The Incredible True Story of Two Girls in the Seventeen-Hundreds Who Become the Powers Behind the Thrones of the World's Greatest Empires The fulfillment of an outrageous prediction seals the fates of two cousins in this true story that begins on a Caribbean sugar plantation and careens wildly towards the thrones of two empires. Innocent Aimée refuses to believe she might ever have to face the intrigue and evil that lurks beneath the exotic beauty and opulence of the Ottoman Empire. Rose mistakenly believes that her marriage to an aristocratic French lieutenant will insure her place in Parisian society. Both will be proven wrong. This first book in Zia Wesley's The Veil and the Crown series tells the beginning of the extraordinary true story of Aimée Dubucq de Rivery and her cousin, Rose Tascher de La Pagerie...both destined to be queens.

Publisher's Note: This is an extraordinarily well-researched novel that is true to the period. As such, there is explicit sexual and violent content that, while typical to the era, is most appropriate for adult readers. The Veil and the Crown, in series order: The Stolen Girl The French Sultana "I lingered over and savored the vivid descriptions and found it absorbing, historically interesting, well researched and constantly enticing. It was as if Zia took me by the hand and we followed the heroine through all her adventures.

Scheherazade, eat your heart out!" - Lorain Fox Davis, Grammy winner and educator

Homo Luminous Apa Publications (UK) Limited
One of the top-ten bestselling novels ever written. "An extravagant, absorbing novel of love, courage, ambition, war, death and passion." -The New York Times
Barbara Taylor Bradford's The Emma Harte Saga begins with this record-shattering New York Times bestseller that traces Emma Harte's legacy through multiple generations of indomitable women. From the servants' quarters of a manor house on the brooding Yorkshire moors to the helm of a profitable international business, Emma Harte's life is a sweeping

saga of unbreakable spirit and resolve. Rising from abject poverty to glittering wealth at the upper echelons of society, there is only one man the indomitable Emma cannot have—and only one she yearns for. The novel was also the subject of a popular 1984 miniseries starring Jenny Seagrove and Deborah Kerr. "A long, satisfying novel of money, power, passion and revenge set against the sweep of 20th century history." -Los Angeles Times "A wonderfully entertaining novel." -The Denver Post "A mighty saga. Little has been so riveting since *Gone with the Wind*." -Manchester Evening News "Tailor-made for fans of McCullough's *Thornbirds*." -Publishers Weekly "The storyteller of substance." -The Times (London)

What's Wrong with Pauly? Huss Publishing

At 22.48pm on May 19th, 1983, a young, single mother pulled up outside McKenzie-Willamette Hospital in Springfield, Oregon, in a blood-spattered Nissan Pulsar, repeatedly shouting that someone had shot her children. Hospital staff rushed to the car and found three children slumped inside. The mother, Diane Downs, had herself been shot in the left arm, which was wrapped in a blood-soaked towel. As medics frantically tried to save the lives of the little ones, Diane told police that a man had flagged her down on the Old Mohawk Road, and demanded her car. When she had refused, he had leant into the car and shot her three children. According to Diane, she had struggled with the man who had then shot her in the arm. Pretending to throw the car keys into a field, she managed to distract the man long enough to get in her car and drive away, in a desperate bid to get the children to the hospital in time to save them. Tragically, 7-year-old Cheryl was already dead, and, although still alive, 3-year-old Danny and 8-year-old Christie were in a critical condition. The bone in Diane's arm was shattered. While the people of Oregon, and the wider community, reeled in shock at this heinous crime and fearful of the bushy haired killer whom Diane had described, and who was still at large, the police were turning their attention to someone closer to home - the mother herself, Diane Downs.

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. *But I'm Not Depressed* is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

The Stolen Girl (The Veil and the Crown, Book 1) Bookouture

Bugs are for the birds! Lisbon is hungry and it's hard to wait for dinner. When her animal friends try to help her find something tasty to eat, the real the problems begin! Join Lisbon on her funny misadventures. Each beautiful illustration is designed to inspire the imaginations of children. An activity page at the end of the book allows for more fun as they search for special items in the illustrations. This version of *I Don't Want to Eat Bugs* has been designed specifically for ebook with a fixed layout and larger text for easy reading. While this is a great read-aloud book for parents, teachers, and other adults to share with children, we have chosen fonts that are similar to the way children form letters for easy recognition as they begin to read on their own. The print book is also available in 8.5" x 11" format. Author's Note: *I Don't Want to Eat Bugs* was written for my daughter, who was two when I wrote this story and didn't like salad, but now she's four and a half and loves it—if I give her plenty of salad dressing! (But don't worry—this isn't a book about eating salad.) Of course birds, cats, and dogs have a very different idea of what's good to eat, but through this fun adventure, Lisbon learns there is also food meant just for her—and it's good, especially compared with all the offerings from her animal friends. My daughter and I privately call this book the "Ice Cream Story" (she LOVES ice cream so there had to be ice cream involved), and now whenever something funny happens, she says, "We should write a new ice cream story about that." And we have! *I Don't Want to Eat Bugs* is the first book in a planned series called *Lisbon's Misadventures*. I've written the next three books in the series, and Tim Petersen is hard at work creating the illustrations. Tim is obviously a fabulous artist, and I'm excited to be working with him. You can sign up on my website to learn when the next book comes out (<http://teylarachelbranton.com/>). Thank you and enjoy!

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation—and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiuser

and curiuser from there. During his stay—which is sometimes zany and sometimes frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.

New from award-winning YA author Barbara Pietron, an ebook bundle of the prequel and first two books in the *Legacy in Legend* series. About the series: In *Thunderstone*, Jeni and her family gather at Lake Itasca, Minnesota, to spread her grandfather's ashes in the Mississippi Headwaters. While they are there, they agree to meet again at various locations along the Mississippi River to remember him as they trace his journey to the Gulf of Mexico. These gatherings set the foundation for the *Legacy in Legend* series. Every time the family assembles, Jeni comes in contact with a malicious otherworldly element. These frightening and perilous encounters are no help in Jeni's search for her spiritual heritage, as the supernatural entities come from a variety of mythologies and lore. Yet each vengeful confrontation makes it more important that she discover and harness whatever power she possesses so she can protect herself and her loved ones and, ultimately, end the deadly attacks.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from its celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brandt tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Writers have been writing about war since the siege of Troy, but few, if any, have captured the first-person experience of war as deeply as *My Vietnam War*. Set in 1967 (the deadliest year of the Vietnam War), this memoir-style novel depicts the psychological journey of a young man whose carefree days of studying philosophy at the university are ended

by the draft. The story follows him from his initial rear-echelon assignment in Saigon, where he falls for a mysterious storytelling bar girl, to his eventual posting at an isolated front-line firebase in one of the deepest parts of the Vietnam jungle. While recovering from a leg wound (he is hit by a piece of bone from a fellow soldier who stepped on a booby trap mine), he becomes the assistant medic and sees the horrors of war close up. The experience begins his steady spiral down into PTSD. After he is seriously wounded, he ends up back in Saigon where, after an old friend from Arizona gets him involved in the underground drug trade, the mysterious bar girl may be his only hope for salvation. It is a powerful story, well-written, with vivid detail that you will never forget.

Love in Hiding Harlequin Books

After her stagecoach collides with the Marquis of Stade's speeding curricule on the road to Blackwater, slender golden-haired beauty, Gretna Hayden, is somewhat at the mercy of this cynical-lipped yet handsome Nobleman. Knowing this and concerned for Gretna's reputation, her companion and chaperone, the rotund Mrs. Merryweather, passes her off as her niece when they arrive at his magnificent nearby Stately home. Sadly the Marquis seems to take her lowly status as an excuse to proposition her in way that he would never dream of treating a Society lady. Little does he suspect that Gretna is the daughter of just such a lady and one with a scandalous past and illustrious connections of her own – namely with The Prince of Wales's consort, Maria Fitzherbert, or Aunt Maria to Gretna! The gossip-mongers in the late 1780s were all speculating that the Prince and Mrs. Fitzherbert had been secretly married and purely by chance Gretna found that it was indeed true. Gretna hates the steely-eyed and supercilious Marquis with his sarcasm and curled lip, especially when he has the temerity to suggest that Mrs. Fitzherbert's residence in the smartest part of London is an unsuitable place for a young girl like Gretna to be staying. But then his arrogance pales into insignificance compared to the vile predatory Lord Wroxhall, who pursues Gretna mercilessly until finally love comes out of hiding for the Marquis and his golden-haired Gretna.
