An Introduction to Sociolinguistics: Holmes, Janet: Amazon ...

Sociolinguistics is the study of the interaction between language and society. In this classic introductory work, Janet Holmes examines the role of language in a variety of social contexts, considering both how language works and how it can be used to signal and interpret various aspects of social identity.

Holmes, An Introduction to Sociolinguistics, 3rd Edition ...

"An Introduction to Sociolinguistics has been among the most approachable and yet insightful of all the textbooks on this

subject since its first edition in 1992. It is engaging while never shying away from theory - a considerable achievement.

An introduction to sociolinguistics (Book, 2001) [WorldCat ...

- Sociolinguistics : a term that refers to the study of the relationship between language and society, and how language is used in multilingual speech communities.

Q what aspects of language are Sociolinguists interested in?

Sociolinguists are interested in explaining why people speak differently in different social contexts.
