...But I cannot bring myself to believe that my work needs revising." (P. Berton, 2003, page 250) Even Mr. Berton admits that an author has to let his/her manuscript go, eventually, in order to face the sharp eyes of the critical public. Since few authors are professed to be perfect (and I feel that applies to editors as well), there is no shame in having to issue a second edition. I also send my appreciation out to my friend Gordon Vandyke who gave me first-hand insight into helicopters, the pilots who flew them and their proper radio etiquette. Gordon was one of the "crazy Canuks" in the Canadian army's helicopter corps who flew, among other things, frequent nap-of-the-earth missions in Europe during the cold war. Once again, my many thanks to everyone who took the time to read, enjoy, comment on and leave critiques about, "THE BLACK SUN ASCENDANT: An Assassin's Tale". I will always be open to good honest criticism (and compliments too!), so please, do not hesitate to contact me if you think I might be able to improve one of my books in some way; just remember, as the author I always have the final say! Cheers! Hans Victor Mississauga, ON, Canada, 2017.

#### *The Russian Assassin* Trafford Publishing

Provides a collection of historical tales of espionage and special forces troops, based on factual events, including the ancient Roman invasion of Britain, the guerrilla fighters of the American Civil War, and other conflicts.

#### *The Reed Montgomery Series: Books 1-3 (An Action Thriller Novel Collection)* McFarland

A former Marine turned assassin. A lethal killer stabbed in the back. Reed Montgomery is the hero who can't help playing the villain. From action-thriller writer Logan Ryles comes this explosive collection of the first three books in the Reed Montgomery Series: *Overwatch*, *Hunt to Kill*, and *Total War*. With non-stop action, high-stakes plots and enough mystery to keep you flipping pages, Ryles delivers a story with characters as complex and dynamic as the plots they are consumed by. Suspense, plot-twists, and unexpected romance hallmark these thrilling novels, ensuring that you won't be able to put them down until the last page.--Included in this exclusive box set: Three Reed Montgomery novels for one discounted price *OVERWATCH* - Book 1 Reed Montgomery made a deal with the devil: thirty kills. Thirty lives snuffed out. That was the price of his freedom. Over the last three years, he's made good on that bargain, executing mobsters and businessmen, politicians and diplomats--anyone who became a target of Reed's ruthless employer. With each silenced heartbeat, Reed counts down the days until he can hang up the rifle and disappear forever, leaving behind the blood and carnage and losing himself in the masses. Maybe there will be a way to repay the cost of the slaughter. With only one kill remaining, Reed accepts a contract to

assassinate a Georgia state senator. It's an easy job: one 745-yard shot, and he's home free. But as the clock winds down on the hit, every practiced instinct from years of living outside the law warn him that this is anything but the end. He's been set up, he's running out of time, and the noose is tightening. A cornered dog fights to the death. HUNT TO KILL - Book 2 Reed Montgomery bought his freedom with blood. Thirty assassinations in exchange for liberty from death row—that was the deal. He delivered on twenty-nine of those kills before the kingpin of the hitman world turned on him. There's no deal now, but the killing has just begun. Only days after sidestepping a death trap in Atlanta, Reed is on the hunt for the man who betrayed him. It's not about freedom anymore—it's about justice, and maybe a taste of revenge. Far north of the city, amid the wilderness of the Appalachian Mountains, Reed will stop at nothing to balance the scales and leave his former mentor in a pool of frozen blood. But as the frost sets in, a new player steps onto the stage. They call him The Wolf, and Reed has no idea who he's working for. Only one thing is clear: He's here to hunt. He's here to kill. He's here for Reed. TOTAL WAR - Book 3 He didn't start this fight, but he's going to end it. Former Marine and professional assassin Reed Montgomery is facing the fallout of total betrayal. The shadowy organization he used to work for murdered one of his dearest friends, framed him for the assassination of a Georgia lawmaker, and destroyed the trust of the woman he loves. Reed is now torn between a fight to rebuild that trust and a burning desire for vengeance. Every move feels like a step through a dark hallway littered with deathtraps. He doesn't know who he's fighting, he still doesn't understand why he was framed, and for each answered question, two more are born. As Reed traces the truth through a maze of lies, deceit, and decades-old secrets, he begins to understand that there are far greater forces at work than the criminals who wrote his paychecks. The real story behind Reed's disastrous life began before he was born, and it strikes much closer to home than he could have ever imagined.

*York Notes AS/A2: Macbeth Kindle edition* Thomas & Mercer

What if your father wasn't the man you thought he was? Former KGB assassin Max Austin's peaceful life in Paris is shattered when his mother's imminent death brings him back to a world he only wants to forget. Before he's even unpacked his bags, a brutal act of terrorism sends Max running for his life and forces him to uncover secrets about his father's past to save his family's lives. Max's sister and nephew become pawns in a game that started a generation ago. As Max races from the alleyways of Minsk to the tony neighborhoods of Zurich, and finally to the gritty streets of Prague, he must confront his past and come to terms with his future to preserve his family name. If you like intrigue, twists, and high-octane excitement, you'll love this tight, fast-paced adventure, starring Jack Arbor's stoic hero, ex-KGB assassin-for-hire Max Austin.

*Walking The Razor's Edge* Turtleback

A master terrorist is sent to America with 25 million dollars to recruit angry criminals who were converted to Islam while in prison, and train them as assassins. In the last days before the first kill on the assassin's list, Adam Drake, an attorney helping a client deal with the murder of his secretary by one of the novice assassins, picks up the scent of the terror plot. When the assassins try to kill him and the FBI won't act on his suspicions, Drake must rely on his training and skills as a former Delta Force operative to prevent an assassination that's designed to fracture America along fault lines of religion and race.

**Scions of the Black Lotus** Pearson UK

In the tropical island region known as the Frees, magic is growing stronger, and gunpowder is becoming less reliable. Amid this world of "swashbuckling, intrigue, and a dash of magic," two adventurers literally run into each other and are forced to fight together against pirates, sinister assassins and powerful merchant families, in the process developing a most unlikely friendship. Tesca is the Left Hand, a spy and assassin serving the Duke of Kohaya, ruler of one of the independent realms within the Frees. Kayrla is a sailor and sometime pirate with a few magical tricks up her sleeve. While fleeing the wrath of her former captain, Kayrla collides with Tesca, who's on a mission of his own, and her captain, assuming them to be partners, sics his crew on both of them. Cutting their way free of the pirates, the

pair come to realize that they make a very effective team, but will their combined talents be enough to stop an assassin seeking the Duke's life, and who appears to be more than a match for either Tesca's blades or Kayrla's magic?

*Maid in Stone* James Moushon

Born to be an assassin, raised to be a hero, Kiala seeks middle ground as an auditor. A fallen hero has other plans.

**Killing Beauty** Pearson UK

ATTENTION DARK FANTASY READERS: If you're looking for an action-packed assassin adventure with an unassuming hero, sword battles and dark magic, you must buy this book! BUT FIRST A WARNING... This is not a long, drawn-out story. At 70-ish pages it's a quick read and it will give you that "fantasy fix" you're looking for. When you buy *Betrayal*, you'll enjoy the following timeless gothic elements that the Dark Fantasy sub-genre is known for: - Middle Age style speech and dress - Lunar Knights and Shadow Titans - Sword fights and epic battles - Magical modified weapons - A brotherhood of diverse assassins - Shadow magic and wizards - A fantasy adventure into the dark unknown - Mysterious ancient prophecies - Supernatural powers ...AND SO MUCH MORE! Below is a just a taste of the story you're going to get: After shadow titans killed his parents, young Wren is taken in by a secret league of assassins. For years he served as a squire. But it's finally time for his first mission. The Elder gathers the League's best assassins: Viper, Jackal, and Winter Fox. He instructs them to head toward the Narvik Sea to dispose of Lunar Knights in the area. This concerns the others, as it would surely increase the Shadow King's power in that region. Wren particularly still holds a grudge because of what happened to his family. The Elder reminds them that the League is impartial to such matters and sends them on their way. Despite his misgivings, Wren goes on the adventure. Nervous and unsure of himself, he clings to the experience of the others who would rather not have the boy around. Little do they know, there is a betrayer among them and enemies lurk in the darkness. Not only will Wren's world be turned upside down, but he will embark on an adventure that will change the fate of all mankind. Within this action-packed fantasy adventure, you'll find sword battles, magical wizards, a league of assassins, Middle Age speech, style and clothing. Not to mention the supernatural powers, betrayal, modified weapons, shadow titans, ancient prophecies, and MUCH MUCH MORE! But don't take our word for it. Buy this book today and see for yourself!

**The Forest of Assassins** Pearson UK

For an imperial assassin, assignment as a courtesan in the Floating World seems like a waste of her talents... until killers target her clan sisters. In the legendary Floating World, wars are waged with wit, the strongest soldier can be bound with threads of silk, and flesh is the currency by which life, death, and freedom can all be purchased. Half-elf Jie bemoans her temporary assignment as a Night Blossom in the most sought-after house, even if it's the perfect cover for her real work as an assassin in the emperor's service. When killers target her clan sisters, it leads to a convergence of threats that could topple an empire. The Complete Tales of the Floating World Includes six books and two bonus stories: Thorn of the Night Blossoms White Sheep of the Family Wretches of the Trench Interlude (Bonus story) Temptress of Fates Last Heir of the North Second Interlude (Bonus story) Last Bloom of the Jade Lotus

**Killing a King: The Assassination of Yitzhak Rabin and the Remaking of Israel** Kim Antieau

The finale of *She Fell in Love With a New York Hitta* follows the aftermath of Roselyn's revenge plan. The leaders of the Supreme all face a number of obstacles that they may never be able to overcome. Don and Elena are unconscious in a hospital fighting for their lives while Sincere is confined to a federal cage with a slew of charges that he may not be able to beat. Isaiah and Essence are on the run from the Feds, suffering deeply as their bank accounts have been seized by the Feds. Despite their financial issues, the couple can't allow The Table to get away with Leilani's murder. Creating the ultimate mission, Isaiah and Essence decide that they will go after The Table and then run off to Mexico with their daughter Emery. Will the couple be able to accomplish their mission, or will they die at the hands of their enemies? Anything is possible as we endure one last rollercoaster ride with these phenomenal characters.

---

### **Call Off The Dogs** A Danny Pearson Thriller

YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

### Assassins CreateSpace

"The Forest of Assassins is a unique combination of startling fact and gripping fiction-which gives readers a new understanding of the war in Vietnam. It is must-read on every page." ----THOMAS FLEMING: Author of A Disease in the Public Mind: A New Understanding of the Civil War "The Forest of Assassins is a great read, a novel as good as the best journalism, with vivid and accurate details driving a tale of danger and deception and betrayal during the Vietnam War. This book doesn't just feel researched, it feels lived. Whether tightening the suspense - our protagonist, Navy Lieutenant Hank Dillon eyeball to eyeball with a VC soldier and watching for the skin to whiten on the man's finger curled around the trigger of his AK-47 - or describing the oppressive heat of an innocent afternoon on the Mekong Delta, David Forsmark and Timothy Imholt make you believe every word of it. I couldn't recommend it more highly. -ROBERT FERRIGNO, NY Times best-selling novelist, Prayers for the Assassin As real as fiction gets. A non-stop ride into combat told with perfection. -BOB HAMER, veteran FBI undercover agent and the author of The Last Undercover The Forest of Assassins is a historic thriller set in the earliest days of the American involvement in the Vietnam War. It involved the earliest of Navy SEAL teams. It is set in a time when the NAVY still did not admit these men existed, much less had they determined if those units would survive until the next conflict, or if the experiment would be abandoned. The Forest of Assassins tells the story of Navy SEAL Lieutenant Hank Dillon, a squad commander, deep in the jungles of South Vietnam when America's involvement in the war was still in the "advisor" stage. Dillon's mission is to wreak havoc among the Viet Cong guerillas who are terrorizing the countryside. Their mission-and even their presence in the region-is top secret. But Hank has a problem even bigger than a deadly and determined enemy; he has a traitor in the ranks. Meanwhile, a suspicious NCIS cop is nosing around Hank's mysterious operation, certain that it is a front for drug running and other illegal activities. Things are tense for the young Lieutenant who just wants to go home to his wife...intact
