We are studying human
anatomy this year, using
volume two of Sassafras
Science. My daughter is
very fascinated with
learning about the human
body systems and we
have been watching some
educational TedEd videos

on Youtube. Just today
when we were studying
about the digestive
system, their free digestive
system video explained
how the digestive system
works in a way that was
easy to learn (I wasn't ...

When it comes to providing
students and teachers in
nursing, medicine, and the
health professions with the
educational materials they
need, our philosophy is
simple: learning never
ends. Everything we offer helps
students bridge the gap
between the classroom and
clinical practice, while
supporting healthcare
professionals in their jobs.
