[An Uncertain Glory]: India in Comparative Perspective | BLOG

The book: *An Uncertain Glory; India and its Contradictions* (Published August 11th 2013 by Princeton University Press) is a joint work of the two eminent scholars which highlights the fissures in the glorified development story of India since Independence. It critically examines the challenges facing the third largest economy in the world and the second largest in Asia.

Book Review:An Uncertain Glory: India and its ...

An Uncertain Glory thus, is equally of interest for readers coming from economic, social and political background as it

reveals the story of India's development. There has been an implied notion amongst political and economic logics which believes that the benefit of economic development will eventually trickle down from the higher levels to the grass roots leading to development with a broader base.

Description : From two of India's leading economists, Jean Drèze (Hunger and Public Action) and Nobel Prize-winner Amartya Sen (The Idea of Justice), *An Uncertain Glory* is a passionate, considered argument for the need for a greater understanding of inequalities in India, despite economic development. When India regained

independence from colonial rule in 1947, it immediately adopted a firmly democratic political system, with multiple parties, freedom of speech and extensive political rights. [An Uncertain Glory: India and its Contradictions on JSTOR](#) The India captured in that image — a preening consumer economy built on the backs of the destitute — is the subject of “An Uncertain Glory,” a new book by the economists Jean Drèze and Amartya Sen...
