Bible Coloring Pages Independently Published
Biblicism, an approach to the Bible common among some American evangelicals, emphasizes together the Bible's exclusive authority, infallibility, clarity, self-sufficiency, internal consistency, self-evident meaning, and universal applicability. Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims. If evangelical biblicism worked as its proponents say it should, there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible. Far from challenging the inspiration and authority of Scripture, Smith critiques a particular rendering of it, encouraging evangelicals to seek a more responsible, coherent, and defensible approach to biblical authority. This important book has generated lively discussion and debate. The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked.

Apples of Gold in Pictures of Silver Davidson Renato

Ten of the Bible's best-known femmes fatales parade across the pages of this popular and unforgettable study with situations that sound oh-so-familiar. Women everywhere marvel at those "good girls" in Scripture – Sarah, Mary, Esther – but on most days, that's not who they see when they look in the mirror. Most women (if they're honest) see the selfishness of Sapphira or the deception of Delilah. They catch a glimpse of Jezebel's take-charge pride or Eve's disastrous disobedience. Like Bathsheba, Herodias, and the rest, today's modern woman is surrounded by temptations, exhausted by the demands of daily living, and burdened by her own desires. So what's a good girl to do? Learn from their lives, says beloved Bible study teacher and speaker Liz Curtis Higgs, and choose a better path. Whether they were "Bad to the Bone," "Bad for a Season, but Not Forever" or only "Bad for a Moment," these infamous sisters show women how not to handle the challenges of life. With her trademark humor and encouragement, Higgs combines a contemporary retelling of the stories of these "other women" in Scripture with a solid, verse-by-verse study to teach us how to avoid their tragic mistakes and joyfully embrace grace. Let these Bad Girls show you why studying the Bible has never been more fun! Includes Discussion Questions and Study Guide

The Christmas Story Coloring Book For Toddlers and Kids Group Publishing (Company)

What a discovery! We all have things we carry with us through life. In my earthly belongings, I discovered pictures that are of inestimable value to me. I do not know where the calendar with its painted pictures originated (now no longer a calendar, but pictures cut skew by a child's hand). As a child, I admired these pictures for hours, and today they still have great appeal to me. I think, partly because I myself is an artist, but the main reason because the artist betrays Christ love in every painting. That's why I decided to add these pictures that have been in my possession for many years in a coloring book. I hope that you will enjoy coloring this book. I have converted the pictures to grayscale to make it possible for you to color. I hope you will experience the love of Christ in the miracles Jesus did while He walked here on earth in every picture the artist portrayed. And you also see His great love for sinners in the pictures. My wish is that the coloring of the pictures will make you calm and gives you peace of mind. May God bless you. This book consists of 33 coloring pages, plus 2x sample coloring pages with 13 small images for testing. The coloring pages are printed on 1 side only, Coloring book page size 8.5 x 11

Jesus Coloring Book Thomas Nelson

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Reflecting on the Names of Jesus

Kids really do say the darndest things. And in this humorous book by Carey Kinsolving and friends, the reader will be amused and sometimes amazed at the whimsical yet wise ways that children view God. With material taken from Kinsolving's weekly syndicated column, Kids Talk About God is a delightful collection of children's answers to questions like: How can God be everywhere at one

time? What do angels look like? Who made God? Why do we die?
