"ALL BETS ON ME" is a self-help book and an account of a young man who grew up in the city of New Orleans with a vision and a drive to achieve the "American Dream." The book depicts the early struggles of a kid who embodied the

entrepreneurial hustle of his celebrity role models that eventually manifested into doing business with the same celebrity figures he idolized growing up.

This narrative highlights the true value in building solid relationships through business and real life encounters. In pursuit of success, life will present pivotal moments that require strategic and intentional relationship building;

"ALL BETS ON ME" prepares the reader to aggressively maximize those moments and translate an ordinary relationship into a lucrative one. More importantly, this publication delivers a vital message to the reader: In the game of life, every day is a gamble and even when the odds are stacked against you, roll the dice, and always make the best bet ever - bet it all on you.
