Fifteen years in the making, “ 860 glittering pages ” (The New York Times), the first volume of the astonishing life of Barbara Stanwyck—one of our greatest screen actresses—explores her extraordinary range of eighty-eight motion pictures, her work, her world, and her Hollywood through an American century. Frank Capra called her “ the greatest emotional actress the screen has yet known. ” Yet Barbara Stanwyck (1907-1990) was also one of its most underrated stars. Now, Victoria Wilson gives us the most complete portrait of this magnificent actress, seen as the quintessential Brooklyn girl whose family was in fact of old New England stock...her years in New York as dancer and Broadway star...her fraught marriage to Broadway genius, Frank Fay...the adoption of a son; her partnership with Zeppo Marx, with whom she created a horse breeding farm; her fairytale romance and marriage to Robert Taylor, America's most sought-after male star... Here is the shaping of her career working with Hollywood's most important directors, all set against the times—the Depression, the rise of the unions, the coming of World War II, and a fast-evolving motion picture industry. At the heart of the book is Stanwyck herself—how she transformed herself from shunned outsider into one of America's most revered screen actresses. Volume One is the result of more than 100 exhaustive interviews with those who knew Stanwyck, many who never before had agreed to be interviewed: her family, friends, and co-workers from Lauren Bacall, Jane Fonda, and Jackie Cooper to Patricia Neal, Milton Berle, and Kirk Douglas; from Billy Wilder, Bruce Dern, and Anthony Quinn to Jane Powell, Charlton Heston, Arthur Laurents, and Sydney Lumet. “ An epic Hollywood narrative, ” A Life of Barbara Stanwyck includes never-before-seen letters, journals, and photographs.

Bugs are for the birds! Lisbon is hungry and it ' s hard to wait for dinner. When her animal friends try to help her find something tasty to eat, the real the problems begin! Join Lisbon on her funny misadventures. Each beautiful illustration is designed to inspire the imaginations of children. An activity page at the end of the book allows for more fun as they search for special items in the illustrations. This version of I Don't Want to Eat Bugs has been designed specifically for ebook with a fixed layout and larger text for easy reading. While this is a great read-aloud book for parents, teachers, and other adults to share with children, we have chosen fonts that are similar to the way children form letters for easy recognition as they begin to read on their own. The print book is also available in 8.5 ” x 11 ” format. Author ' s Note: I Don't Want to Eat Bugs was written for my daughter, who was two when I wrote this story and didn ' t like salad, but now she ' s four and a half and loves it—if I give her plenty of salad dressing! (But don ' t worry—this isn ' t a book about eating salad.) Of course birds, cats, and dogs have a very different idea of what's good to eat, but through this fun adventure, Lisbon learns there is also food meant just for her—and it's good, especially compared with all the offerings from her animal friends. My daughter and I privately call this book the "Ice Cream Story" (she LOVES ice cream so there

had to be ice cream involved), and now whenever something funny happens, she says, "We should write a new ice cream story about that." And we have! I Don't Want to Eat Bugs is the first book in a planned series called Lisbon 's Misadventures. I 've written the next three books in the series, and Tim Petersen is hard at work creating the illustrations. Tim is obviously a fabulous artist, and I 'm excited to be working with him. You can sign up on my website to learn when the next book comes out (<http://teylarachelbranton.com/>). Thank you and enjoy!

Writers have been writing about war since the siege of Troy, but few, if any, have captured the first-person experience of war as deeply as My Vietnam War. Set in 1967 (the deadliest year of the Vietnam War), this memoir-style novel depicts the psychological journey of a young man whose carefree days of studying philosophy at the university are ended by the draft. The story follows him from his initial rear-echelon assignment in Saigon, where he falls for a mysterious storytelling bar girl, to his eventual posting at an isolated front-line firebase in one of the deepest parts of the Vietnam jungle. While recovering from a leg wound (he is hit by a piece of bone from a fellow soldier who stepped on a booby trap

mine), he becomes the assistant medic and sees the horrors of war close up. The experience begins his steady spiral down into PTSD. After he is seriously wounded, he ends up back in Saigon where, after an old friend from Arizona gets him involved in the underground drug trade, the mysterious bar girl may be his only hope for salvation. It is a powerful story, well-written, with vivid detail that you will never forget.

A pregnancy pact between three teenaged girls puts their mothers' love to the ultimate test in this explosive new novel from Barbara Delinsky, "a first-rate storyteller who creates characters as familiar as your neighbors." (Boston Globe) When Susan Tate's seventeen-year-old daughter, Lily, announces she is pregnant, Susan is stunned. A single mother, she has struggled to do everything right. She sees the pregnancy as an unimaginable tragedy for both Lily and herself. Then comes word of two more pregnancies among high school juniors who happen to be Lily's best friends--and the town turns to talk of a pact. As fingers start pointing, the most ardent criticism is directed at Susan. As principal of the high school, she has always been held up as a role model of hard work and core values. Now her detractors accuse her of being a lax mother, perhaps not worthy of the job of shepherding impressionable students. As Susan struggles with the implications of her daughter's pregnancy, her job, financial independence, and long-fought-for dreams are all at risk. The emotional ties between mothers and daughters are stretched to breaking in this emotionally wrenching story of love and forgiveness. Once again, Barbara Delinsky has given

us a powerful novel, one that asks a central question: What does it take to be a good mother?
