illustrated history of Britain by Melanie Helder Synopsis. This is an illustrated history of Britain from prehistoric times to the present day. The book analyzes the major political and military events in British history, and where appropriate, looks at these within a wider, international context. It also describes everyday life for men and women from different levels of society in different ages: the kind of work they did, family life, etc. Emphasis is also placed on cultural,

intellectual, scientific and economic developments. An Illustrated History of Britain by David McDowall
Resumen - An Illustrated History of Britain - 60129 - StuDocu
An Illustrated History of British Theatre and Performance chronicles the history and development of theatre from the Roman era to the present day. As the most public of arts, theatre constantly interacted with changing social, political and intellectual movements and ideas, and Robert

Leach 's masterful work restores to the foreground of this evolution the contributions of women, gay people and ethnic minorities, as well as the theatres of the English regions, and of Wales and Scotland.

Britain has not been
always an island. It
became one after the
last ice age. The
temperature rose and
the ice cap melted,

flooding the lower land
that is now under the
North Sea and the
English Channel. The
first inhabitants were
divided in two groups
BC). The first group
made their tools from
flakes of flint.
