The Mafia has
maintained an
enduring hold
on the
American
cultural imagina
tion--even as it
continues to
wrongly color
our real-life
perception of
Italian
Americans.
Journalist and
cultural critic
De Stefano
takes a look at
the origins and
prevalence of
the Mafia
mythos in
America.
Beginning with
a consideration

of Italian emigration in the early twentieth century and the fear and prejudice--among both Americans and Italians--that informed our earliest conception of what was the largest immigrant group to enter the United States, De Stefano explores how these impressions laid the groundwork for the images so familiar to us today and uses them to

illuminate and explore the variety and allure of Mafia stories. At the same time, he addresses the lingering power of the goodfella cliché, which makes it all but impossible to green-light a project about the Italian American experience not set in gangland. --From publisher description. [A Date You Can't Refuse](#) Simon and Schuster Being interviewed by Darius Mistry, Mumbai's most prestigious investment fund

director, isn't what ambitious businesswoman Mallika was expecting. Their scorching chemistry makes turning down his job offer even more difficult, but Mallika has responsibilities. Ones not even Darius's killer charm can persuade her to abandon... Darius can't understand why Mallika would walk away from her dream job, much less the heat between them! He's determined to help her indulge it, by making her an offer she just can't refuse! The Making of the Godfather I'll Make You an Offer You Can't Refuse This " wickedly

pacey page-turner ” (Total Film) unfurls the behind-the-scenes story of the making of The Godfather, fifty years after the classic film ’ s original release. The story of how The Godfather was made is as dramatic, operatic, and entertaining as the film itself. Over the years, many versions of various aspects of the movie ’ s fiery creation have been told—sometimes conflicting, but always compelling. Mark Seal sifts through the evidence, has extensive new conversations with

director Francis Ford Coppola and several heretofore silent sources, and complements them with colorful interviews with key players including actors Al Pacino, James Caan, Talia Shire, and others to write “ the definitive look at the making of an American classic ” (Library Journal, starred review). On top of the usual complications of filmmaking, the creators of The Godfather had to contend with the real-life members of its subject matter: the Mob. During production of the movie, location

permits were inexplicably revoked, author Mario Puzo got into a public brawl with an irate Frank Sinatra, producer Al Ruddy ’ s car was found riddled with bullets, men with “ connections ” vied to be in the cast, and some were given film roles. As Seal notes, this is the tale of a “ movie that revolutionized filmmaking, saved Paramount Pictures, minted a new generation of movie stars, made its struggling author Mario Puzo rich and famous, and sparked a war

between two of the mightiest powers in America: the sharks of Hollywood and the highest echelons of the Mob. ” “ For fans of books about moviemaking, this is a definite must-read ” (Booklist).

If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some

other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

An Offer She Can't Refuse
Knopf Books for Young Readers

The Mafia has codes of conduct that are just as strict as any justice system--only the penalty for breaking these codes is getting whacked!

One of those laws is the Law of Omerta. Omerta means

silence. You do not talk about the Mafia. You do not talk about any of the Mafia's members or their activities, or even their existence. If you do so, you will "sleep with the fishes." We may all be tough people out here, but the law of omerta doesn't apply to your taxes and your relationship with the IRS! In fact, nothing will work against you more than staying silent. The IRS isn't going to put you in jail for failing to pay your taxes. But hiding--not filing--acting like they and even you don't exist does have the potential to land you in the slammer!

In plain and simple language, Juan Carlos Samaniego tells how he went for eight years without filing taxes, following the rule of omerta. Even his wife didn't know how long he had hidden from the IRS and how much he owed! He didn't tell anyone out of shame and fear that someone would "rat" him out! Yet he came out of all the omerta and hiding and guess what? Juan Carlos Samaniego is now an Enrolled Agent--the highest credential the IRS gives! He can defend taxpayers in front of the IRS on any level. He's a recognized expert at

resolving tax issues; he is the Godfather of tax resolution. Carlos will show you the three crucial steps you must take to handle your tax debt problems. He will show you how to reduce your tax debt and get the IRS "hit men" off your back for good! Utilizing these proven strategies, you can permanently end the nightmare of IRS harassment, put your tax problems behind you, and start living the life of a "goodfella."

The Godfather. A modern masterpiece, The Godfather is a searing portrait of the 1940s criminal underworld. It is also the intimate story of the Corleone family, at once drawn together and ripped apart by its unique position at the core of the American Mafia. [An Offer You Can't Refuse](#) Farrar, Straus and Giroux In this entertaining and insightful essay, Mario Puzo chronicles his rise from struggling writer to overnight success after the publication of *The Godfather*. With equal parts cynicism and humor, Puzo recounts the book deal and his experiences in Hollywood while writing the screenplay for the movie. with Puzo. First published in 1972, the essay is now available as an ebook for the first time. A must-have for every Godfather fan! Featuring a foreword by Ed Falco, author of *The Family Corleone*. HarperCollins

A “brutal, beautifully rendered” (The New York Times Book Review) collection of essays that offers poignant reflections on living between society’s most charged, politicized, and intractable polar spaces—between

black and white, rich and poor, thin and fat. Savala Nolan knows what it means to live in the in-between. Descended from a Black and Mexican father and a white mother, Nolan’s mixed-race identity is obvious, for better and worse. At her mother’s encouragement, she began her first diet at the age of three and has been both fat and painfully thin throughout her life. She has experienced both the discomfort of generational poverty and the ease of wealth and privilege. It is these liminal spaces—of race, class, and body type—that the

essays in Don’t Let It Get You Down excavate, presenting a clear and nuanced understanding of our society’s most intractable points of tension. The twelve essays that comprise this collection are rich with “gorgeous prose” (Nadia Owusu, author of *Aftershocks*) and are as humorous and as full of Nolan’s appetites as they are of anxiety. The result is lyrical and magnetic. In “On Dating White Guys While Me,” Nolan realizes her early romantic pursuits of rich, preppy white guys weren’t about preference but about self-erasure. In the titular essay

“ Don ’ t Let it Get You Down, ” we traverse the cyclical richness and sorrow of being Black in America as Black children face police brutality, “ large Black females ” encounter unique stigma, and Black men carry the weight of other people ’ s fear. In “ Bad Education, ” we see how women learn to internalize rage and accept violence to participate in our own culture. And in “ To Wit and Also, ” we meet Filliss, Grace, and Peggy, the enslaved women owned by Nolan ’ s white ancestors, reckoning with the knowledge that America ’ s

original sin lives intimately within our present stories. Over and over again, Nolan reminds us that our true identities are often most authentically lived not in the black and white, but in the grey of the in-between. Perfect for fans of *Heavy* by Kiese Laymon and *Bad Feminist* by Roxane Gay, *Don ’ t Let It Get You Down* delivers a “ deeply personal insight ” (Layla F. Saad, *New York Times* bestselling author of *Me and White Supremacy*) on race, class, bodies, and gender in America today. Summary: I'll Make You an Offer You

The phone rang at 2:00am, waking me from a sound sleep. To get a call at that hour I panicked and thought the worst. Who would be calling at this hour? Was there an accident? Did something happen to one of my children or perhaps a family

member? I fumbled for the phone knocking it off its cradle. My wife stirred next to me asking "Who is it at this hour?" Picking up the phone and with an anxious quality in my voice I asked, "Who is it?" Hearing the voice of Bill Kennedy, one of my security personnel, had me immediately sit up in bed. Getting calls in the middle of the night was not unusual to me. But this time, at this hour of the night, I knew it had to be important. Many times, calls came from a location scout or from the production office of a movie company requesting security at a location where they just finished shooting. This time, when I heard my security man's voice, that of Bill Kennedy, I jumped out of bed and took the phone into my bathroom. Bill Kennedy was my security officer assigned at the Waldorf Towers in the Waldorf Astoria Hotel in New York City. Our client was Frank Sinatra. All kinds of thoughts ran through my mind. He then

went on to say he was sorry for waking me, but he felt he had to tell me because it was a very unusual situation and shocking to him. He also said if the press were to get the story, it would make page six or even the front page for that matter. I quickly asked if Mr. Sinatra was okay or if anything happened to him. He assured me Mr. Sinatra was okay, and nothing happened to him... but he was not himself. I then asked, "What do you mean he was not himself?" He then described

what happened. You cannot make stories like this up. And this is only one story in the many I have encountered as an actor, security person and friend to many of Hollywood's biggest stars. You are about to read stories about the following celebrities I either worked with, did security for, or befriended. I had known many people of interest, quite a few of them Hollywood's biggest stars. Many are still by-words: Telly Savalas, Al Pacino, Meryl Streep, Robert De

Niro, Barbra Streisand, Tom Hanks, Frank Sinatra, Katherine Hepburn, to name just a few. So, I decided stories about them might be of interest to movie fans and the public. Then why would anyone want to read my autobiography? Especially when I'm practically a nobody in the business in comparison to them. Yes, I have had my fifteen minutes of fame. I worked in the original Godfather movie. I had a small role in Ghostbusters that people seem to

remember me in. I worked in the Kojak series both as an actor and technical advisor. I also had a co-starring role in a TV series called Eischeid, which starred Joe Don Baker. I did okay as an actor but who will remember Joe Cirillo, enough to buy his book? But I realized this story was about a lot more than me. My friends told me that I probably had more interesting stories to tell than the average actor. They would say my book did not have to be limited

to just my Hollywood experiences. I could write so much more, and it would not be fiction. They would tell me my being a combat veteran during the Korean War would make an interesting story by itself. And being a police officer in the New York City Police Department for twenty years would be another one. I was on the job from the late 50's to the late 70's, which were very turbulent years in New York City. I had been friends or worked with some of the

most honored and famous police officers and detectives in those years. I knew detectives Eddie Egan and Sonny Grosso of The French Connection fame. They were portrayed by Gene Hackman and Roy Scheider, and that movie went on to become the Academy Award winner for best picture of the year. I knew many other famous recognizable names of the NYPD and their stories that were front page headlines. What you are about to

read is the truth. I am not looking to embarrass or defame anyone. You can't make this up!
