Until Summer's

End Simon and Schuster
Until the End of Time - the fast-paced gripping debut novel from Edie Baylis and the first in the

Downfall series. Jane Ellerton already had a reputation for violence and excess by the time she got with Seth Wright, who had

no limits either. They are perfect for each other; fiery, intelligent and compatible in every way. Together they make a formidable couple whom no one wants to get the wrong side of. Life should be perfect, but as Seth and Jane venture further into a world where chaos and violence are the norm, coupled with certain people intent on arranging their downfall, their lives begin to spiral out of control and their breathless romance starts to turn bad. All Seth offer is a world

surrounded by drugs, guns, murder and psychological manipulation, meaning their promise to love each other until the end of time begins to turn into a war against each other. Seth's paranoia is escalating and his behaviour is becoming more and more erratic. But then so is Jane's and whilst their lives descend further into madness and debauchery, she learns something which couldn't have come at a worse time. Will none of them ever learn? Realising everyone appears

to have lost faith in him Seth wonders which of his friends he can trust? Furthermore, how trustworthy are they? Being as everyone is trying to bring them down, will Jane and Seth get their lives back on track or will one of them finally snap, meaning they will both forever have to live with the aftermath? After all, no one seems to remember that obsession is a deadly downfall and love does not necessarily conquer all. Especially when it becomes warped. This book contains written depictions

of violence, sex and strong language.
The Great Gatsby
Racehorse
In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and

venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them a safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight

is far from over??the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.
Until The End Univ. of Queensland Press
Michael Grant's *Gone* series meets M. Night Shyamalan's *The Village* in this riveting story of one

girl's journey to save the very people who have lied to her for her entire life. Amy Plum, international bestselling author of the Die for Me series, delivers a fast-paced adventure perfect for fans of Marie Lu, Veronica Rossi, and Robison Wells. Juneau grew up fearing the outside world. The elders told her that beyond the borders of their land in the Alaskan wilderness, nuclear war had destroyed everything. But when Juneau returns from a hunting trip one day and discovers her people have been abducted, she sets off to find them. And leaving the boundaries for the very first time, she learns the horrifying truth: World War III never happened. Nothing

was destroyed. Everything she'd ever been taught was a lie. As Juneau comes to terms with an unfathomable deception, she is forced to survive in a completely foreign world, using only the skills and abilities she developed in the wild. But while she's struggling to rescue her friends and family, someone else is after her. Someone who knows the extraordinary truth about her secret past. And After The New Press Amy Plum, internationally bestselling author of the Die for Me series, delivers a heart-pounding adventure perfect for fans

of Michael Grant, Veronica Rossi, and Alexandra Bracken. Until the Beginning is the sequel to After the End, which Marie Lu, New York Times bestselling author of the Legend series and the Young Elites series, called “wonderfully riveting.” In this stunning and exhilarating conclusion to the duology, Juneau has been searching for her people and for answers . . . and she is about to find both. When Juneau 's clan disappeared, she

lost so much more than her friends and family. She soon discovered everything she thought she knew about her life was a lie. Her people's gifts were actually secret abilities that others wanted, desperately enough to kidnap an entire village. Juneau set off on a cross-country journey with her new companion, Miles, to find her clan, which led them to a game preserve in New Mexico. Now Juneau's people are finally within reach, and she

will stop at nothing to save them. But she has a target on her back too, because unbeknownst to her she is the key to unlocking everything. To rescue her people—and herself—Juneau must discover what she and her abilities are truly capable of. *Prevail Until the Bitter End* HarperCollins UK Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling

of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores

the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude.

Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page"

(*Entertainment Weekly*) of this edgy, haunting debut. Tense, gripping, and atmospheric, *I'm Thinking of*

Ending Things pulls you in from the very first page...and never lets you go.

A captivating exploration of deep time and humanity's search for purpose, from the world-renowned physicist and best-selling author of *The Elegant*

Universe. "Few humans share Greene's mastery of both the latest cosmological science and English prose." —*The New York Times* *Until the End of Time* is Brian Greene's breathtaking new exploration of the cosmos and our quest to find meaning in the face of this vast expanse. Greene takes us on a journey from the big bang to the end of time, exploring how lasting structures formed, how life and mind emerged, and how we grapple with

our existence through narrative, myth, religion, creative expression, science, the quest for truth, and a deep longing for the eternal. From particles to planets, consciousness to creativity, matter to meaning—Brian Greene allows us all to grasp and appreciate our fleeting but utterly exquisite moment in the cosmos. When You Reach Me RosettaBooks It has been nine months since the virus hit, wiping out almost everyone it touched. Seventeen-year-old Cora and

her little brother, Coby, haven't left home since. When a blistering drought forces her to go in search of water, she discovers that the world isn't quite as abandoned as she thought when a drop-dead sexy army deserter ambushes her, and forces her to take him home to her stockpile of supplies. There she finds her home decimated, and her brother missing, kidnapped by the military. If saving her brother from the government means a suicide mission, Cora's willing. But there's one guy who can't let her go... Until We Reckon Macmillan

Moving to America turns H& à 's life inside out. For all the 10 years of her life, H& à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H& à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H& à discovers the foreign world of Alabama: the coldness of its strangers, the

dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Until the End of the World Knopf Books for Young Readers Mack looks at five ways the universe could end, and the lessons each scenario reveals about the most important concepts in cosmology.

Two couples, four decades apart. One believes that if lovers die, they find each other again in another life. Or perhaps they wind up as stars side by side in the sky, together forever. Who knows how it really ends?

Danielle Steel presents the poignant story of two parallel destinies, and the kind of love we all hope will be everlasting. Bill, a dedicated young

lawyer working at his family ' s prestigious New York firm, leaves everything he trained for to follow his dream and become a minister in rural Wyoming. Jenny, his wife, is a stylist whose heart and soul are invested in fashion. She leaves the milieu and life she loves to join him. The certainty they share is that their destinies are linked forever. Fast forward thirty-eight years. Robert is a hardworking independent book publisher in Manhattan who has given up all personal life to build his struggling business. He is looking for one big hit novel to publish. Lilibet is a young Amish woman, living as though in the seventeenth century, caring for her

widowed father and three young brothers on their family farm. In secret at night, by candlelight, she has written the novel that burns within her, and gets it into Robert ' s hands, wrapped in her hand-stitched apron. He falls in love first with the book, and then with the woman he has never met, living in the sequestered world of the Amish—a world without telephones, computers, electricity, modern conveniences, or cars. Although Lilibet faces banishment from her family and community, she embraces the opportunity to publish her novel, and is irresistibly drawn to the man who has heard her voice. Destiny is at work here. Fate draws her

from her horse-and- buggy life toward his, and the publication of her novel. In the hands of master storyteller Danielle Steel, these two remarkable relationships come together in unexpected and surprising ways, as lovers are lost, and find each other again. If it is true that real love lasts forever and lovers cannot lose each other, then Until the End of Time will not only comfort and fascinate us, as destiny does her dance, but it will give us hope as well. Love and fate are powerful, irresistible forces, as Steel proves to us here, in a book about courage, change, risk, and hope . . . and love that never dies. [The End of Everything](#) Harper

Collins

The backstory that fans have been clamoring for - how Rock and Trisha fell in love - is the final installment in the sizzling Sea Breeze series. Trisha Corbin always knew how to hide a bruise. And as long as it meant her momma's boyfriends wouldn't go near her little brother, Krit, it was worth it. But dreaming that Prince Charming would ever rescue her was pointless. Rock Taylor always had a plan - a football scholarship for a major college team was within his reach - if he didn't let anything get in his way. But he'd never factored in trying to score a date with Trisha, the hottest girl in Sea Breeze. She was every man's

walking fantasy, and she wouldn't even glance his way. But when he finds her beaten and bruised, Rock knew his life was about to change and that he'd do anything to save Trisha Corbin, and keep her safe. This special conclusion to the Sea Breeze series also contains the wrap-up stories of all your favourite Sea Breeze couples - the steamy romance won't stop until the very last page! [Life as We Knew it](#) CreateSpace From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after

they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after

graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a

month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? **M** Until the End of Time HarperCollins This novella contains major spoilers from the novel UNTIL THE END OF THE WORLD. It's suggested you read the novel before you read SO LONG, LOLLIPOPS. Unless you're someone who likes to read the last page of a book first. Peter watched his new family drive away, certain it would be the last time he'd ever see them. But sometimes plans go awry in the best way. Now, the plan is to get back to them. But sometimes plans go awry in the worst

way. Sometimes the only plan is to believe it will be all right, even when it's almost impossible to believe. **Inside Out & Back Again Hay House, Inc** Maybe it's the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she

escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive. [Until We End](#)
Canongate Books
Cassie Forrest has sworn she'll never let the world get the best of her again. She's chosen to believe everything will be all

right. But on a journey filled with heartbreak and madness and zombies, Cassie and her friends must struggle to stay alive- and it's hard to believe in a future when survival seems unlikely. *Beautiful World, Where Are You* Vintage
AN INSTANT #1 NEW YORK TIMES BESTSELLER
Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and

asks him if he 'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing

in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world? The Enemy Simon and Schuster 'For there she was.' Mrs Dalloway follows a single day in the life of Clarissa Dalloway, an upper-class woman in London, in June 1923, as she prepares for a party. Clarissa's thoughts and actions are interwoven with the trauma and bereavement of Septimus Smith, a poor young man suffering from shell-shock, in a

contrasting narrative that provides poignant insights into the political, historical, and social issues of Woolf's day. The novel brings memories and the present together, written and set in the uneasy years immediately after the First World War. This new edition, annotated and introduced by Trudi Tate, broadens and deepens key aspects of the historical context, including a fresh examination of Woolf's representations of women in the wake of the first women in Britain winning the right to vote, the context of post-war

politics, and the innovative aspects of the author's writing style. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

So Long, Lollipops

Createspace Independent Publishing Platform From the bestselling author of *Kafka on the Shore: A magnificent coming-of-age story steeped in nostalgia, " a masterly novel "* (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man ' s hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is

marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene.
