An American special
operations team leads the fight
to remove ISIS from Manbij
and the surrounding region in
Syria in this account told

through the eyes of Army Capt. Jonathan Turnbull. After multiple heroic operations, returning electricity to 400,000 civilians, and helping thousands of girls return to school, ISIS did everything it could to thwart the offensive. Turnbull is injured in a suicide bombing and given no chance of surviving. When Samantha met the lead trauma surgeon overseas, she found out her husband had lost his right eye, had no skin or tissue on the right side of his face, had multiple skull fractures, and numerous other injuries. They told her he ' d likely be

paralyzed on one side and may not remember much of anything, including her and their son. The couple was finally reunited, but it was not the meeting either had planned for—and it was the hardest thing in the world. Samantha was happy to see him alive but heartbroken to see him in such a condition. Find out how God stepped in to work miracles in the life of a soldier who was given a zero percent chance of surviving in this book that celebrates freedom, faith, and heroes.

The stories in this book are from soldiers who once served in Vietnam and who have contacted me via the world of spirit. Their stories are filled with the dreams of young men who grew into adults all too quickly in a land not their own. They speak of the bond between soldiers; the brotherhood that stands the test of time and distance; the fear they lived with each day; how they wrote letters that would be sent to their families if they were killed; and the simple things they came to take for granted. Some

speak of their love of Vietnam and its people. And many of them convey their last few hours on the earthly plane. "Jeri Tory Conklin-a gifted intuitive, archaeologist, and investigative author-again lifts the veil between the visible and invisible world, this time to give us an inside perspective on veteran experiences during the Vietnam War. An eye-opening, inspirational book." -Patricia Johnston, professor of anthropology; owner, grief coach at Purple Lotus Coaching <http://purplelotuscoaching.com/>

//purplelotuscoaching.com/ "Seeking answers to "Why, is there no peace?" comes to us all when we send a loved one or venture into the path of war. Living without closure bids us to seek out those with "The Gift" of sight into the world of spirit. I have found closure within these pages. Your eyes will be opened, if you have lost a loved one to death on a battlefield. " -Pamelia Cannataro, military dependent and Vietnam veteran's widow

Three Heroes of Assisi in World War II by Josef Raischl, OFS and Fr. Andre Cirino, OFMIt is certainly safe to say that Three Heroes of Assisi in World War II will be an eye-opener to the reader with even a small taste for history. Warren J. Rouse OFM, Santa Barbara Province, California This text was prepared by two authors who have a special bond with Assisi and its saints--Francis and

Clare--to whom they have dedicated their studies and their widespread and somewhat complementary interests. The first author, Josef Raischl OFS, who lives in Dachau, Germany, studied in Rome at the Capuchin Historical Institute and in England at the Franciscan International Study Centre, Canterbury. The second author, André Cirino OFM, taught at the above-mentioned Study Centre and for more than thirty years has been leading pilgrimages to this Franciscan city, deeply imbuing its spiritual atmosphere and historical memory. From this blend of their interests has come this book, whose goal is to let the whole world know about the three heroes of Assisi: Bishop Giuseppe Placido Nicolini, Colonel Valentin Müller MD, and Assisi priest, Don Aldo Brunacci. Pio De Giuli, Director of periodical, Subasio, Assisi is an almost seamless collection of extracts from works by reputable historians and principals in the events of the fateful period, especially Bishop Nicolini and Don Brunacci. An important chapter, authored by Raischl and Cirino, deals with the German Commander, Colonel Valentin Müller. His efforts to spare Assisi from destruction and to aid its citizens and many refugees--Jews hidden among them, are carefully chronicled. Paul Rotondi, OFM, Immaculate Conception

"I'll never forget the first time I killed a man. Wait...I'm getting way ahead of myself calling it

a killing. Yes, I did kill him, but you couldn't really classify it as a murder. I shot him in order to save an innocent person's life, in the line of duty. I used to be a cop. Until I killed - but a justified shooting - a young man by the name of Tommy Ray Wallace. After that? I was a useless drunk. I lost everything. And the girl whose life I saved? She never even thanked me for it."So says Ben Striker, former cop - and hero. He lost everything

that day, in the line of duty. His job, his family, his faith, his integrity, all gone in the blink of an eye. Cops are REAL heroes, who more often than not don't get the respect or recognition they deserve. Heroes are only human too, and at times, in the midst of all the horror and pain and helplessness they feel on the job - and at home, behind the badge - yes, they are vulnerable, and they may falter like everyone else. In the book GOOD COP, SAD

COP, Author David Boyer provides an insight into the private lives of our men and women in blue, and how much they have to deal with behind the scenes, often having to suffer in silence. Please pray everyday for our Police Officers. They have a very tough job. We cannot expect them to wallow in the filth of society day in and day out without our full support and our prayers. Who among us is willing to give our lives for people we don't know or for

people who don't care about us? That is what they are willing to do everyday they put on their uniform and leave home - and when they go back home, too.

"With memorable moments of humor and a mystery to solve, this was an engrossing read."--Night Owl Reviews She's never met a problem she couldn't handle. Keely Walsh has three doctorates, five older brothers and has never met a situation she couldn't manage. While consulting with the NSA, she discovers sensitive government information indicating her brother, a private security operative, is in danger. Keely travels to the dangerous Triple Frontier in South America

to warn him and his colleagues and finds the last thing she expects--a man who sends icy shivers down her spine even as he lights every one of her fires. His job is to keep everyone safe. Ren Maddox, co-owner of Security Specialists International, a security firm that works for large corporations and governments, is on an intelligence-gathering mission for the US government when a petite strawberry blonde armed with a Bren Ten and an attitude ten feet tall pops out of the Argentine jungle with a warning of imminent

danger. The fact she is one hundred percent correct shocks him to his socks. The fact she is Tweeter Walsh's baby sister and can fight like the fiercest Marine is beside the point. No one who looks like Keely should ever be in danger. And once he gets her out of the current situation, he 'll make it his life's work to protect the feisty, sexy, little woman from any and all danger. One alpha male. One determined and independent female. One hot, tumultuous relationship on a wild ride from Argentina to snow swept Idaho. "A keeper that

Not illustrated. 1893 edition. Excerpt: ...the wall to-morrow, and that around the fireside they must give thanks without him if they can. At half-

past three, a group of
generals, whose names
will need no "Old
Mortality" to chisel them
anew, stood upon Orchard
Knob. The hero of
Vicksburg was there,
calm, clear, persistent, far-
seeing. Thomas, the
sterling and steady;
Meigs, Hunter, Granger,
Reynolds. Clusters of
humbler mortals were
there, too, but it was any
thing but a turbulent
crowd; the voice naturally
fell into a subdued tone,
and even young faces
took on the gravity of

later years. Generals
Grant, Thomas, and
Granger conferred, an
order was given, a?id in
an instant the Knob was
cleared lilce a ship's deck
for action. At twenty
minutes of four, Granger
stood upon the parapet;
the bugle swung idle at
the bugler's side, the
warbling fife and the
grumbling drum
unheard--there was to be
louder talk--six guns, at
intervals of two seconds,
the signal to advance.
Strong and steady his
voice rang out: "Number

one, fire! Number two,
fire! Number three, fire!"
it seemed to me the tolling
of the clock of
destiny--and when at
"Number six, fire!" the
roar throbbed out with
the flash, you should have
seen the dead line that
had been lying behind the
works all day, all night, all
day again, come to
resurrection in the
twinkling of an eye--leap
like a blade from its
scabbard, and sweep with
a two-mile stroke toward
the ridge. From divisions
to brigades, from

brigades to regiments, the order ran. A minute, and the skirmishers deploy; a minute, and the first great drops begin to patter along the line; a minute, and the musketry is in full play, like the crackling whips of a hemlock fire; men go down, here and there, before your eyes; the wind lifts the smoke...
