What kind of evil lives at the Union Screaming House? In this true and terrifying firsthand account, Steven LaChance reveals how he and his three children were driven from their Union, Missouri, home by demonic attackers. LaChance chronicles how the house's relentless supernatural predators infest those around them. He consults paranormal investigators, psychics, and priests, but the demonic attacks—screams,

### Grave's End Penguin

Nancy loves a good mystery. That's why she, Bess, and George are volunteering at Persimmon Woods Pioneer Village, a living history museum of the 1830s. Nancy's heard that a lot of weird things have been happening there, like the eerie sightings of the Lantern Lady the ghost of an original settler. But as soon as Nancy starts investigating, she learns that even though the workers at Persimmon Woods are in costume, the danger isn't an act.

Someone has concocted a cunning scheme to destroy the village—and if Nancy doesn't find the culprit, she could become history, too.

Alison Kerby's guesthouse

is already crowded with spirits. The last thing she needs is a whole new batch of haunts settling in. As Alison's reputation as "the ghost lady" grows, so does her business—and not always in a way she'd like. Tourists may be flocking to her guesthouse for a chance to glimpse her resident spirits, but her special abilities are also bringing unwanted private investigation cases to her door. And she has no choice but to take a case when the local homeless man is found murdered under mysterious circumstances, just hours after asking for help in exorcising a specter. If that weren't enough to deal with, Alison's other PI case soon turns fatal, as the mistress she was spying on for a jealous wife turns up dead as well. The cases seem like

they couldn't possibly be linked, but with a mountain of clues, motives and suspects—both living and dead—Alison will have to think fast before someone else checks out for good... *Ghouls Just Haunt to Have Fun* Author House

Alison Kerby's guesthouse is haunted all year round. Surviving the dead of winter, though? That's a spooky proposition. Even with a blizzard bearing down on New Jersey, Alison can count on at least two guests—Paul and Maxie, the stubborn ghosts who share her shore town inn. Then there's her widowed mother, who hasn't just been seeing ghosts, she's been secretly dating one: Alison's father. But when he stands her up three times in a row, something's wrong. Is he a lost soul...or a missing

apparition? Their only lead is an overdramatic spirit—stage name Lawrence Laurentz—who doesn't take direction well and won't talk until they find his killer. Alison will reluctantly play the part of PI, but when the clues take a sinister turn, the writing is on the wall: If Alison can't keep a level head, this will be her father's final act—and maybe her own.
