An Introduction to Political Geography provides a broad-based introduction to how power interacts with space; how place influences political identities; and how policy creates and remoulds territory. By pushing back the boundaries of what we conventionally understand as political geography, the book emphasizes the interactions between power, politics and policy, space, place and territory in different geographical contexts.

An Introduction to Political Geography continues to provide a broad-based introduction to contemporary political geography for students following undergraduate degree courses in geography and related subjects.

An Introduction to Political Geography by John Rennie ...

An Introduction to Political Geography provides a broad-based introduction to contemporary political geography. It examines the inter-relationship between politics and geography at a variety of scales and in a number of different contexts. It explores how power interacts with space; how place influences political identities; and how policy creates and remoulds territory.
