We are studying human anatomy this year,
using volume two of Sassafras Science. My
daughter is very fascinated with learning about
the human body systems and we have been
watching some educational TedEd videos on
Youtube. Just today when we were studying
about the digestive system, their free digestive
system video explained how the digestive
system works in a way that was easy to learn (I

When it comes to providing students and
teachers in nursing, medicine, and the
health professions with the educational
materials they need, our philosophy is
simple: learning never ends. Everything we
offer helps students bridge the gap between

the classroom and clinical practice, while supporting healthcare professionals in their jobs.
