(DOC) The Waste Land by T. S. Eliot - An analysis of ...

Summary. The first section of The Waste Land takes its title from a line in the Anglican burial service. It is made up of four vignettes, each seemingly from the perspective of a different speaker. The first is an autobiographical snippet from the childhood of an aristocratic woman, in which she recalls sledding and claims that she is German, not Russian (this would be important if the woman is meant to be a member of the recently defeated Austrian imperial family).

The Waste Land Summary / SuperSummary

T.S. Eliot, perhaps one of the most controversial poets of modern times, wrote what many critics consider the most controversial poem of all, The Waste Land. The Waste Land was written using a fragmented style. This is a style that is evident in all of Eliot’s writings. There are several reasons for his using this approach, from a feeling of being isolated, to a problem articulating thoughts (Bergonzi 18, Cuddy 13, Mack 1745, Martin 102).
