A Poem Zondervan

.  
The Rainbow Illustrated Penguin UK  
MY LAST DUCHESS is the debut novel from Daisy Goodwin, the script writer of the epic ITV Sunday night drama VICTORIA. A rich, rewarding love story, perfect for readers of Georgette Heyer, and fans of VICTORIA, DOWNTON ABBEY and THE CROWN. 'Sparkling and thoroughly engaging' Sunday Times 'Deliciously classy. An intelligent pleasure, full of exquisite period detail' Kate Mosse Cora Cash has grown up in a world in which money unlocks every door. Her coming-out ball promises to be the most opulent of the gilded 1890s, a fitting debut for New York's 'princess'. Yet her fortune cannot buy her the one thing she craves -- the freedom to choose her own destiny. For Cora's mother has her heart on a title for her daughter, and in England -- where they are bound, to find Cora a husband. When Cora loses her heart to a man she barely knows, she soon realises that she is playing a game she does not fully understand -- and that her future happiness is the prize.

The Lifeguard Bedford/St. Martin's  
All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould. Suggestions to Medical Authors and A.M.A. Style Book Faber & Faber "An exciting novel of suspense, based on a fight to the finish between an honest and courageous young man and a cynical business tycoon who believes that anything can be had for a price."--Horn Book. An ALA Best of the Best Books for Young Adults, Edgar Allan Poe Mystery Writers Award, A New York Times Outstanding Book of the Year, New York Public Library--Books for the Teen Age.

Othello Supercollege Llc  
Not just another jeremiad against prevailing isms and orthodoxies, Why Literature Matters in the 21st Century examines literature in its connection to virtue and moral excellence. The author is concerned with literature as the teacher of virtue. The current crisis in the humanities, Mark William Roche argues, may be traced back to the separation of art and morality. ("When the distinction between is and ought is leveled," he writes, "the power of the professions increases.") The arts and humanities concern themselves with the fate and prospects of humankind. Today that fate and those prospects are under the increasing influence of technology. In a technological age, literature gains in importance precisely to the extent that our sense of intrinsic value is lost. In its elevation of play and inexhaustible meaning, literature offers a counterbalance to reason and efficiency. It helps us grasp the ways in which diverse parts form a comprehensive and complex whole, and it connects us with other ages and cultures. Not least, great literature grapples with the ethical challenges of the day.

Discovering Wes Moore Penguin  
"From one of the most brilliant and influential lawyers of our time comes an unforgettable true story about the redeeming potential of mercy. Bryan Stevenson was a gifted young attorney when he founded the Equal Justice Initiative, a legal practice dedicated to defending the poor, the wrongly condemned, and those trapped in the furthest reaches of our criminal justice system. One of his first cases was that of Walter

McMillian, a young man sentenced to die for a notorious murder he didn't commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinksmanship - and transformed his understanding of mercy and justice forever."--Back cover.  
*The Writer's Presence* Women Writers  
"If you read only one book about democracy, The Turnaway Study should be it. Why? Because without the power to make decisions about our own bodies, there is no democracy." --Gloria Steinem "Dr. Diana Greene Foster brings what is too often missing from the public debate around abortion: science, data, and the real-life experiences of people from diverse backgrounds...This should be required reading for every judge, member of Congress, and candidate for office--as well as anyone who hopes to better understand this complex and important issue." --Cecile Richards, cofounder of Supermajority, former president of Planned Parenthood, and author of Make Trouble A groundbreaking and illuminating look at the state of abortion access in America and the first long-term study of the consequences--emotional, physical, financial, professional, personal, and psychological--of receiving versus being denied an abortion on women's lives. What happens when a woman seeking an abortion is turned away? Diana Greene Foster, PhD, decided to find out. With a team of scientists--psychologists, epidemiologists, demographers, nursing scholars, and public health researchers--she set out to discover the effect of receiving versus being denied an abortion on women's lives. Over the course of a ten-year investigation that began in 2007, she and her team followed a thousand women from more than twenty states, some of whom received their abortions, some of whom were turned away. Now, for the first time, the results of this landmark study--the largest of its kind to examine women's experiences with abortion and unwanted pregnancy in the United States--have been gathered together in one place. Here Foster presents the emotional, physical, and socioeconomic outcomes for women who received their abortion and those who were denied. She analyzes the impact on their mental and physical health, their careers, their romantic lives, their professional aspirations, and even their existing and future children--and finds that women who received an abortion were almost always better off than women who were denied one. Interwoven with these findings are ten riveting first-person narratives by women who share their candid stories. As the debate about abortion rights intensifies, The Turnaway Study offers an in-depth examination of the real-world consequences for women of being denied abortions and provides evidence to refute the claim that abortion harms women. With brilliant synthesis and startling statistics--that thousands of American women are unable to access abortions; that 99% of women who receive an abortion do not regret it five years later--The Turnaway Study is a necessary and revelatory look at the impact of abortion access on people's lives.

Othello (The Tragedy of Othello, the Moor of Venice) is a tragedy by William Shakespeare, believed to have been written in 1603. It is based on the story Un Capitano Moro ("A Moorish Captain") by Cinthio (a disciple of Boccaccio's), first published in 1565.The story revolves around its two central characters: Othello, a Moorish general in the Venetian army, and his treacherous ensign, Iago. Given its varied and enduring themes of racism, love, jealousy, betrayal, revenge, and repentance, Othello is still often performed

in professional and community theatre alike, and has been the source for numerous operatic, film, and literary adaptations.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South--and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father--a crusading local lawyer--risks everything to defend a black man unjustly accused of a terrible crime.

WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR TAYARI JONES "How can a novel's social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that The Street amazes, but this description cheapens her talent . . . Petry is a gifted artist." -- Tayari Jones, from the Introduction The Street follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a fresh perspective on the realities and challenges of black, female, working-class life, The Street became the first novel by an African American woman to sell more than a million copies.

provides readers with the latest statistics, thinking, and strategies in the prevention of workplace violence. The authors, who themselves have implemented successful workplace violence protection programs, guide novice and experienced practitioners alike in the development of their own programs.

They Say / I Say POE Young Readers

This edition contains the English translation and the original text in German. "Before the Law" (German: "Vor dem Gesetz") is a parable contained in the novel "The Trial" (German: "Der Prozess"), by Franz Kafka. "Before the Law" was published in Kafka's lifetime, first in the New Year's edition 1915 of the independent Jewish weekly "Selbstwehr", then in 1919 as part of the collection "Ein Landarzt" ("A Country Doctor"). "The Trial", however, was not published until 1925, after Kafka's death. "Vor dem Gesetz" ist ein 1915 veröffentlichter Prosatext Franz Kafkas, der auch als Türhüterlegende oder Türhüterparabel bekannt ist. Die Handlung besteht darin, dass ein "Mann vom Land" vergeblich versucht, den Eintritt in das Gesetz zu erlangen, das von einem Türhüter bewacht wird.

**What Ever Happened to Modernism?** Scribner  
The fourth book in Laura Ingalls Wilder’s treasured Little House series, and the recipient of a Newbery Honor—now available as an ebook! This digital version features Garth Williams’s classic illustrations, which appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. The adventures of Laura Ingalls and her family continue as they leave the prairie and travel in their covered wagon to Walnut Grove, Minnesota. Here they settle in a new home made of sod beside the banks of Plum Creek. Soon Pa builds a wonderful new little house with real glass windows and a hinged door. Laura and her sister Mary go to school, help with the chores, and fish in the creek. At night everyone listens to the merry music of Pa's fiddle. Misfortunes come in the form of a grasshopper plague and a terrible blizzard, but the pioneer family works hard together to overcome these challenges. The nine Little House books are inspired by Laura’s own childhood and have been cherished by generations of readers as both a unique glimpse into America’s frontier history and as heartwarming, unforgettable stories.
